Any vacancy occurring for any reason in the number of Managers of the Company may be filled by the affirmative vote of a majority of the remaining Managers then in office, provided that if there are no remaining Managers, the vacancy(ies) shall be filled by the affirmative Majority Vote of Members. Any Manager's position to be filled by reason of an increase in the number of Managers shall be filled by the affirmative vote of a majority of the Managers then in office or by Majority Vote of the Members at a meeting of Members called for that purpose. A Manager elected to fill a vacancy or fill a position resulting from an increase in the number of Managers shall hold office until his successor shall be elected and shall qualify, or until his earlier death, resignation, or removal.

5.11 Salaries. The salaries and other compensation of the Manager shall be fixed from time to time by a Majority Vote of the Members, and no Manager shall be prevented from receiving such salary by reason of the fact that the Manager is also a Member of the Company.

ARTICLE VI. RIGHTS AND OBLIGATIONS OF MEMBERS

6.1 Limitation on Liability. Each Member's liability shall be limited as set forth in the Georgia Act.

6.2 No Liability for Company Obligations. No Member will have any personal liability for any debts or losses of the Company.

6.3 List of Members. Upon written request of any Member, the Company shall provide a list showing the names, addresses, and Membership Interest and Economic Interest of all Members and the other information required by the Georgia Act and maintained pursuant to Section 11.2.

6.4 Approval of Members. The Members shall have the right, by the Majority Vote of the Members: (i) to approve in the manner required by Article XIV of the addition of new Members, or (ii) to approve the dissolution of the Company as provided in Section 14.1(a)(i) hereof, or (iii) to approve any amendment to this Operating Agreement, provided, however, that no such approval by the Members is required for amendments that are necessary in connection with any transfer of an Interest under Article XII hereof (after obtaining the Member approval required thereunder) or any issuance of additional Interests under Article XIII hereof (after obtaining the Member approval required thereunder). Except as otherwise provided in this Operating Agreement, the other actions identified in Section 14-11-308(b) of the Georgia Act may be taken by the Managers without any further consent or approval of the Members.

ARTICLE VII. MEETINGS OF MEMBERS

7.1 Meetings. Meetings of the Members, for any purpose or purposes, may only be called by the Managers or a Member or Members holding at least 50% of the Ownership Percentages.

7.2 Place of Meetings. The Persons calling any meeting may designate any place, either within or outside the State of Georgia, as the place of meeting for any meeting of the Members. If no designation is made the place of meeting shall be the principal executive office of the Company in the State of Georgia.

7.3 Notice of Meetings. Written notice stating the place, date, and hour of the meeting and the purpose or purposes for which the meeting is called shall be delivered not less than two (2) nor more than fifty (50) days before the date of the meeting, either personally or by mail, by or at the direction of the Managers or Person calling the meeting, to each Member entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered two calendar days after being deposited in the United States mail, addressed to the Member at his address as it appears on the books of the Company, with postage thereon prepaid. Notice provided in accordance with this Section shall be effective notwithstanding anything in Section 14-11-311 of the Georgia Act to the contrary.

7.4 Meeting of all Members. If all of the Members shall meet at any time and place, either within or outside of the State of Georgia, and consent to the holding of a meeting at such time and place, such meeting shall be valid without call or notice, and at such meeting any lawful action may be taken.

7.5 Record Date. For the purpose of determining Members entitled to notice of or to vote at any meeting of Members or any adjournment thereof, or Members entitled to receive payment of any distribution, or in order to make a determination of Members for any other purpose, the date on which notice of the meeting is mailed or the date on which such distribution is made, as the case may be, shall be the record date for such determination of Members unless the Members shall otherwise specify another record date. When a determination of Members entitled to vote at any meeting of Members has been made as provided in this Article VII, such determination shall apply to any adjournment thereof.

7.6 Quorum. Members holding a Majority Interest, represented in person or by proxy, shall constitute a quorum at any meeting of Members. In the absence of a quorum at any such meeting, a majority of the Ownership Percentages of Members so represented may adjourn the meeting from time to time for a period not to exceed sixty (60) days without further notice. However, if at the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each Member of record entitled to vote at the meeting. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally noticed. The Members present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal during such meeting of that number of Ownership Percentages of Members whose absence would cause less than a quorum to be present.

7.7 Manner of Acting. The affirmative vote of Members holding a Majority Interest shall be the act of the Members. Section 14-11-307 of the Georgia Act (relating to conflicting interest transactions) shall not apply in the case of the Company, and Members who have an interest (economic or otherwise) in the outcome of any particular matter upon which the Members vote or consent may vote or consent upon such matter and their Ownership Percentage, vote or consent, as the case may be, shall be counted in the determination of whether the requisite matter was approved by the Members.

7.8 Proxies. A Member may vote in person or by proxy executed in writing by the Member or by a duly authorized attorney-in-fact. Such written proxy shall be delivered to the Company.

7.9 Action by Members Without a Meeting. Action required or permitted to be taken by the Members at a meeting may be taken without a meeting if the action is evidenced by one or more written consents describing the action taken, signed by the Members entitled to vote and having the requisite Ownership Percentage of Members required to approve such action. Action taken under this Section is effective when the Members required to approve such action have signed the consent, unless the consent specifies a different effective date. The record date for determining Members entitled to take action without a meeting shall be the date the first Member

signs a written consent.

7.10 Waiver of Notice. In lieu of any procedures contained in Section 14-11-312 of the Georgia Act, when any notice is required to be given to any Member, a waiver thereof in writing signed by the person entitled to such notice, whether before, at or after the time stated therein, shall be equivalent to the giving of such notice.

7.11 Meeting by Telephone. In lieu of any procedures contained in Section 14-11-310(b)(3) of the Georgia Act, Members may also meet by conference telephone call if all Members can hear one another on such call and the requisite notice is given or waived.

ARTICLE VIII. CONTRIBUTIONS TO THE COMPANY AND CAPITAL ACCOUNTS

8.1 Members' Capital Contributions. Each Member shall contribute the following amount next to such Member's name (the "Member's Initial Capital Contribution"):

FINEWRAP USA, INC.	\$100.00
JEFFREY HERMAN	\$ 50.00
RT MERCHANT, LLC	\$ 50.00

8.2 Additional Contributions of Members. Except as set forth in Section 8.1 and this Section 8.2, no Member shall be required to make any Capital Contributions. To the extent unanimously approved by the Managers, from time to time, one or more Members may be permitted to make additional Capital Contributions if and to the extent such Members so desire, and if the Managers determine that such additional Capital Contributions are necessary or appropriate in connection with the conduct of the Company's business (including without limitation, expansion or diversification). In such event, the Members shall have the opportunity (but not the obligation) to participate in such additional Capital Contributions on a prorata basis in accordance with their Ownership Percentages.

8.3 Loans to Company. To the extent approved by the Managers, Members may make a secured or unsecured loan to the Company.

ARTICLE IX. DISTRIBUTIONS TO MEMBERS

9.1 Distributions. Distributable Cash shall be distributed to the Members at such times as may be determined by the Managing Members, and shall be distributed to the Members in proportion to their respective Ownership Percentages at the time of the distribution; provided, that following the dissolution of the Company as provided in Section 14.1 hereof, distributions shall be made in accordance with Section 14.3 hereof.

9.2 Limitation Upon Distributions. No distribution shall be made to Members if

prohibited by Section 14-11-407 of the Georgia Act.

9.3 Interest On and Return of Capital Contributions. No Member shall be entitled to interest on his Capital Contribution or to a return of his Capital Contribution, except as otherwise specifically provided for herein.

9.4 Priority and Return of Capital. No Member or Economic Interest Owner shall have priority over any other Member or Economic Interest Owner, either as to the return of Capital Contributions or as to Net Profits, Net Losses, or distributions, except as otherwise specifically provided for herein. This Section shall not apply to loans (as distinguished from Capital Contributions) which a Member has made to the Company.

ARTICLE X. ALLOCATION OF NET PROFITS AND NET LOSSES

10.1. Net Profits shall be allocated for each Fiscal Year as follows:

(a) First, to the Members in an amount equal to the amount of Net Losses allocated to the Members under Section 10.2(b) below with respect to prior Fiscal Years, on a prorata basis based upon the total amount of such prior Net Losses allocated to each Member, until the amount of Net Profits allocated under this subparagraph (a) for such Fiscal Year and all prior Fiscal Years equals the total amount of such prior Net Losses allocated to all Members under Section 10.2(b) below;

(b) Second, to the Members in an amount equal to the amount of Net Losses allocated to the Members under Section 10.2(a) below with respect to prior Fiscal Years, on a prorata basis based upon the total amount of such prior Net Losses allocated to each Member, until the amount of Net Profits allocated under this subparagraph (b) for such Fiscal Year and all prior Fiscal Years equals the total amount of such prior Net Losses allocated to all Members under Section 10.2(a) below; and

(c) Third, to the Members on a prorata basis based upon their Ownership Percentages of Members as of the end of such Fiscal Year.

10.2. Net Losses shall be allocated for each Fiscal Year as follows:

(a) First, to the Members on a prorata basis based upon their respective Ownership Percentages of Members until their positive Capital Account balances are reduced to zero; and

(b) Second, to the Members on a prorata basis based upon their respective Ownership Percentages of Members.

10.3. Alternative Allocations. It is the intent of the Members that each Member's distributive share of income, gain, loss, deduction, or credit (or item thereof) be determined and allocated consistently with the provisions of the Code, including Sections 704(b) and 704(c) of

the Code. If in connection with the issuance of the Interests or if for any other reason, the Managers deem it necessary in order to comply with the Code, the Managers may, and they hereby are, authorized and directed to allocate income, gain, loss, deduction, or credit (or items thereof) arising in any year differently than as provided for in this Article X if, and to the extent, (i) that allocating income, gain, loss, deduction, or credit (or item thereof) would cause the determinations and allocations of each Member's distributive share of income, gain, loss, deduction, or credit (or item thereof) not to be permitted by the Code and any Treasury Regulations promulgated thereunder, or (ii) inconsistent with a Member's Interest in the Company taking into consideration all facts and circumstances. Any allocation made pursuant to this Section 10.3 shall be deemed to be a complete substitute for any allocation otherwise provided for in this Agreement and no further amendment of this Agreement or approval by any Member shall be required to effectuate such allocation. In making such allocations under this Section 10.3 ("New Allocations"), the Managers are authorized to act in reliance upon advice of counsel to the Company or the Company's regular certified public accountants that, in their opinions after examining the relevant provisions of the Code and any current or future proposed or final Treasury Regulations thereunder, the New Allocation is necessary in order to ensure that, in either the then current year or in any preceding year, each Member's distributive share of income, gain, loss, deduction, or credit (or items thereof) is determined and allocated in accordance with the Code and the Member's Interest in the Company.

New Allocations made by the Managers in reliance upon the advice of counsel and accountants as described above shall be deemed to be made in the best interests of the Company and all of the Members consistent with the duties of the Managers hereunder, and any such New Allocation shall not give rise to any claim or cause of action by any Member or Economic Interest Holder against the Company or the Managers.

ARTICLE XI. BOOKS AND RECORDS

11.1 Accounting Period. The Company's accounting period shall be the Fiscal Year.

11.2 Records and Reports. At the expense of the Company, the Managers shall maintain records and accounts all operations and expenditures of the Company. The Company shall keep at its principal place of business the following records:

- (a) A current list of the full name and last known address of each Member, Economic Interest Owner, and Manager;
- (b) Copies of records to enable a Member to determine the relative voting rights, if any, of the Members;
- (c) A copy of the Articles of Organization of the Company and all amendments thereto;
- (d) Copies of the Company's federal, state, and local income tax returns and reports, if any, for the three most recent years;

(e) Copies of this Operating Agreement, together with any amendments thereto;
and

(f) Copies of any financial statements of the Company for the three most recent years.

The books and records shall at all times be maintained at the principal office of the Company and shall be open to the reasonable inspection and examination of the Members, Economic Interest Owners, or their duly authorized representatives during reasonable business hours.

11.3 Tax Returns. The Manager shall cause the preparation and timely filing of all tax returns required to be filed by the Company pursuant to the Code and all other tax returns deemed necessary and required in each jurisdiction in which the Company does business. Copies of such returns, or pertinent information therefrom, shall be furnished to the Members within a reasonable time after the end of the Company's Fiscal Year.

ARTICLE XII. TRANSFERABILITY

12.1 General. Except as otherwise specifically provided herein, a Member shall have no right to sell, assign, pledge, hypothecate, transfer, exchange, or otherwise transfer for consideration (collectively, "sell" or "sale"); or gift, bequeath, or otherwise transfer for no consideration (whether or not by operation of law, except in the case of bankruptcy) (collectively, "gift") (and any "sale" or "gift" shall be referred to sometimes herein as a "Transfer"); all or any part of such Member's Membership Interest without the prior written consent of all of the Managers and other Members.

12.2 Transferee Not Member in Absence of Consent. Notwithstanding anything contained in this Agreement to the contrary, if the Managers do not approve the proposed sale or gift of the Transferring Member's Membership Interest to a transferee or donee that is not a Member immediately prior to the sale or gift, then the proposed transferee or donee shall have no right to participate as, or to become, a Member. No Transfer of a Membership Interest in the Company shall be effective unless the Member complies with the provisions of Section 12.3 of this Agreement.

12.3 Right of First Refusal. Notwithstanding the limitations of Section 12.2 above, a Member shall have the right to Transfer all (but not less than all) of such Member's Membership Interest to an unrelated third party purchaser, but only if such Member first complies with all the terms and provisions of this Section 12.3.

If a Member receives a bona fide offer for the purchase of all of such Member's Membership Interest from an unrelated third party, desires to sell all of such Membership Interest, and has not received the prior written consent of all the Managers, then such Member may sell such Membership Interest only for cash or its equivalent and only after offering it to the Company and to the Managers in accordance with the procedures set forth in this Section 12.3.

The Member desiring to sell a Membership Interest (the "Offeror Member") shall serve notice upon the Company and the Managers by certified mail, return receipt requested, indicating that a bona fide offer for the purchase of such Member's Membership Interest has been received and stating the name and address of the Person or Persons desiring to purchase the Membership Interest and the sale price and terms of payment of such sale, including with such notice a certified copy of the executed original of said offer to purchase signed by the prospective purchaser.

For a period of 30 days after the receipt of such notice (the "Option Period"), the Company shall have the option to purchase and redeem the Membership Interest so offered at the price and upon the terms and conditions set forth in the offer of purchase. The Offeror Member shall have no voice, directly or indirectly, in the decision of the Company as to whether to purchase such Membership Interest. The Company shall exercise its option to purchase only by written notice served on the Offeror Member on or before the last day of the Option Period.

If at the end of the Option Period, the Company fails to exercise its option to purchase and redeem the Membership Interest so offered by the Offeror Member, the Offeror Member shall withdraw its offer to sell and redeem its Membership Interest.

The closing of any purchase and sale under this Section 12.3 shall take place as follows:

The closing shall be held at the principal office of the Company or at such other place as shall be mutually agreed to by the Offeror Member and the Managers within 30 days following the exercise of such option.

At the closing, assignments of the Membership Interest of the selling Member, with covenants against assignors' acts, together with such other instruments and documents as may be necessary or desirable to effect the Transfer of the Membership Interest shall be executed and delivered. The Members shall also execute and deliver an amendment to this Agreement, if appropriate.

The Company or the Managers (as appropriate) shall pay the purchase price at closing by certified check or by wire transfer of immediately available federal funds. Alternatively, the Company or the Managers (as appropriate) may pay the purchase price by delivery of a promissory note, payable in up to twenty (20) equal quarterly installments of principal and interest, with interest accruing at a rate per annum equal to the Prime Rate, and including provisions that the promissory note may be prepaid without penalty and that the first installment payment will be due at the beginning of the first calendar quarter commencing after the closing date.

Effective as of the date of the closing, the selling Member shall cease to be a member of the Company, and the selling Member shall have no further rights, duties or obligations with respect to the Company arising out of this Agreement. Subsequent to the closing date such selling Member shall have no further Membership Interest in the Company's capital, Profit, Loss, gains, or distributions.

12.4 Assignee's Commitments. In connection with any Transfer, the assignee of a Member's Membership Interest must agree as follows:

(a) the Member and the assignee shall have executed a written instrument of assignment, and such other instruments and agreements as the Managers may request, all of which are satisfactory in form and content to the Managers, in which the assignee is designated as a substituted Member;

(b) such instrument of assignment and other documents shall have been delivered to the Managers;

(c) the assignee shall have executed a written agreement to be bound by all the terms and conditions of this Agreement in the same manner as though such proposed assignee were an original signatory hereof, satisfactory in form to the Managers;

(d) all required Capital Contributions owed by the assignor shall have been paid;

(e) the Manager shall have been furnished a written representation by the assignee (together with such supporting or supplemental evidence as the Managers may request) that said assignee (if an individual) is at least 18 years of age, that assignee is a citizen and resident of the United States, that assignee has sufficient financial resources to maintain the membership interests being acquired;

(f) the Manager, if they so elect, shall have received an opinion of counsel acceptable in form and substance to the Managers that the proposed transfer is exempt from the registration provisions of the federal Securities Act of 1933, as amended, the securities laws of the states of residence of the proposed assignor and assignee, and the securities laws of any other jurisdiction which, in the opinion of the Manager or such counsel, may be applicable, or is otherwise in compliance with such laws; and

(g) the Manager shall have consented in writing to such transfer and substitution of such assignee as a Member, the granting or denial of such consent to transfer being within the sole and absolute discretion of the Managers; provided, however, that the consent of the Manager to such transfer and substitution shall be withheld if the Manager reasonably believe that:

(i) the proposed substituted Member is not authorized to acquire the Units so assigned or does not have sufficient financial resources to acquire and maintain the Units assigned to him,

(ii) the proposed transfer and substitution would constitute a violation of any federal or state securities law or regulation, or

(iii) the proposed transfer and substitution would cause a termination of the Company for federal or state income tax purposes.

The Company may charge a reasonable fee equal to its costs, including an amount sufficient to reimburse the Company for attorneys' fees and other fees incurred in connection with a transfer of Units pursuant hereto.

12.5 Death or Disability of a Member.

(a) If a Member who is an individual dies or becomes Disabled (as hereinafter defined), then the Company shall have the absolute right, but not the obligation, to purchase such Member's Membership Interest as set forth in this Section 12.5. The Company shall exercise such right of purchase by notifying such Member's successor or other representative of the Company's exercise of its right of purchase pursuant to this Section 12.5. The Company shall have sixty (60) days following said Member's Disability or 120 days following said Member's death to exercise such right of purchase.

(b) The closing of any purchase and sale under this Section 12.5 shall take place as follows: The closing shall be held at the principal office of the Company or at such other place as shall be mutually agreed to by the Member or his or her successor or other representative and the Managers within 30 days following the exercise of such option. At the closing, assignment of the Membership Interest of the deceased or Disabled Member, with covenants against assignors' acts, together with such other instruments and documents as may be necessary or desirable to effect the assignment of the Membership Interest shall be executed and delivered. The Members shall also execute and deliver an amendment to this Agreement, if appropriate. The purchase price shall equal the Fair Value of the Membership Interest. The Company or the Managers (as appropriate) shall pay the purchase price at closing by certified check or by wire transfer of immediately available federal funds. Alternatively, the Company or the Managers (as appropriate) may pay the purchase price by delivery of a promissory note, payable in up to twenty (20) equal quarterly installments of principal and interest, with interest accruing at a rate per annum equal to the Prime Rate, and including provisions that the promissory note may be prepaid without penalty and that the first installment payment will be due at the beginning of the first calendar quarter commencing after the closing date. Effective as of the date of the closing, the Disabled Member or the estate of the deceased Member shall cease to be a member of the Company and shall have no further rights, duties, or obligations with respect to the Company arising out of this Agreement. Subsequent to the closing date such Disabled Member or the estate of the deceased Member shall have no further Membership Interest in the Company's capital, Profit, Loss, gains, or distributions.

(c) A Member shall be deemed to have a "Disability" and, therefore, be "Disabled" and referred to as a "Disabled Member" if such Member is absent from such Member's employment with the Company by reason of any mental or physical illness, disability, or incapacity for a period of six (6) consecutive months, or for shorter periods aggregating to six (6) months in any consecutive twelve-month period. Determination of a Member's mental or physical disability shall be made by the Managers, based upon an examination and certification by a physician selected by the Managers, to which such Member hereby consents. If the physician selected by Managers is not said Member's

personal physician, however, said Member shall have the right to have such Member's personal physician present at any such examination.

ARTICLE XIII. ISSUANCE OF ADDITIONAL MEMBERSHIP INTERESTS

Any Person approved by all of the Managers and Members may become a Member in the Company by the issuance by the Company of Membership Interests of a Member for such consideration as the Managers and Members shall determine.

ARTICLE XIV. DISSOLUTION AND TERMINATION

14.1 Dissolution.

(a) The Company shall be dissolved upon the earlier to occur of any of the following events:

(i) by the Majority Vote of the Members; or

(ii) the sale of all or substantially all of the Company's assets and the collection of all proceeds therefrom,

The occurrence of an Event of Dissociation (as defined in Section 14-11-601.1 of the Georgia Act) as to a Member will not cause the Company to be dissolved.

(b) Any successor in interest of the Member as to whom the Event of Dissociation occurs shall become an Economic Interest Owner but shall not be admitted as a Member, as the case may be, except in accordance with Article XII hereof.

(c) A Member shall not voluntarily withdraw from the Company or take any other voluntary action which causes an Event of Dissociation.

(d) Damages for breach of Section 14.1(c) shall be monetary damages only (and not specific performance), and such damages may be offset against distributions by the Company to which the withdrawing Member would otherwise be entitled.

14.2 Effect of Dissolution. Upon dissolution, the Company shall cease to carry on its business, except as permitted by the Georgia Act. Upon dissolution, the Managers shall file a statement of commencement of winding up and publish the notice permitted by the Georgia Act.

14.3 Winding-Up, Liquidation, and Distribution of Assets.

(a) Upon dissolution, an accounting shall be made by the Company's accountants of the accounts of the Company and of the Company's assets, liabilities, and operations, from the date of the last previous accounting until the date of dissolution. The

Manager(s), or if none, the Persons or Persons selected by Majority Vote of the Members (the "Liquidators") shall immediately proceed to wind up the affairs of the Company.

(b) If the Company is dissolved and its affairs are to be wound up, the Liquidators shall:

(i) Sell or otherwise liquidate all of the Company's assets as promptly as practicable (except to the extent the Liquidators may determine to distribute any assets to the Members in kind);

(ii) Allocate any profit or loss resulting from such sales to the Members, and Economic Interest Owners in accordance with Article X hereof;

(iii) Discharge all liabilities of the Company, including liabilities to Members, and Economic Interest Owners who are creditors, to the extent otherwise permitted by law, other than liabilities to Members, and Economic Interest Owners for distributions, and establish such Reserves as may be reasonably necessary to provide for contingent liabilities or liabilities of the Company;

(iv) Distribute the remaining assets to the Members, either in cash or in kind, (A) first, to the Members in accordance with the positive balance(if any) in each Member's Capital Account (as determined after taking into account all Capital Account adjustments for the Company's Fiscal Year during which the liquidation occurs), and (B) with any balance remaining after such distributions under (A) being distributed to the Members in proportion to the Members' respective Ownership Percentages. Any such distributions in respect to Capital Accounts shall, to the extent practicable, be made in accordance with the time requirements set forth in Section 1.704-1 (b)(2)(ii)(b)(2) of the Treasury Regulations; and

(v) If any assets of the Company are to be distributed in kind, the net fair market value of such assets shall be determined by independent appraisal or by agreement of the Members. Such assets shall be deemed to have been sold as of the date of dissolution for their fair market value, and the Capital Accounts of the Members, and Economic Interest Owners shall be adjusted pursuant to the provisions of this Operating Agreement.

(c) Notwithstanding anything to the contrary in this Operating Agreement, upon a liquidation within the meaning of Section 1.704.1(b)(2)(ii)(g) of the Treasury Regulations, if any Member has a deficit Capital Account (after giving effect to all contributions, distributions, allocations, and other Capital Account adjustments for all taxable years, including the year during which such liquidation occurs), such Member shall have no obligation to make any Capital Contribution to reduce or eliminate the negative balance of such Member's Capital Account,

(d) Upon completion of the winding-up, liquidation, and distribution of the assets, the Company shall be deemed terminated.

14.4 Certificate of Termination. When all debts, liabilities, and obligations have been paid and discharged or adequate provisions have been made therefor and all of the remaining property and assets have been distributed to the Members, a certificate evidencing such termination may be executed and filed with the Secretary of State of Georgia in accordance with the Georgia Act.

14.5 Return of Contribution Nonrecourse to Other Members. Except as provided by law or as expressly provided in this Operating Agreement, upon dissolution, each Member shall look solely to the assets of the Company for the return of the Member's Capital Account. If the Company property remaining after the payment or discharge of the debts and liabilities of the Company is insufficient to return the Capital Account of one or more Members, including, without limitation, all or any part of that Capital Account attributable to Capital Contributions, then such Member shall have no recourse against any other Member.

ARTICLE XV. MISCELLANEOUS PROVISIONS

15.1 Application of Georgia Law. This Operating Agreement, and the application or interpretation hereof, shall be governed exclusively by its terms and by the Georgia Act.

15.2 No Action for Partition. No Member has any right to maintain any action for partition with respect to the property of the Company.

15.5 Headings. The headings in this Operating Agreement are inserted for convenience only and are in no way intended to describe, interpret, define, or limit the scope, extent, or intent of this Operating Agreement or any provision hereof

15.6 Waivers. The failure of any party to seek redress for violation of or to insist upon the strict performance of any covenant or condition of this Operating Agreement shall not prevent a subsequent act, which would have originally constituted a violation, from having the effect of an original violation.

15.7 Rights and Remedies Cumulative. The rights and remedies provided by this Operating Agreement are cumulative and the use of any one right or remedy by any party shall not preclude or waive the right to use any or all other remedies. Such rights and remedies are given in addition to any other rights the parties may have by law, statute, ordinance, or

otherwise.

15.10 Creditors. None of the provisions of this Operating Agreement shall be for the benefit of or enforceable by any creditors of the Company or by any Person not a party hereto.

15.11 Counterparts. This Operating Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument.

15.12 Federal Income Tax Election; Tax Matters Partner. All elections required or permitted to be made by the Company under the Code shall be made by the Managers. For all purposes permitted or required by the Code, the Manager constitutes and appoints JEFFREY HERMAN, as the Tax Matters Partner or such other Manager as shall be elected. Upon the resignation of the Tax Matters Partner, a new Tax Matters Partner may be elected by the Managers.

Any and all notices, offers, demands, or elections required or permitted to be made under this Operating Agreement shall be in writing, signed by the party giving such notice, and shall be deemed given and effective (i) when hand-delivered (either in person by the party giving such notice, or by its designated agent, or by commercial courier), or (ii) on the third (3rd) business day (which term means a day when the United States Postal Service, or its legal successor ("Postal Service") is making regular deliveries of mail on all of its regularly appointed week-day rounds in Atlanta, Georgia) following the day (as evidenced by proof of mailing) upon which such notice is deposited, postage pre-paid, certified mail, return receipt requested, with the Postal Service, and addressed to the other party at such party's respective address as set forth in Article IV above, or at such other address as the other party may hereafter designate by Notice.

15.14 Certification of Non-Foreign Status. In order to comply with § 1445 of the Code and the applicable Treasury Regulations thereunder, in the event of the disposition by the Company of a United States real property interest as defined in the Code and Treasury Regulations, each Member shall provide to the Company an affidavit stating, under penalties of perjury, (i) the Member's address, (ii) United States taxpayer identification number, and (iii) that the Member is not a foreign person as that term is defined in the Code and Treasury Regulations. amount realized by the Company on the disposition.

15.15 Amendments. Any amendment to this Operating Agreement shall be approved by the Members where required by and in the manner provided in Section 6.4 hereof. After such approval by the Members, as the case maybe, or in the event approval by the Members is not necessary under Section 6.4, each Member agrees to execute and deliver to the Company upon request by the Managers appropriate documentation to evidence each amendment.

15.16 Invalidity. The invalidity or unenforceability of any particular provision of this Operating Agreement shall not affect the other provisions hereof, and the Operating Agreement shall be construed in all respects as if such invalid or unenforceable provision were omitted.
