SUBJECT: January 19, 2023, Regional Street Naming Memo

Regional Street Naming Committee:

Two applications for naming or renaming of existing streets, easements, or alleyways have been submitted for consideration. The applications are as followed:

Continued Business

5. a. Unnamed Alley - Old Creamery Alley

An application to name an unnamed alleyway between St. Lawrence Avenue and Reno Avenue was received on August 27, 2021. The alleyway is located within the City of Reno and runs in a north-south direction. An estimated five properties will be affected by the change. The Applicant requested to name the alleyway to avoid confusion with mail delivery and emergency services (see application).

The application was originally presented to and recommended for approval by the RSNC on October 21, 2021 to name the alleyway "Midtown Alley". The recommendation was forwarded to the City of Reno as they are the presiding jurisdiction. After consideration, the City of Reno requested the change be sent back to the RSNC with the name of "Old Creamery Alley" in leu of "Midtown Alley". The original Applicant has approved this alternate name.

Washoe County GIS performed due diligence by checking the newly proposed street names against the Master Street Directory for any existing, duplicate, or similar-sounding street names for the purpose of emergency management. The alternate name, Old Creamery Alley, is unique and has been accepted into the Street Reservation List.

New Business

6. a. Hawco Court – Clasen Court

An application to rename Hawco Court to Clasen Court was received on October 14, 2022. Hawco Court is located within unincorporated Washoe County west of Pyramid Way and north of Ingenuity Avenue. One parcel, the Applicant's, will be affected by the name change. The Applicant stated Clasen Quality Chocolates is the sole property owner listed on Hawco Court and would like the change to reflect the business. It should be noted two other parcels are located adjacent to Hawco Court but are addressed off Ingenuity Avenue.

Washoe County GIS performed due diligence by checking the newly proposed street name against the Master Street Directory for any existing, duplicate, or similar-sounding street name for the purpose of emergency management. The name, Clasen Court, is unique and has been accepted into the Street Reservation List.
