repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

The Regional Basemap Committee can deliberate or take action only if a matter has been listed on an agenda properly posted before the meeting. During the Public Comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Regional Basemap Committee. However, responses from the Regional Basemap Committee to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Regional Basemap Committee will consider, the Regional Basemap Committee may choose not to respond to public comments, except to correct factual inaccuracies, ask for Washoe County staff action, or to ask that a matter be listed on a future Regional Basemap Committee meeting agenda. The Regional Basemap Committee may do this either during the Public Comment item or during the following item: **“REGIONAL BASEMAP COMMITTEE MEMBER OR STAFF ANNOUNCEMENTS, REQUESTS FOR INFORMATION, AND SELECTION OF TOPICS FOR FUTURE AGENDAS** (Non-action item).”
