The disposal company will issue a quarterly account credit once the weekly self-hauling receipts are received at their office.

- If applying for a 'B', 'C' or 'D' Exemption, the Questionnaire is not required.
- If applying for a 'D' Exemption, please attach a copy of your business license and a copy of the business billing you receive from the disposal company. The disposal company will issue an account credit once the quarterly residential account bill with business number is received at their office. To be eligible for this exemption the property owner and business owner must be the same individual(s).

Upon receipt of the completed Application and fee, NNPH staff will review and upon approval, issue the exemption. ALL exemptions require an on-site inspection by our staff.
