SUMMARY: Amends Ordinance 31 by adding conditions for acquiring, and procedure for revoking, business licenses; and adds special provisions for "Outdoor Festivals".

BILL NO. 243

ORDINANCE NO. 31

AN ORDINANCE TO FIX, IMPOSE AND COLLECT A LICENSE TAX ON ALL CHARACTER OF LAWFUL TRADES, CALLINGS, INDUSTRIES, OCCUPATIONS, PROFESSIONS AND BUSINESS CONDUCTED IN THE COUNTY OF WASHOE, OUTSIDE OF THE LIMITS OF INCORPORATED CITIES AND TOWNS IN WASHOE COUNTY; FIXING A PENALTY FOR THE VIOLATION THEREOF; AND REPEALING ALL ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT THEREWITH.

THE BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF WASHOE DO ORDAIN:

SECTION 1. License required for engaging in business. It shall be unlawful for any person or persons, firm, association or corporation to engage in any business, trade, calling, industry, occupation or profession in the County of Washoe, outside of the limits of incorporated cities and towns in said county without first procuring a license therefor from the County of Washoe and without first paying a license tax therefor to the County of Washoe.

SECTION 2. Applicant to provide proof of Compliance. As a prerequisite to the issuance of a business license, every applicant therefor shall accompany his application with written certification of his compliance with all laws, ordinances, rules, or regulations with which compliance is required by this Ordinance. Such certification shall be obtained in writing from the appropriate agency or department charged with the supervision or enforcement of such law, ordinance, rule, or regulation, including, without limitation, health, sanitation, building, and zoning agencies and departments.

SECTION 3. Certification Required for Renewal. Except as otherwise provided in this Ordinance, all business licenses issued under this Ordinance, either prior or subsequent to any amendments hereto, must be renewed quarterly. An annual certification of compliance such as is required in Section 2 of this Ordinance shall also be required as a prerequisite to any such license renewal.

SECTION 4. When permit prerequisite to license. No license shall be issued hereunder when the provisions of this or some other Ordinance of the county, or some applicable law of a city, state, or federal government, require a permit to be obtained as a prerequisite to the engaging in or conducting of any such business until such permit is first obtained.

SECTION 5. License does not permit business otherwise prohibited. The payment of a fee and the issuance of a license as required by

the provisions of this Ordinance shall not entitle the holder thereof to carry on any business, the location or operation of which is in violation of any applicable law, ordinance, rule, or regulation of any city, county, state, or federal government, or agency thereof. In the event a license shall be issued for a business so violating any such law, ordinance, rule, or regulation, such license shall be void.

SECTION 6. License Valid only for Applicant and Address Shown. Any business license issued or renewed as required by this Ordinance shall be valid and effective only for the address or location for which it was originally issued, as shown upon the face of the license, and only for the person or persons or entity named in the application. In the event any business shall be relocated, or the ownership of a business be transferred, a new license shall be required.

SECTION 7. Suspension, cancellation or revocation of licenses. Any license issued pursuant to the provisions of this Ordinance, or any amendment thereof, may be suspended, cancelled or revoked for good cause. Good cause for such suspension, cancellation or revocation shall include, but is not limited to:

- A. The existence of unsanitary conditions, noise, disturbances, or other conditions at, near, or on the premises which cause, or tend to cause or create, a public nuisance or which injuriously affects the public health, safety or welfare.
- B. The commission of, or permitting or causing the commission of, any act in the operation of the business, which act is made unlawful or is prohibited by any applicable law, ordinance, rule, or regulation of any city, county, state, or federal government; and
- C. Fraudulent practices and misrepresentation in the operation of the business, or concealment or misrepresentation in procuring the license.

SECTION 8. Procedure for suspension, cancellation or revocation of license.

- A. As used in this Ordinance, "Board" shall mean the Board of County Commissioners in all cases except where, as provided in NRS 244.335 through 244.353, or any other law or ordinance, either the County License Board or the County Liquor Board is granted exclusive jurisdiction, in which cases "Board" shall mean that Board possessing such exclusive jurisdiction.
- B. Any license issued pursuant to the provisions of this Ordinance may be suspended, cancelled or revoked in the following manner.

1. The Board, on its own motion or initiative, or upon complaint of any person, may institute proceedings to suspend, cancel or revoke a license, by having served upon the licensee a notice or complaint setting forth the reasons alleged to constitute grounds for the suspension, revocation, or cancellation. Service may be made personally, or by mailing to the last known address of licensee as shown on his most recent application.
2. The licensee shall, within five days of the receipt of such notice or complaint, unless an extension of time be granted by the Board, file with the Clerk of the Board a written answer, under oath, to such complaint.
3. The Board shall fix a day and time for a hearing at which the licensee will be given an opportunity to be heard and present a reasonable amount of relevant evidence, by witnesses or otherwise.
4. If the licensee fails to file a written answer within the time required, or if the licensee fails to appear at the place and time designated for the hearing, the Board may order the license suspended, cancelled or revoked.
5. The Board shall, within ten days from the date of such hearing, enter its order to suspend, cancel or revoke, or to refuse to suspend, cancel or revoke, said license.
6. As an alternative to the procedure outlined in subsections 1 and 2 above, the Board may, on its own initiative or upon the complaint of any person, require the licensee to appear before the Board at a fixed time and place, and then and there to show cause, if any he may have, why his license should not be suspended, cancelled or revoked. The hearing shall be held not less than five days from the date of service upon the licensee of the order to show cause. Service of such order may be made as described in subsection 1 above. The failure by the licensee to appear at the time and place designated by the Board shall, in and of itself, constitute sufficient grounds for suspension, cancellation or revocation of his license.
7. In the event the LICENSEE shall fail to answer or appear, at such hearing and the revocation of his license be ordered, there shall be no reopening or review of the proceedings before the Board except when it shall subsequently appear to the satisfaction of the Board that the licensee's failure to answer or

appear was due to matters beyond his control, and not to inexcusable negligence on the part of the licensee.

SECTION 9. License Required for Outdoor Festivals.

In addition to the requirements of the preceding sections, the following provisions shall also apply to applications for a license for the holding of an outdoor festival.

SECTION 10. Definition of Outdoor Festival.

"Outdoor festival" or "festival" means any music festival, dance festival, "rock" festival or similar musical activity, at which music is provided by paid or amateur performers or by pre-recorded means, which is held at any place, either publicly or privately owned, other than in a permanent building or permanent installation which has been constructed and licensed for the purpose of conducting such activities or similar activities, and to which members of the public are invited or admitted for a charge or free of cost.

SECTION 11. License Application.

- A. The name, age, residence and mailing address of the person making said application. If the application is made by a partnership, the names and addresses of the partners must appear, and the partners shall be included, individually, as licensees. - B. A statement of the kind, character, or type of festival which the applicant proposes to conduct, operate or carry on.
- C. The address or legal description of the place where the proposed festival is to be conducted, operated or carried on. Additionally, the applicant must submit proof of ownership of the place where the festival is to be conducted or a statement signed by the owner of the premises indicating his consent that the site be used for the proposed festival.
- D. Proof that notice of the intent to apply for a license for the holding of such festival has been given to all landowners or occupiers located within one (1) mile from

any portion of the site of said festival not more than one (1) week prior to the date of such application.

SECTION 12. Festival Plans.

Every application shall contain a detailed explanation of the applicant's plans to provide security and fire protection, water supply and facilities, food supply and facilities, sanitation facilities, medical facilities and services, vehicle parking space, vehicle access and on-site traffic control, and, if it is proposed or expected that spectators or participants will remain at night or overnight, the arrangements for illuminating the premises and for camping or similar facilities. The applicant's plans shall include provisions for cleanup of the premises and removal of rubbish after the event has concluded. A plot plan showing arrangement of all facilities, including those for parking, egress and ingress, shall be submitted with said application.

Eight (8) copies of all such required plans shall be submitted with each application.

SECTION 13. Processing Application.

The Sheriff shall retain one copy of the plans required by Section 12 hereof, and shall transmit the remaining copies of the application and a copy of the receipt for the application fee to the Clerk of the Board who shall set the application for public hearing at a regular meeting of the Board, not less than 15 days nor more than 30 days thereafter, and shall give not less than 10 days written notice thereof to the applicant. The Clerk shall promptly give notice of hearing and copies of the application to the Sheriff, the District Attorney, the County Health Officer, the Director of Public Works, the Director of the Regional Planning Commission, and the Director of the County Building Department, who shall investigate the application and report in writing to the Board not later than the hearing, with appropriate recommendations related to their official functions, as to granting a license and conditions thereof.

SECTION 14. Consideration of Application By Board.

Based upon the testimony of the witnesses and evidence presented at said hearing, including the report of said department heads, the Board shall grant the license, deny the license, or set conditions which must be met, or security given that they will be met, before a license may be granted. If conditions are imposed by the

Board, the applicant shall furnish or cause to be furnished to said Clerk proof that all conditions have been met before the license may be issued.

SECTION 15. Issuance: License Fee, Non-transferable License. When the County Clerk certifies that conditions have been met, the Sheriff shall, upon payment of \$300.00 per day of operation, issue a license specifying the name and address of the licensee, the kind of festival licensed and the number of days' operation authorized. The licensee shall keep said license posted in a conspicuous place upon the premises at which the festival is conducted.

SECTION 16. License valid only for one festival. Any license issued for such an outdoor festival shall be valid only for the one festival thereby authorized and not for any other festivals.

SECTION 17. Licensing Conditions. At the hearing required under Section 14, the Board may establish conditions which must be met prior to the issuance of any license under this Chapter, except that the Board may take a matter under submission before determining which conditions shall be imposed. Where the Board takes a matter under submission, written notice of any conditions imposed as prerequisite to the issuance of a license must be mailed to the applicant within fifteen (15) days of the original hearing.

Conditions may be imposed by the Board pursuant to the County's general police power which may be necessary, under all the circumstances, for the protection of the health, welfare, safety and property of local residents and persons attending festivals in the County, including, without limitation, the following:

- A. Police protection - Every licensee may be required to employ police protection, at his own expense. The number and type of officers as may be necessary to provide for the preservation of order and protection of persons and property in and around the place of the festival shall be determined and specified by the Sheriff of Washoe County. Funds to employ this specified number of law enforcement officers at the current hourly salary rate for Sheriff's Deputies, plus other necessarily incidental expenses, such as travel allowances should it be necessary to engage officers from other localities, shall be deposited with the County at least ten (10) days prior to the specified date the activity is to occur. Where the Sheriff specifies the employment of off-duty peace officers to meet the requirements of this Ordinance, said peace officers shall be under the complete direction and control of the Sheriff of the County of Washoe. The Sheriff must be satisfied that the requisite number of peace officers will be provided at all times of operation, plus any specified reasonable time prior to and

following the event, before a license is issued.

- B. Water facilities - Every licensee shall provide an ample supply of potable water for drinking and sanitation purposes on the premises of the festival. Location and quality of water facilities on the premises must be approved by the Health Officer prior to issuance of a license.

The minimum supply of water required for a festival shall be as determined by the Health Officer to be necessary for reasonable health standards. All water shall meet U.S. Public Health Service standards. Public and private flush type water closets, lavatories and drinking facilities shall be required as determined by the Health Officer. Sewage and drainage systems relating to such facilities shall meet the requirements of the County Board of Health and be subject to the prior approval of that Board.

- C. Food concessions and attendant sanitary facilities - Where the proposed festival is to be held at a location which is, in the opinion of the Health Officer, considering the needs of the number of people expected to attend, the accessibility of existing facilities, and the capacity of such facilities, a substantial distance from adequate public eating places, food handling places or like establishments, applicant shall provide such food concessions or facilities at the premises as may be required by the Health Officer to adequately feed the number of persons expected to be in attendance.

Every licensee shall provide such sanitation facilities for the sole use of employees of the food concessions or operations as may be required by the Health Officer.

- D. Sanitation facilities required - Every licensee shall provide sanitation facilities for the use of persons attending the festival, including without limitation, flush type water closets, lavatories, and trash receptacles, of a quality and number as required by the Health Officer.

Where flush type water closets cannot be made available for the persons in attendance the Health Officer may allow the use of portable chemical toilets which shall be emptied and recharged at the licensee's expense as necessary pursuant to procedures established by the Health Officer.

A signed contract with a licensed refuse collector shall be submitted to the Board and a copy of same filed with the Health Officer. Removal of all trash and refuse shall be at the licensee's expense. The pick up and removal of refuse, trash, garbage and rubbish shall be at such in-

tervals as shall be required by the Health Officer.

- E. Medical facilities - The applicant shall provide, as required by the Health Officer, emergency medical treatment facilities on the premises of the festival.

The location of such facilities, number of doctors, nurses and other aides needed to staff said facilities and the type and quantity of medical supplies, drugs, ambulances, and other equipment that must be on the site shall be determined and approved by the Health Officer prior to the issuance of any license under this Ordinance.

The Health Officer shall calculate the need for medical services, based on the number of persons expected to attend a festival, their expected age group, the duration of events planned and the possibility of exposure to inclement weather and outdoor elements, and the availability of other existing facilities. Traffic lanes and other adequate space shall be designated and kept open for access and travel for ambulance, helicopter and other emergency vehicles to transport patients or staff to appropriate on and off-site treatment facilities.

- F. Parking areas - Every licensee shall provide adequate parking space for persons attending the festival by motor vehicle.

Persons desiring to operate or conduct a festival may be called upon to provide a separate parking space for every two (2) persons expected to attend the festival by motor vehicle. Such individual parking spaces shall be clearly marked and shall not be less than twelve (12) feet wide and twenty (20) feet long. The Building Inspector and the Planning Commission must approve an applicant's "parking plan" before a license may be issued.

- G. Access and parking control - Every licensee shall provide adequate ingress and egress to festival premises and parking areas therefor. Necessary roads, driveways and entranceways shall exist to insure orderly flow of traffic into the premises from a highway or road which is a part of or connects with the County system of highways or highway maintained by the State of Nevada. A special accessway for fire equipment, ambulances and other emergency vehicles may be required. The Superintendent of the County Road Department must approve the licensee's plan for ingress and egress before a license shall be issued.

Additionally, any applicant may be required to show that qualified traffic guards are under his employ to insure orderly traffic movement and relieve traffic congestion in the vicinity of the festival area.

- H. Hours of operation - All festivals which are subject to license under this Chapter shall close and cease operation continuously between the hours of 12 o'clock midnight and 9 o'clock a.m. of each and every day.
- I. Illumination - Every licensee planning to conduct a festival after dark, or planning to allow, or who does allow, persons attending festival to remain on the premises after dark, shall provide electrical illumination to insure that those areas which are occupied are lighted at all times. The Building Inspector must approve an applicant's lighting plan as a prerequisite to issuance of a license hereunder. A licensee may be required to illuminate specific areas on the premises with such amount of intensity as shall be sufficient to insure the safety of persons attending the festival.
- J. Overnight camping facilities - Every licensee authorized to allow persons who attend the festival to remain on the premises overnight shall provide camping facilities and overnight areas meeting the requirements of all County Ordinances and State laws relating thereto.
- K. Bonds - Any licensee may be called upon to post as prerequisite to the issuance of any license an indemnity bond and/or a performance bond in favor of the County in connection with the operation of a festival. Bonds required by this Chapter must be approved by office of the District Attorney prior to the issuance of a license. An applicant may be required to submit a surety bond written by a corporate bonding company authorized to do business in the State of Nevada by the Commissioner of Insurance, in a penal amount determined by the Board. Said bond shall indemnify the County of Washoe, its agents, officers, servants and employees and the Board of said County against any and all loss, injury and damage of any nature whatsoever arising out of, or in any way connected with, said festival, and shall indemnify against loss, injury and damage to both person and property. Additionally, the County may demand that applicant provide a corporate surety bond written by a corporate bonding company authorized to do business in the State of Nevada, indemnifying the County of Washoe and the owners of property used for or adjoining the festival site for any costs necessitated for cleaning up and/or removing debris, trash, or other waste from, in, and around the premises. Said bond shall be in an amount determined by the Board to be necessary, under all the circumstances, to adequately protect the County.
- L. Fire protection - Every licensee shall provide at his own expense adequate fire protection as determined by the fire protection agency or agencies having jurisdiction over the area where the event is to be conducted.

If the event is located in a hazardous fire area as determined by the Chief of the responsible fire protection agency or agencies, considering all relevant factors, including, without limitation, the location and nature of the festival and the nature of the surrounding area, and probable weather conditions, the applicant shall employ a suitable number of Fire Guards approved by the Chief of the responsible fire protection agency or agencies. Flammable vegetation and other fire hazards shall be removed in a manner and in such quantity as determined by the Fire Chief(s). First aid fire extinguishment equipment shall be provided as directed by the Fire Chief(s).

- M. Financial statements - Each licensee shall be required to provide a financial statement to give assurance of the ability of the promoters and/or applicants to meet the conditions of the permit.
- N. Communication system - Licensee shall provide telephone service at the site of the festival. Such service shall be connected to and a part of the Bell Telephone Company of Nevada system or some other public system which connects thereto, and shall be provided for the use of the persons attending the festival and shall be available at a charge not to exceed that charged a person using such public telephone service at places other than the site of the festival.

SECTION 18. Grounds for Denial of License; Notice of Denial.
After holding the public hearing, the Board may deny issuance of license if it finds any of the following:

- A. That the applicant fails to meet the conditions imposed pursuant to the provisions of this Ordinance.
- B. That the proposed festival will be conducted in a manner and/or location not meeting the health, zoning, fire or building and safety standards established by the ordinances of the County of Washoe or the laws of the State of Nevada.
- C. That the applicant has knowingly made a false, misleading or fraudulent statement of material fact in the application for license, or in any other document required pursuant to this Chapter.
- D. That the applicant, his employee, agent, or any person connected or associated with the applicant as partner, director, officer, stockholder, associate, or manager, or having a financial interest as described in Section 11, has previously conducted or been interested in the type of festival being applied for which resulted in the creation of a public or private nuisance.

E. That the applicant, his employee, agent or any person associated with applicant as partner, director, officer, stockholder, associate, or manager, or any person having a financial interest as described in Section 11 has been convicted in a court of competent jurisdiction, by final judgment of:

1. An offense involving the presentation, exhibition, or performance of an obscene production, motion picture or place; or of selling obscene matter; or
2. an offense involving lewd conduct; or

4. an offense involving misconduct with children; or
5. an offense which was, where committed, or would in Nevada be, a felony; or
6. an offense involving illegal use of drugs.

Where the application is denied, the Clerk of the Board shall mail to the applicant written notice of denial within fourteen (14) days of said action, which notice shall include a statement of the reasons the application was denied.

SECTION 19. Revocation of License.

The Clerk of the Board shall notice the petition for hearing in accordance with the provisions of Section 8 of this Ordinance, provided, however, that the time provisions of that section shall not be applicable if the festival is scheduled to commence at a date sooner than that on which the hearing would be held. If the festival has not yet commenced, and a special hearing as provided in NRS 244.090 can be called before the commencement of the festival, with reasonable notice having been given to the licensee, such special hearing shall be held and shall otherwise proceed as provided in Section 8 of this Ordinance. If such special hearing cannot be held due to lack of time prior to commencement of the festival, or unavailability of a quorum of the Board, or for whatever the reason, or if the festival is in progress, the Sheriff may, if he finds after an investigation that cause exists for revocation of the license, order the festival to close and shall thereupon post a notice of closure on the premises and at such points on the roads or highways providing access to the festival as he shall deem necessary to convey notice of such closure to persons approaching said festival. Such closure order shall have the same effect as a revocation of the license, and any reference in this Ordinance to a festival for which the license has been revoked shall include a festival which has been ordered closed by the Sheriff.

Following such closure order, a licensee may request a hearing before the Board which shall be granted with ten (10) days of such request.
