**WHEREAS**, Washoe County in the State of Nevada (the “County” and the “State”, respectively) is a county duly organized and created under the provisions of Nevada Revised Statutes (“NRS”) 243.340; and

**WHEREAS**, the County now owns and operates municipal golf course facilities (the “Golf Course Facilities”); and

**WHEREAS**, pursuant to NRS 244A.011 through 244A.065, inclusive (the “County Bond Law”), and to NRS 350.500 through 350.720, and all laws amendatory thereof, designated in NRS 350.500 as the Local Government Securities Law (the “Bond Act”), the County issued its “Washoe County, Nevada, General Obligation (Limited Tax) (Additionally Secured by Pledged Revenues) Golf Course Bonds, Series 1997” (the “1997 Bonds”) and the payment of the principal of and interest on the 1997 Bonds is additionally secured by an irrevocable pledge of and by a lien (but not necessarily an exclusive or first lien) on all or a portion of the Net Revenues (as defined herein) of the Golf Course Facilities (the “Pledged Revenues”); and

**WHEREAS**, interest rates have substantially declined since the issuance of the 1997 Bonds; and

**WHEREAS**, the Bond Act provides that the County may issue refunding bonds to refund, pay and discharge all or any portion of the 1997 Bonds for the purpose of reducing interest costs or effecting other economies (the "Project"); and

**WHEREAS**, if the Finance Director of the County (the "Finance Director") determines that interest rate savings may be effected by refunding all or a portion of the 1997 Bonds, after the sale of the Bonds pursuant to the provisions of NRS 350.105 to 350.195, inclusive (the "Bond Sale Act"), the County hereby determines to issue its Washoe County, Nevada, General Obligation (Limited Tax) (Additionally Secured by Pledged Revenues) Golf Course Refunding Bonds, Series 2009D (the "Bonds" or the "Bond") in the aggregate principal amount necessary to effect the Project and as set forth in the Certificate of the Finance Director (as defined herein) for the purpose of refunding, paying and discharging the principal of, interest on, and any redemption premiums due in connection with the redemption of all or a portion of the 1997 Bonds as set forth in the Escrow Agreement (as defined herein) (the "Refunded Bonds"); and

**WHEREAS**, the Board has heretofore elected to and hereby determines to issue the Bonds in accordance with the provisions of the County Bond Law and the Bond Act; and

**WHEREAS**, pursuant to NRS 350.700, the Bonds may be made payable from any taxes or pledged revenues, or both taxes and such pledged revenues, which might be legally pledged for the payment of the Refunded Bonds; and

**WHEREAS**, the payment of the principal of and interest on the Bonds will be additionally secured by an irrevocable pledge of and by a lien (but not necessarily an exclusive or first lien) on the Pledged Revenues on a parity with the portion of the 1997 Bonds, if any, that is not refunded with proceeds of the Bonds (the "Outstanding 1997 Bonds"); and

**WHEREAS**, other than the 1997 Bonds, the County has not previously issued securities that are secured by the Pledged Revenues; and

**WHEREAS**, the Board has determined and does hereby determine that, based upon the studies and reports pertaining thereto, the Pledged Revenues will at least equal the amount required in each year for the payment of the principal of and interest on the Bonds and the Outstanding 1997 Bonds; and

**WHEREAS**, the Board is not authorized to levy general ad valorem taxes to pay the principal of or interest on the Bonds exempt from the limitations of any statutes of the State; any

1404

general ad valorem taxes levied for the purpose of paying principal or interest on the Bonds will be subject to the limitations contained in the Constitution and the statutes of the State; and

**WHEREAS**, the Board is therefore authorized and empowered by the Bond Act, without any further preliminaries:

A. to issue and sell the Bonds; and

B. to exercise the incidental powers provided in the Bond Act in connection with the powers authorized therein or as otherwise expressly provided therein; and

**WHEREAS**, if the Finance Director determines that the County will achieve interest rate savings, the Finance Director, or in his absence the County Manager of the County (the "County Manager"), is authorized to sell the Bond to the best bidder therefore (the "Purchaser") and to execute the Certificate of the Finance Director (hereinafter defined); and

**WHEREAS**, the Finance Director, or in his absence the County Manager, is hereby authorized to accept a binding offer for the Bond subject to the conditions and requirements set forth herein, the Bond to bear interest at the rates per annum designated in a certificate dated on or before the date of delivery of the Bond (the "Certificate of the Finance Director"), such rates not to exceed 3% over the Index of Twenty Bonds most recently published in The Bond Buyer prior to the time the bids are received, at a price equal to the principal amount of the Bonds, plus accrued interest on the Bonds, if any, from their date to the date of their delivery, less a discount or plus a premium not exceeding 9% of the principal amount thereof, which price does not result in an effective interest rate on the Bond in excess of 3% over the "Index of Twenty Bonds" most recently published in The Bond Buyer prior to the time the bids are received, all as specified in the Certificate of the Finance Director; and

**WHEREAS**, the Board hereby determines and declares that it is necessary and in the best interests of the County and its inhabitants to effect the Project and to issue and sell the Bonds to defray wholly or in part the cost of the Project; and

**WHEREAS**, there has been filed with the County the form of an escrow agreement (the "Escrow Agreement") between the County and U.S. Bank National Association, the escrow bank (the "Escrow Bank"); and

**WHEREAS**, the Board hereby elects to have the provisions of Chapter 348 of NRS (the "Supplemental Bond Act") apply to the Bonds; and

**WHEREAS**, the Board has determined and hereby declares that each of the limitations and other conditions to the issuance of the Bonds in the County Bond Law, the Bond Act, the Supplemental Bond Act and in any other relevant act of the State or the Federal Government, has been met; and pursuant to NRS 350.708, this determination of the Board that the limitations in the Bond Act have been met shall be conclusive in the absence of fraud or arbitrary or gross abuse of discretion; and

Unless waived by any registered owner of the Bond, notice of prepayment shall be given by the Registrar by first class, postage prepaid mail, at least 10 days prior to the date fixed for prepayment, to the registered owner of the Bond at the address as it last appears on the registration records kept by the Registrar. Actual receipt of mailed notice by the registered owner of the Bond shall not be a condition precedent to prepayment of the Bond. A certificate by the Registrar that notice of prepayment has been given as provided in this Section shall be conclusive as against all parties; and no owner may object thereto or to the cessation of interest on the prepayment date on the ground that he failed actually to receive such notice of prepayment.

Notwithstanding the provisions of this Section, any notice of prepayment may contain a statement that the prepayment is conditional upon the receipt by the Paying Agent of funds on or before the date fixed for prepayment sufficient to pay the principal amount to be prepaid, the accrued interest thereon to the date of prepayment, and the premium, if any, of the installments of principal of and interest on the Bond so called for prepayment, and that if such funds are not available, such prepayment shall be canceled by written notice to the owner of the Bond called for prepayment in the same manner as the original prepayment notice was mailed.

If such lost, stolen, destroyed or mutilated Bond shall have matured or been called for prepayment, the Registrar may direct that such Bond be paid by the Paying Agent in lieu of replacement.

ARTICLE IV.  
USE OF BOND PROCEEDS

Section 401. Disposition of Bond Proceeds. The proceeds of the Bonds upon the receipt thereof at any time or from time to time, shall be accounted for in the following manner and priority and are hereby pledged therefor:

A. Bond Fund. First, there shall be credited to a separate and special account hereby created and to be known as the "Washoe County, Nevada, General Obligation (Limited Tax) (Additionally Secured by Pledged Revenues) Golf Course Refunding Bonds, Series 2009D, Pledged Revenues Interest and Principal Retirement Fund" (the "Bond Fund"), all moneys, if any, received as accrued interest on the Bonds from their sale by the County from the date of the Bonds to the date of their delivery to the Purchaser, to apply to the payment of interest on the Bonds as the same become due after their delivery, in accordance with Section 606 hereof. Such Bond Fund shall be maintained by the County Treasurer separate and apart from all other County funds, including the Golf Course Fund.

B. Escrow Account. Except as herein otherwise expressly provided, the proceeds derived from the sale of the Bonds (together with any other legally available funds) in an amount sufficient to effect the Project shall be credited to the "Washoe County, Nevada, General Obligation (Limited Tax) (Additionally Secured by Pledged Revenues) Golf Course Refunding Bonds, Series 2009D, Escrow Account" which is hereby created.

C. Cost of Issuance Account. Except as herein otherwise expressly provided, the proceeds derived from the sale of the Bonds remaining after the deposits required by subsections A and B of this section has been made, shall be credited to a separate account hereby created and to be known as the "Washoe County, Nevada, General Obligation (Limited Tax) (Additionally Secured by Pledged Revenues) Golf Course Refunding Bonds, Series 2009D, Cost of Issuance Account."

Section 402. Moneys in Cost of Issuance Account. All moneys received and held by the County for the Cost of Issuance Account, except as herein otherwise expressly provided, shall be used and paid out solely for the purpose of defraying the costs of issuing the Bonds.

Section 403. Prevention of Bond Default. The County Treasurer shall use any Bond proceeds credited to the Cost of Issuance Account without further order or warrant, to pay the Bond Requirements of the Bonds as the same become due whenever and to the extent moneys in the Bond Fund or otherwise available therefor are insufficient for that purpose, unless the Bond proceeds shall be needed to defray obligations accrued and to accrue under any contracts then existing and relating to the Project. The County Treasurer shall promptly notify the Board of any such use. Any moneys so used shall be restored to the Cost of Issuance Account, from the first Pledged Revenues thereafter received and not needed to meet the requirements provided in Sections 602 through 610 hereof.

Section 404. Maintenance of Escrow Account. The Escrow Account shall be maintained by the Escrow Agent on behalf of the County in an amount at the time of the initial deposits therein and at all times subsequently at least sufficient, together with the known minimum yield to be derived from the initial investment and any temporary reinvestment of the deposits therein or any part thereof in Federal Securities, to pay the interest due in connection with the Refunded Bonds, both accrued and not accrued, as the same becomes due up to and including the redemption date for the Refunded Bonds as set forth in the Escrow Agreement (the "Refunded Bonds Redemption Date") and to redeem on the Refunded Bonds Redemption Date the Refunded Bonds at a redemption price equal to the principal amount thereof plus accrued interest to the redemption date.

Section 405. Use of Escrow Account. Moneys shall be withdrawn by the Escrow Bank from the Escrow Account in sufficient amounts and at such times to permit the payment without default of the principal, interest and any redemption premium of the Refunded Bonds on the Refunded Bonds Redemption Date. The County shall call for prior redemption of the Refunded Bonds on the Refunded Bonds Redemption Date as set forth in the Escrow Agreement. Any moneys remaining in the Escrow Account after provision shall have been made for the redemption in full of the Refunded Bonds shall be applied to any lawful purpose of the County as the Board may hereafter determine.

Section 406. Insufficiency of Escrow Account. If for any reason the amount in the Escrow Account shall at any time be insufficient for the purposes of Sections 404 and 405 hereof, the County shall forthwith from the first moneys available therefor deposit in such account such additional moneys as shall be necessary to permit the payment in full of the

principal, interest and redemption premium due in connection with the Refunded Bonds as herein provided.

Section 407. Exercise of Option. The Board has elected and does hereby declare its intent to exercise on the behalf and in the name of the County its option to redeem on the Refunded Bonds Redemption Date the Refunded Bonds as set forth in the Escrow Agreement. The Board is hereby obligated so to exercise such option, which option shall be deemed to have been exercised when notice is duly given and completed forthwith after the issuance of the Bonds as herein provided in Section 408 hereof.

Section 408. Notices of Prior Redemption and Defeasance. The registrar for the Refunded Bonds, upon issuance of the Bonds, shall give the notices of redemption and defeasance in accordance with the provisions of the ordinance authorizing the issuance of the Refunded Bonds.

Section 409. Purchaser Not Responsible. The validity of the Bonds shall not be dependent on nor be affected by the validity or regularity of any proceedings relating to the Project. The Purchaser of the Bonds, any associate thereof, and any subsequent owner of any Bonds shall in no manner be responsible for the application or disposal by the County or by any of its officers, agents and employees of the moneys derived from the sale of the Bonds or of any other moneys herein designated.

Section 410. Lien on Bond Proceeds. Until proceeds of the Bonds are applied as hereinabove provided the Bond proceeds shall be subject to a lien thereon and pledge thereof for the benefit of the owners of the Bonds from time to time as provided in Section 601 hereof.

ARTICLE V.

Pursuant to NRS 350.596, if necessary, the Bond Requirements of the Bonds falling due at any time when there are not on hand sufficient funds to pay the same, shall be paid out of the general fund of the County or out of any other funds that may be available for such purpose. For the purpose of repaying any moneys so paid from any such fund or funds (other than any moneys available for the payment of such Bond Requirements on other than a temporary basis) and for the purpose of the payment thereafter of the Bonds and the interest thereon there are hereby created the following separate and special accounts to be known respectively as the "Washoe County, Nevada, General Obligation (Limited Tax) (Additionally Secured by Pledged Revenues) Golf Course Refunding Bonds, Series 2009D, General Tax Principal Account" (the "General Tax Principal Account") and as the "Washoe County, Nevada, General Obligation (Limited Tax) (Additionally Secured by Pledged Revenues) Golf Course Refunding Bonds, Series 2009D, General Tax Interest Account" (the "General Tax Interest Account"). Pursuant to NRS 350.592 and 350.594, there shall be levied after the issuance of the Bonds and annually thereafter, until all of the Bond Requirements shall have been fully paid, satisfied and discharged, a General Tax on all property, both real and personal, subject to taxation within the boundaries of the County fully sufficient to reimburse such funds for such installments of Bond Requirements, together with the revenue which will result from application of the rate to the net proceeds of minerals, to pay the interest on the Bonds, and to pay and retire the same as hereinabove provided, and after there are made due allowances for probable delinquencies. The proceeds of the annual levies shall be duly credited to such separate accounts for the payment of the Bond Requirements, including any mandatory sinking fund payments required by the provisions of this Ordinance, if any. In the preparation of the annual budget or appropriation resolution or ordinance for the County, the County shall first make proper provisions through the levy of sufficient General Taxes for the payment of the interest on and the retirement of the principal of the bonded indebtedness of the County, including, without limitation, the Bonds, subject to the limitations imposed by NRS 361.453 and Section 2, Article 10, Nevada Constitution, and the amount of money necessary for this purpose shall be a first charge against all the revenues received by the County which are legally available to pay the Bond Requirements of the Bonds.

Section 502. Priorities for Bonds. The County hereby covenants that in any year in which the total General Taxes levied against the property in the County by all overlapping units within the boundaries of the County may exceed the limitations imposed by NRS 361.453, or a lesser or greater amount fixed by the State Board of Examiners in any fiscal year, and it becomes necessary by reason thereof to reduce the levies made by any and all such units, the reductions so made shall be in General Taxes levied by the County for purposes other than the payment of their bonded indebtedness of the County, including interest thereon. The General Taxes levied for the payment of such bonded indebtedness and the interest thereon shall always enjoy a priority over General Taxes levied by each such unit (including, without limitation, the County and the State) for all other purposes where reduction is necessary in order to comply with the limitation of NRS 361.453.

Section 503. Correlation of Levies. Such General Taxes shall be levied and collected in the same manner and at the same time as other General Taxes are levied and collected, and the proceeds thereof for the Bonds shall be kept by the Treasurer in the General Tax Principal Account and in the General Tax Interest Account, which shall be used for no other purpose than the payment of principal of and interest on the Bonds and any other parity securities hereinafter issued in accordance with Section 913 hereof, respectively, as the same fall due.

Section 504. Use of General Fund. Any sums becoming due on the Bonds at any time when there are on hand from such tax levy or levies (and any other available moneys) insufficient funds to pay the same shall be promptly paid when due from general funds on hand belonging to the County, reimbursement to be made for such general funds in the amounts so advanced when the Taxes herein provided for have been collected, pursuant to NRS 350.596.

Section 505. Use of Other Funds. Nothing herein prevents the County from applying any funds (other than General Taxes) that may be available for that purpose to the payment of such interest or principal as the same mature, including, without limitation, the payment of the Bond Requirements of the Bonds as provided in Section 606 hereof and elsewhere herein, and upon such payments, the levy or levies herein provided may thereupon to that extent be diminished, pursuant to NRS 350.598.

Section 506. Legislative Duties. In accordance with NRS 350.592 and NRS 361.463, it shall be the duty of the County annually, at the time and in the manner provided by law for levying other General Taxes of the County, if such action shall be necessary to effectuate the

provisions of this Ordinance, to ratify and carry out the provisions hereof with reference to the levy and collection of General Taxes; and the County shall require the officers of the County to levy, extend and collect such General Taxes in the manner provided by law for the purpose of creating funds for the payment of the principal of the Bonds and interest thereon. Such General Taxes when collected shall be kept for and applied only to the payment of the principal of and the interest on the Bonds, as hereinbefore provided.

Section 507. Appropriation of General Taxes. In accordance with NRS 350.602, there is hereby specially appropriated the proceeds of the General Taxes to the payment of such principal and interest, and such appropriations shall not be repealed nor the General Taxes postponed or diminished (except as herein otherwise expressly provided) until the principal of and interest on the Bonds, have been wholly paid.

## ARTICLE VI.

### ADMINISTRATION OF AND ACCOUNTING FOR PLEDGED REVENUES

Section 601. Pledge Securing Bonds. Subject only to the right of the County to cause amounts to be withdrawn to pay the Cost of the Project as provided herein, the Pledged Revenues and all moneys and securities paid or to be paid to or held or to be held in any account under this article or under Section 401 hereof, excluding, however, all amounts held in the Rebate Account, are hereby pledged to secure the payment of the Bond Requirements of the Bonds. This pledge shall be valid and binding from and after the date of the first delivery of any Bonds, and the moneys, as received by the County and hereby pledged, shall immediately be subject to the lien of this pledge without any physical delivery thereof, any filing, or further act. The lien of this pledge and the obligation to perform the contractual provisions hereby made shall be: (i) on a parity with the Outstanding 1997 Bonds, if any, and any Outstanding parity securities hereafter issued, (ii) subordinate to any Outstanding superior securities hereafter issued, and (iii) superior to any Outstanding subordinate securities hereafter issued. The lien of this pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the County (except as herein otherwise provided) irrespective of whether such parties have notice thereof.

Section 602. Golf Course Fund Deposits. So long as any of the Bonds shall be Outstanding, as to any Bond Requirements, the Pledged Revenues, upon their receipt from time to time by the County, shall continue to be set aside and credited immediately to a special fund hereby created and designated as the "Washoe County, Nevada, Pledged Revenues Golf Course Fund" (the "Golf Course Fund"). Such Golf Course Fund shall be maintained by the County Treasurer separate and apart from all other County funds, including the Bond Fund.

Section 603. Administration of Golf Course Fund. So long as any of the Bonds hereby authorized shall be Outstanding, as to any Bond Requirements, each Fiscal Year the Golf Course Fund shall be administered, and the moneys on deposit therein shall be applied in the following order of priority, all as provided in Sections 604 through 610 hereof.

Section 604. Operation & Maintenance Expenses. First, as a charge on the Golf Course Fund, from time to time there shall be set aside in and credited to a separate account created hereby, and known as the "Washoe County, Nevada, Golf Course Facilities Operation and Maintenance Fund" (the "Operation and Maintenance Fund"), moneys sufficient to pay

operation and maintenance expenses as budgeted and approved in accordance with the Budget Act, and all laws supplemental thereto, as such expenses become due and payable, and thereupon they shall be promptly paid. Any surplus remaining at the end of the Fiscal Year and not needed for operation and maintenance expenses shall be used in the same manner as moneys in the Golf Course Fund are used.

Section 605. Superior Securities. Second, and subject to the aforesaid provisions, from any moneys remaining in the Golf Course Fund, to pay, when due, the bond requirements of any outstanding superior securities hereafter issued in accordance with this Ordinance and the requirements of any reserve fund therefor.

Section 606. Bond Fund Payments. Third, from any moneys remaining in the Golf Course Fund, the following transfers shall be credited to the Bond Fund:

A. Monthly, commencing on the first of the month following the date of delivery of the Bonds, an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever source, to pay the next maturing installment of interest on the Bonds, and monthly thereafter, commencing on each interest payment date, one-sixth of the amount necessary, together with any other moneys from time to time available therefor and on deposit therein from whatever source, to pay the next maturing installment of interest on the Bonds then Outstanding.

B. Monthly, commencing on the first of the month following the date of delivery of the Bonds, an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever source, to pay the next installment of principal of the Bonds coming due at maturity, and monthly thereafter, commencing on each principal payment date, one-twelfth of the amount necessary, together with any other moneys from time to time available therefor and on deposit therein from whatever source, to pay the next installment of principal of the Bonds coming due at maturity, or subject to mandatory sinking fund redemption, if any.

The moneys credited to the Bond Fund shall be used to pay the Bond Requirements of the Bonds as the Bond Requirements become due, including any mandatory sinking fund payments, if any.

Section 607. Termination of Deposits and Defraying Delinquencies. No payment need be made into the Bond Fund, or if the amount in the Bond Fund totals a sum at least equal to the entire amount of the Outstanding Bonds as to all Bond Requirements, to their respective

maturities, and both accrued and not accrued, in which case moneys in that account in an amount at least equal to such Bond Requirements shall be used solely to pay such Bond Requirements as the same become due; and any moneys in excess thereof in those two accounts and any other moneys derived from the Pledged Revenues may be used in any lawful manner determined by the County.

Section 608. Rebate Payments. Fourth, and subject to the provisions hereinabove in this Article, there shall be transferred into the “Washoe County, Nevada, General Obligation (Limited Tax) (Additionally Secured by Pledged Revenues) Golf Course Refunding Bonds, Series 2009D, Rebate Account,” hereby created, after making in full the monthly deposits required by Sections 605 and 606, but prior to the transfer of any Pledged Revenues to the payment of subordinate securities, such amounts as are required to be deposited therein to meet the County’s obligations under the covenant contained in Section 921 hereof, in accordance with Section 148(f) of the Tax Code. Amounts in the Rebate Account shall be used for the purpose of making the payments to the United States required by such covenant and Section 148(f) of the Tax Code. Any amounts in the Rebate Account in excess of those required to be on deposit therein by Section 921 hereof and Section 148(f) of the Tax Code may be withdrawn therefrom and used for any lawful purpose relating to the Project.

Section 609. Payment of Additional Securities. Fifth, and subject to the provisions hereinabove in this Article, and in Article VIII hereof, any moneys remaining in the Golf Course Fund may be used by the County for the payment of Bond Requirements of additional bonds or other additional securities payable from the Pledged Revenues and hereafter authorized to be issued in accordance with Article VIII and any other provisions herein supplemental thereto, including reasonable reserves for such securities, as the same accrue. The lien of such additional bonds or other additional securities on the Pledged Revenues and the pledge thereof for the payment of such additional securities shall be on a parity with or subordinate to the lien and pledge of the Bonds as herein provided. Payments for bond funds for parity securities shall be made concurrently with the payments required by Section 606 hereof, but payments for bond funds for additional subordinate securities shall be made after the payments required by Sections 604 to 608 hereof.

Section 610. Use of Remaining Revenues. After the payments hereinabove required to be made in this Article VI are made, any remaining Pledged Revenues in the Golf Course Fund

may be used at any time during any Fiscal Year whenever in the Fiscal Year there shall have been credited to the Bond Fund, to the Rebate Account, and to each other security fund and reserve fund, if any, for the payment of any other securities payable from the Pledged Revenues, all amounts required to be deposited in those special accounts for such portion of the Fiscal Year, as hereinabove provided in this Article, for any one or any combination of lawful purposes, as the County may from time to time determine, including, without limitation, for golf course facilities and the creation of capital reserves, the payment of capital costs and maintenance costs therefor, the payment of any Bond Requirements of any bonds or other securities relating to the Project, general obligations or special obligations, and regardless of whether the respective proceedings authorizing or otherwise relating to the issuance of the securities provides for their payment from Pledged Revenues.

## ARTICLE VII.

### GENERAL ADMINISTRATION

Section 701. Administration of Accounts. The special accounts designated in Articles IV and VI hereof, except the Escrow Account which shall be administered pursuant to the provisions of the Escrow Agreement, shall be administered as provided in this Article.

Section 702. Places and Times of Deposits. Each of the special accounts hereinabove designated in Articles IV and VI hereof, except the Escrow Account, shall be maintained as a book account and kept separate from all other accounts as a trust account solely for the purposes herein designated therefor, and the moneys accounted for in such special book accounts shall be deposited in one bank account or more in a commercial bank or commercial banks as determined and designated by the County (except as otherwise expressly stated herein). Nothing herein prevents the commingling of moneys accounted for in any two or more book accounts relating to the Project or any other County accounts in any bank account or any investment in Federal Securities hereunder. Each bank account shall be continuously secured to the fullest extent required or permitted by the laws of the State for the securing of public funds and shall be irrevocable and not withdrawable by anyone for any purpose other than the respective designated purposes. Each periodic payment shall be credited to the proper book account not later than the date therefor herein designated, except that when any such date shall be a Saturday, a Sunday or a legal holiday, then the payment shall be made on or before the next preceding secular day. Notwithstanding any other provision herein to the contrary, moneys sufficient to pay the Bond Requirements then coming due on the Outstanding Bonds shall be deposited with the Paying Agent at least on the day of each interest payment date herein designated and, in any event, in sufficient time to make timely payment of such Bond Requirements.

Section 703. Investment of Moneys. Any moneys in any account designated in Articles IV and VI hereof, and not needed for immediate use, may be invested or reinvested by the County Treasurer in any investments permitted under State law, unless the Bonds are insured by a municipal bond insurance policy, in which case such moneys may be invested or reinvested by the County Treasurer in any investments permitted by the insurer of the Bonds, if any, which are also permitted under State law (the "Permitted Securities").

Section 704. Required and Permissive Investments. The County Treasurer shall not have any obligation to make any investment or reinvestment hereunder, unless any moneys on

hand and accounted for in any one account exceeds \$5,000 and at least \$5,000 therein will not be needed for a period of not less than 60 days. In that event the County Treasurer shall invest or reinvest in Permitted Securities to the extent practicable not less than substantially all the amount which will not be needed during such 60-day period. The County Treasurer may invest or reinvest any moneys on hand at any time as provided in Section 703 hereof even though the County Treasurer is not obligated to do so.

Section 705. Accounting for Investments. The Permitted Securities purchased as an investment or reinvestment of moneys in any such account shall be deemed at all times to be a part of the account and held in trust therefor. Except as herein otherwise provided, any interest or other gain in any account resulting from any such investments and reinvestments in Permitted Securities shall be credited to that fund, and any loss in any account resulting from any such investments and reinvestments in Permitted shall be charged or debited to that Fund. No loss or profit in any account on any investments or reinvestments in Federal Securities or any certificates of deposit shall be deemed to take place as a result of fluctuations in the market quotations of the investments, reinvestments or certificates before the sale or maturity thereof. In the computation of the amount in any account for any purpose hereunder, except as herein otherwise expressly provided, Permitted Investments shall be valued at the cost thereof (including any amount paid as accrued interest at the time of purchase of the obligation) and other bank deposits shall be valued at the amounts deposited, exclusive of any accrued interest or any other gain to the County until such gain is realized. The expenses of purchase, safekeeping, sale and all other expenses incident to any investment or reinvestment of moneys pursuant to this Article shall be accounted for as operation and maintenance expenses of the Golf Course Facilities and charged to the Operation and Maintenance Fund.

Section 706. Redemption or Sale of Permitted Investments. The County Treasurer having jurisdiction over moneys designated herein shall present for redemption at maturity or sale on the prevailing market at the best price obtainable any Permitted Securities so purchased as an investment or reinvestment of moneys in any account whenever it shall be necessary to do so in order to provide moneys to meet any withdrawal, payment or transfer from such account. The County Treasurer and each other officer of the County shall not be liable or responsible for any loss resulting from any such investment or reinvestment made in accordance with this Ordinance.

Section 707. Character of Funds. The moneys in any account herein authorized shall consist either of lawful money of the United States or Permitted Securities, or both. Moneys deposited in a demand or time deposit account in or evidenced by a certificate of deposit of any commercial bank pursuant to Section 703 hereof, appropriately secured according to the laws of the State, shall be deemed lawful money of the United States.

Section 708. Accelerated Payments. Nothing contained in Article VI hereof prevents the accumulation in any account herein designated of any monetary requirements at a faster rate than the rate or minimum rate provided in Article VI therefor, as the case may be; but no payment shall be so accelerated if such acceleration shall cause the County to default in the payment of any obligation of the County relating to the Pledged Revenues or the Golf Course Facilities. Nothing contained herein, in connection with the Pledged Revenues received in any Fiscal Year, requires the accumulation in any account for the payment in the Comparable Bond Year of Bond Requirements due in connection with any series of bonds or other securities payable from the Pledged Revenues and heretofore, herein or hereafter authorized, in excess of the Bond Requirements due in the Comparable Bond Year, and of any reserves required to be accumulated and maintained therefor, and of any existing deficiencies, and payable from such account, as the case may be, except as may be otherwise provided herein.

Section 709. Payment of Securities Requirements. The moneys credited to any account designated in Article VI hereof for the payment of the Bond Requirements due in connection with any series of bonds or other securities payable from the Pledged Revenues and heretofore, herein or hereafter authorized shall be used, without requisition, voucher, warrant or further order or authority (other than is contained herein), or any other preliminaries, to pay promptly the Bond Requirements payable from such account as such bonds or other securities become due, upon the respective interest payment dates and Redemption Dates, if any, on which the County is obligated to pay the bonds or other securities, or upon the respective interest payment and maturity dates of such bonds or other securities, as provided therefor herein or otherwise, except to the extent any other moneys are available therefor, including, without limitation, moneys accounted for in the Bond Fund.

Section 710. Payment of Redemption Premiums. Notwithstanding any other provision herein, this Ordinance requires the accumulation in any account designated in Article VI hereof for the payment of any series of bonds or other securities payable from the Pledged Revenues of

amounts sufficient to pay not only the principal thereof and interest thereon payable from such account but also the prior redemption premiums due in connection therewith, if any, as the same become due, whenever the County shall have exercised or shall have obligated itself to exercise a prior redemption option relating thereto, except to the extent provision is otherwise made therefor, if any prior redemption premium is due in connection therewith. In that event moneys shall be deposited into such account in due season for the payment of all such Bond Requirements without default as the same become due.

ARTICLE VIII.

SECURITIES LIENS AND ADDITIONAL SECURITIES

Section 801. Lien of Bonds. The Bonds authorized herein constitute an irrevocable lien (but not necessarily an exclusive or first lien) upon the Pledged Revenues.

Section 802. Equality of Bonds. The Bonds, the Outstanding 1997 Bonds, and any parity securities hereafter authorized to be issued and from time to time Outstanding are equally and ratably secured by a lien on the Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Pledged Revenues, regardless of the time or times of the issuance of the Bonds, the Outstanding 1997 Bonds, and any other such securities, it being the intention of the County that there shall be no priority among the Bonds and any such parity securities, regardless of the fact that they may be actually issued and delivered at different times.

Section 803. Issuance of Superior or Parity Securities. Nothing herein, subject to the limitations stated in Section 811 hereof, prevents the issuance by the County of additional bonds or other additional securities payable from the Pledged Revenues and constituting a lien thereon superior to or on a parity with, the lien thereon of the Bonds, nor prevents the issuance of bonds or other securities refunding all or a part of the Bonds (or funding or refunding any other then Outstanding securities payable from Pledged Revenues), except as provided in Sections 807 through 811 hereof; but before any such additional superior bonds or superior securities or other additional parity bonds or additional parity securities are authorized or actually issued (excluding any superior refunding securities or parity refunding securities other than any securities refunding subordinate bonds or other subordinate securities, as permitted in Section 810C hereof):

A. Absence of Default. At the time of the adoption of the supplemental instrument authorizing the issuance of the additional securities, the County shall not be in default in making any payments required by Sections 604, 605, 606 or 608 hereof with respect to any superior or parity securities.

B. Earnings Test. Except as hereinafter otherwise provided:

(1) the Pledged Revenues derived in the Fiscal Year immediately preceding the date of the issuance of the additional parity securities shall have been at least sufficient to pay an amount equal to the combined maximum annual principal and interest requirements to be paid during any one Fiscal Year of the

1404

Outstanding Bonds and any other Outstanding superior securities or parity securities of the County and the bonds or other securities proposed to be issued and the bonds or other securities proposed to be issued; or,

(2) the Pledged Revenues estimated by the Finance Director or an Independent Accountant to be derived in the later of (a) the first Fiscal Year in which the additional parity or superior securities are issued or (b) the first year in which principal or interest are payable on the additional parity or superior securities from proceeds of the Pledged Revenues, will be sufficient to pay an amount at least equal to the combined maximum annual principal and interest requirements to be paid during any one Fiscal Year of the Outstanding Bonds and any other Outstanding superior securities or parity securities of the County and the bonds or other securities proposed to be issued.

C. Adjustment of Pledged Revenues. In any computation of such earnings test as to whether or not additional superior or parity securities may be issued as provided in subsection B(2) of this Section, the amount of the Pledged Revenues for the next preceding Fiscal Year shall be decreased and may be increased by the amount of any loss or gain conservatively estimated by the Finance Director or Independent Accountant making the computations under this Section, which loss or gain results from (i) the construction and operation of the project being constructed with the proceeds of the proposed parity securities, or (ii) any change in any schedule of fees, rates and other service charges pertaining to the Golf Course Facilities and the Pledged Revenues, during the next preceding Fiscal Year as if such modified schedule of fees, rates and other service charges had been in effect during the entire next preceding Fiscal Year, if such change shall have been made by the Board before the computation of the designated earnings test but made in the same Fiscal Year as the computation is made or in the next preceding Fiscal Year. Projected changes in such schedule which have been approved by the Board may be taken into account in calculating the projected earnings test.

D. Reduction of Annual Requirements. The respective annual Bond Requirements (including as such a requirement not only the principal of and interest on the securities but also the amount of any prior redemption premiums due on any Redemption Date as of which the County shall have exercised or shall have obligated

itself to exercise its prior redemption option by a call of securities for payment) shall be reduced to the extent such Bond Requirements are scheduled to be paid in each of the respective Fiscal Years with moneys held in trust or in escrow for that purpose by any trust bank, including the known minimum yield from any investment in Federal Securities.

Section 804. Certification of Revenues. A written certification or written opinion by the Finance Director or an Independent Accountant, based upon estimates thereby as provided in Section 803B hereof, that the annual revenues when adjusted as hereinabove provided in Section 803C are sufficient to pay such amounts as provided in Section 803B hereof, shall be conclusively presumed to be accurate in determining the right of the County to authorize, issue, sell and deliver additional bonds or additional securities superior to or on a parity with the Bonds.

Section 805. Subordinate Securities Permitted. Nothing herein, subject to the limitations stated herein, prevents the County from issuing additional bonds or other additional securities payable from the Pledged Revenues having a lien thereon subordinate, inferior and junior to the lien thereon of the Bonds.

Section 806. Superior Securities Permitted. Nothing herein, subject to the limitations stated herein, prevents the County from issuing additional bonds or other additional securities payable from the Pledged Revenues and having a lien thereon prior and superior to the lien thereon of the Bonds and the Outstanding 1997 Bonds; however, such additional superior bonds or other additional superior securities shall not be issued as general obligations of the County.

Section 807. Issuance of Refunding Securities. At any time after the Bonds, or any part thereof, are issued and remain Outstanding, if the County shall find it desirable to refund any Outstanding Bonds or other Outstanding securities payable from and constituting a lien upon any Pledged Revenues, such Bonds or other securities, or any part thereof, may be refunded only if the Bonds or other securities at the time or times of their required surrender for payment shall then mature or shall be then callable for prior redemption for the purpose of refunding them at the County's option upon proper call, unless the owner or owners of all such Outstanding Bonds or other securities consent to such surrender and payment, regardless of whether the priority of the lien for the payment of the refunding securities on the Pledged Revenues is changed (except as provided in Sections 806 and 808 through 811 hereof).

Section 808. Partial Refundings. The refunding bonds or other refunding securities so issued, unless issued as subordinate securities, shall enjoy complete equality of lien with the portion of any securities of the same issue which is not refunded, if there is any; and the owner or owners of the refunding securities shall be subrogated to all of the rights and privileges enjoyed by the owner or owners of the unrefunded securities of the same issue partially refunded by the refunding securities.

Section 809. Limitations Upon Refundings. Any refunding bonds or other refunding securities payable from any Pledged Revenues shall be issued with such details as the County may by instrument provide, subject to the provisions of Section 811 hereof, and subject to the inclusion of any such rights and privileges designated in Section 808 hereof, but without any impairment of any contractual obligation imposed upon the County by any proceedings authorizing the issuance of any unrefunded portion of the Outstanding securities of any one or more issues (including, without limitation, the Bonds).

Section 810. Protection of Securities Not Refunded. If only a part of the Outstanding Bonds and other Outstanding securities of any issue or issues payable from the Pledged Revenues is refunded, then such securities may not be refunded without the consent of the owner or owners of the unrefunded portion of such securities:

A. Requirements Not Increased. Unless the refunding securities do not increase for any Fiscal Year the annual principal and interest requirements evidenced by the refunding securities and by the Outstanding securities not refunded on and before the last maturity date or last Redemption Date, if any, whichever is later, if any, of the unrefunded securities, and unless the lien of any refunding bonds or other refunding securities on the Pledged Revenues is not raised to a higher priority than the lien thereon of the bonds or other securities thereby refunded; or

B. Subordinate Lien. Unless the lien on any Pledged Revenues for the payment of the refunding securities is subordinate to each such lien for the payment of any securities not refunded; or

C. Default and Earnings Test. Unless the refunding bonds or other refunding securities are issued in compliance with Section 803 hereof (including subsections A through D thereof) and Section 804 hereof.

Section 811. Supplemental Ordinance. Additional bonds or other additional securities payable from the Pledged Revenues shall be issued only after authorization thereof by a supplemental instrument of the County stating the purpose or purposes of the issuance of the additional bonds or other additional securities, directing the application of the proceeds thereof to such purpose or purposes, directing the execution thereof, and fixing and determining the date, principal amount, maturity or maturities, designation and numbers thereof, the maximum rate or rates of interest to be borne thereby, payment dates, any prior redemption privileges of the County with respect thereto and other provisions thereof not in conflict with this Ordinance. All additional bonds or other additional securities shall bear such date, shall bear such numbers and series designation, letters or symbols prefixed to their numbers distinguishing them from each other security, shall be payable at such place or places at such times, may be subject to redemption prior to maturity on such terms and conditions, and shall bear interest at such rate or at such different and varying rates per annum, as may be fixed by instrument or other document of the County.

ARTICLE IX.

MISCELLANEOUS PROTECTIVE COVENANTS

Section 901. General. The County hereby particularly covenants and agrees with the owners of the Bonds and makes provisions which shall be a part of its contract with such owners to the effect and with the purposes set forth in the following provisions and sections of this article.

Section 902. Performance of Duties. The County shall faithfully and punctually perform or cause to be performed all duties with respect to the Pledged Revenues and the Project required by the Constitution and laws of the State and the various resolutions, ordinances and other instruments of the County, including, without limitation, the proper segregation of the proceeds of the Bonds and the Pledged Revenues and their application from time to time to the respective accounts provided therefor.

Section 903. Further Assurances. At any and all times the County, except when otherwise required by law, shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge, deliver and file or record all and every such further instruments, acts, deeds, conveyances, assignments, transfers, other documents and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, the Pledged Revenues, and other moneys and accounts hereby pledged or assigned, or which the County may hereafter become bound to pledge or to assign, or as may be reasonable and required to carry out the purposes of this Ordinance and to comply with the County Bond Law, the Bond Act and all laws supplemental thereto. The County shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Pledged Revenues and other moneys and accounts pledged hereunder and all the rights of every owner of any Bonds against all claims and demands of all Persons whomsoever.

Section 904. Conditions Precedent. Upon the date of issuance of any Bonds, all conditions, acts and things required by the Constitution or statutes of the State, including without limitation, the County Bond Law, the Bond Act, or this Ordinance, to exist, to have happened, and to have been performed precedent to or in the issuance of the Bonds shall exist, have happened, and have been performed; and the Bonds, together with all other obligations of the County, shall not contravene any debt or other limitation prescribed by the State Constitution or statutes.

Section 905. Covenant to Perform. The County shall observe and perform all of the terms and conditions contained in this Ordinance and the County Bond Law, the Bond Act and all laws supplemental thereto and shall comply with all valid acts, rules, regulations, orders and directives of any legislative, executive, administrative or judicial body applicable to the Project, to any such other facilities, or to the County.

Section 906. Protective Security. The County and the officers, agents and employees of the County shall not take any action in such manner or to such extent as might prejudice the security for the payment of the Bond Requirements of the Bonds and any other securities payable from the Pledged Revenues according to the terms thereof. No contract shall be entered into nor any other action taken by which the rights of any owner of any Bond or other security payable from the Pledged Revenues might be prejudicially and materially impaired or diminished.

Section 907. Accumulation of Interest Claims. In order to prevent any accumulation of coupons or claims for interest after maturity, the County shall not directly or indirectly extend or assent to the extension of the time for the payment of any coupon or claim for interest on any of the Bonds or any other securities payable from the Pledged Revenues; and the County shall not directly or indirectly be a party to or approve any arrangements for any such extension or for the purpose of keeping alive any of such coupons or other claims for interest. If the time for the payment of any such coupons or of any other such installment of interest shall be extended in contravention of the foregoing provisions, such coupon or installment or installments of interest after such extension or arrangement shall not be entitled in case of default hereunder to the benefit or the security of this Ordinance, except upon the prior payment in full of the principal of all Bonds and any such other securities then Outstanding and of all matured interest on such securities the payment of which has not been extended.

Section 908. Prompt Payment of Bonds. The County shall promptly pay the Bond Requirements of every Bond issued hereunder and secured hereby at the places, on the dates, and in the manner specified herein and in the Bonds according to the true intent and meaning hereof.

Section 909. Use of Bond Fund. The Bond Fund shall be used solely, and the moneys credited to such account are hereby pledged, for the purpose of paying the Bond Requirements of the Bonds, subject to the provisions concerning surplus moneys in Sections 607, 608, 609, 610 and 1001 hereof.

Section 910. Additional Securities. Any other securities hereafter authorized to be issued and payable from the Pledged Revenues shall not hereafter be issued, unless the additional securities are also issued in conformance with the provisions of Articles VI and VIII hereof.

Section 911. Other Liens. Other than as provided herein, there are no liens or encumbrances of any nature whatsoever on or against the Project, or any part thereof, or on or against the Pledged Revenues derived or to be derived.

Section 912. Corporate Existence. The County shall maintain its corporate identity and existence so long as any of the Bonds remain Outstanding, unless another body corporate and politic by operation of law succeeds to the powers, privileges, rights, liabilities, disabilities, duties and immunities of the County and is obligated by law to fix and collect the Pledged Revenues as herein provided without adversely affecting to any substantial degree at any time the privileges and rights of any owner of any Outstanding Bond.

Section 913. Disposal of Property Permitted. The County, at any time or from time to time may sell, exchange, lease or otherwise dispose of any property or any interest therein constituting a part of the Golf Course Facilities which are not necessary to the receipt by the County of Pledged Revenues in an amount sufficient to meet the County's obligations hereunder.

Section 914. Treasurer's Report. If the County defaults in paying promptly the Bond Requirements of the Bonds and any other securities payable from the Pledged Revenues as the same fall due, or in the keeping of any covenants herein contained, and if such default continues for a period of 60 days, or if the Pledged Revenues in any Fiscal Year fail to equal at least the amount of the Bond Requirements of the Outstanding Bonds and any other securities (including all reserves therefor specified in the authorizing proceedings) payable from the Pledged Revenues in the Comparable Bond Year, the County Treasurer shall (i) submit to the Board a report on such deficiency and a proposal setting forth a plan to produce Pledged Revenues in the following Fiscal Year sufficient to pay such amounts, to the extent practicable, and (ii) submit to the Board quarterly reports on the progress made in implementing the plan so long as such default continues or so long as the Pledged Revenues are less than the amount hereinabove designated.

Section 915. Budgets. The County and officials of the County shall annually and at such other times as may be provided by law prepare and adopt a budget relating to the Golf Course Facilities.

Section 916. Records. So long as any of the Bonds and any other securities payable from the Pledged Revenues remain Outstanding, proper books of record and account shall be kept by the County, separate and apart from all other records and accounts, showing complete and correct entries of all transactions relating to the Pledged Revenues.

Section 917. Maintenance and Inspection of Records. So long as any of the Bonds remain Outstanding, proper books of record and account shall be kept by the County, separate and apart from all other records and accounts, showing complete and correct entries of all transactions relating to the Golf Course Facilities and to all moneys pertaining thereto, including, without limitation, the Pledged Revenues.

Section 918. Rate Maintenance Covenant. The County shall charge against users or against purchasers of services or commodities pertaining to the Golf Course Facilities such fee, rates and other charges as shall be sufficient to produce Gross Revenues annually which, together with any other funds available therefor, will be in each Fiscal Year of the County at least equal to the sum of:

- A. an amount equal to the annual Operation and Maintenance Expenses for such Fiscal Year;
- B. an amount equal to the debt service due in such Fiscal Year on the then Outstanding Bonds and any superior or parity securities; and
- C. any other amounts payable from the Net Revenues and pertaining to the Golf Course Facilities, including, without limitation, any subordinate securities and any other securities pertaining to the Golf Course Facilities, operation and maintenance reserves, capital reserves and prior deficiencies pertaining to any account relating to Gross Revenues.

The foregoing rate maintenance covenant is subject to compliance by the County with any legislation of the United States or the State or any regulation or other action taken by the Federal Government or any State agency or public body of the State pursuant to such legislation, in the exercise of the police power thereof for the public welfare, which legislation, regulation or action limits or otherwise inhibits the amounts of fees, rates and other charges due to the County as a result of the operation of the Golf Course Facilities, including, without limitation, increases in the amounts of such charges. All of such Pledged Revenues shall be subject to distribution to the payment of the Bond Requirements of all securities payable from the Pledged Revenues,

including reasonable reserves therefor, as herein provided and the payment of expenses of the Project.

Section 919. Collection of Pledged Revenues. The Board, on behalf of the County, shall cause the Pledged Revenues, to be collected as soon as reasonable, shall prescribe and enforce rules and regulations or impose contractual obligations for the payment thereof, including without limitation, the imposition of penalties for any defaults, to the end that the Pledged Revenues shall be adequate to meet the requirements of this Ordinance and of any other instruments supplemental hereto.

Section 920. Tax Covenant. The County covenants for the benefit of the owners of the Bonds that it will not take any action or omit to take any action with respect to the Bonds, the proceeds thereof, any other funds of the County or any project refinanced with the proceeds of the Bonds if such action or omission (i) would cause the interest on the Bonds to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Tax Code, or (ii) would cause interest on the Bonds to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Tax Code except to the extent such interest is required to be included in the adjusted current earnings adjustment applicable to corporations under Section 56 of the Tax Code in calculating corporate alternative minimum taxable income. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the Bonds until the date on which all obligations of the County in fulfilling the above covenant under the Tax Code have been met.

## ARTICLE X.

### MISCELLANEOUS

Section 1001. Defeasance. When all Bond Requirements of any Bond have been duly paid, the pledge and lien and all obligations hereunder as to that Bond shall thereby be discharged and the Bond shall no longer be deemed to be Outstanding within the meaning of this Ordinance. There shall be deemed to be due payment of any Outstanding Bond or other security when the County has placed in escrow or in trust with a trust bank located within or without the State, an amount sufficient (including the known minimum yield available for such purpose from Federal Securities in which such amount wholly or in part may be initially invested) to meet all Bond Requirements of the Bond or other security, as the same become due to the final maturities of the Bonds or other securities, or upon any Redemption Date as of which the County shall have exercised or shall have obligated itself to exercise its prior redemption option by a call of the Bond or other securities for payment then. The Federal Securities shall become due before the respective times on which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the County and the bank at the time of the creation of the escrow or trust, or the Federal Securities shall be subject to redemption at the option of the owners thereof to assure availability as so needed to meet the schedule. For the purpose of this section "Federal Securities" shall include only Federal Securities which are not callable for redemption prior to their maturities except at the option of the owner thereof.

Section 1002. Delegated Powers. The Chairman of the Board, the County Clerk, County Treasurer and the Finance Director, and other officers and agents of the County are hereby authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Ordinance, including, without limitation:

A. Printing Bonds. The printing of the Bonds, including, without limitation, the printing on the Bond of a certified true copy of bond counsel's approving opinion and, if requested by the Purchaser, a statement of insurance, if applicable, pertaining to the Bonds; and

B. Financial Information. The assembly and dissemination of financial and other information concerning the County and the Bonds.

C. Final Certificates. The execution of such certificates as may be reasonably required by the Purchaser, relating, inter alia, to

- (1) The signing of the Bonds;
- (2) The tenure and identity of the officials of the County;
- (3) The assessed valuation of the taxable property in and the indebtedness of the County;
- (4) The rate of ad valorem taxes levied against taxable property in the County;
- (5) The exemption of interest on the Bonds from federal income taxation;
- (6) The delivery of the Bonds and the receipt of the bond purchase price;
- (7) If it is in accordance with fact, the absence of litigation, pending or threatened, affecting the validity of the Bonds;
- (8) The accuracy and completeness of any information provided in connection with the Bonds, including information contained in the Official Statement for the Bonds; and
- (9) the execution of the Certificate of the Finance Director, the Escrow Agreement; the execution of appropriate agreements with the Escrow Bank, the Registrar and the Paying Agent as to their services hereunder.

Section 1003. Statute of Limitations. No action or suit based upon the Bonds or other obligation of the County shall be commenced after it is barred by any statute of limitations relating thereto. Any trust or fiduciary relationship between the County and the owner of any Bonds or other obligee regarding any such other obligation shall be conclusively presumed to have been repudiated on the maturity date or other due date thereof unless the Bonds are presented for payment or demand for payment of any such other obligation is otherwise made before the expiration of the applicable limitation period. Any moneys from whatever source derived remaining in any account reserved, pledged or otherwise held for the payment of any such obligation, action or suit for the collection of which has been barred, shall revert to the Golf Course Fund, unless the County shall otherwise provide by instrument of the County. Nothing herein prevents the payment of any such obligation after any action or suit for its collection has been barred if the County deems it in the best interests of the public to do so and orders such payment to be made.

Section 1004. Evidence of Ownership. Any request, consent or other instrument which this Ordinance may require or may permit to be signed and to be executed by the owner of any Bonds or other securities may be in one or more instruments of similar tenor and shall be signed or shall be executed by each such owner in person or by his or her attorney appointed in writing. Proof of the execution of any such instrument or of an instrument appointing any such attorney, or the holding by any Person of the securities, shall be sufficient for any purpose of this Ordinance (except as otherwise herein expressly provided) if made in the following manner, but the County may, nevertheless, in its discretion require further or other proof in cases when it deems the same desirable:

Section 1005. Proof of Execution. The fact and the date of the execution by any owner of any Bonds or other securities or his or her attorney of such instrument may be provided by the certificate, which need not be acknowledged or verified, of an officer of a bank or trust company satisfactory to the Paying Agent and Registrar or of and notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the individual signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before the notary public or other officer; the authority of the individual or individuals executing any such instrument on behalf of a corporate owner of any securities may be established without further proof if the instrument is signed by an individual purporting to be the president or a vice president of the corporation with a corporate seal affixed and attested by an individual purporting to be its secretary or an assistant secretary; and the authority of any Person or Persons executing any such instrument in any fiduciary or representative capacity may be established without further proof if the instrument is signed by a Person or Persons purporting to act in such fiduciary or representative capacity; and

Section 1006. Proof of Ownership. The ownership of any of the Bonds or other securities held by any Persons executing any instrument as a holder of securities, and the numbers, date and other identification thereof, together with the date of his or her holding the securities, shall be proved by the registration records of the County kept by the Registrar.

Section 1007. Warranty upon Issuance of Bonds. Any Bonds authorized as herein provided, when duly executed and delivered for the purpose provided for in this Ordinance shall constitute a warranty by and on behalf of the County for the benefit of each and every future

holder of any of the Bonds that the Bonds have been issued for a valuable consideration in full conformity with law.

Section 1008. Immunities of Purchaser. The Purchaser and any associate thereof are under no obligation to any holder of the Bonds for any action that they may or may not take or in respect of anything that they may or may not do by reason of any information contained in any reports or other documents received by them under the provisions of this Ordinance. The immunities and exemptions from liability of the Purchaser and any associate thereof hereunder extend to their partners, directors, successors, employees and agents.

Section 1009. Police Power. Nothing herein prohibits or otherwise limits or inhibits the exercise by the Federal Government, the State, any agency thereof or any public body thereof, including, without limitation, the County, of the police power, i.e., essential governmental powers for the public welfare. The provisions hereof are subject to any proper exercise hereafter of the police power thereby. The County cannot contract away the police power thereof nor limit or inhibit by contract the proper exercise of the police power thereby, and this Ordinance does not purport to do so.

Section 1010. Replacement of Registrar or Paying Agent. If the Registrar or Paying Agent initially appointed hereunder shall resign, or if the County shall reasonably determine that the Registrar or Paying Agent has become incapable of performing its duties hereunder, the County may, upon notice mailed to each owner of any Bond at his or her address last shown on the registration records, appoint a successor Registrar or Paying Agent or both. Every such successor Registrar or Paying Agent shall be a trust bank. It shall not be required that the same institution serve as both Registrar and Paying Agent hereunder, but the County shall have the right to have the same institution serve as both Registrar and Paying Agent hereunder. No resignation or dismissal of the Registrar or the Paying Agent may take effect until a successor is appointed. It shall not be required that the same person or institution serve as both Registrar and Paying Agent hereunder, but the County shall have the right to have the same person or institution serve as both Registrar and Paying Agent. Any successor by merger with the Registrar and Paying Agent is automatically appointed as Registrar and Paying Agent hereunder without any further action of the Board, as long as the successor otherwise is qualified to act as Registrar and Paying Agent pursuant to this section. Any bank, trust company or national banking association into which the Registrar and/or Paying Agent or its successor may be

converted, merged or with which it may be consolidated, or to which it may sell or otherwise transfer all or substantially all of its corporate trust business shall be the successor of the Registrar and/or Paying Agent under this Ordinance with the same rights, powers, duties and obligations and subject to the same restrictions, limitations, and liabilities as its predecessor, all without the execution or filing of any papers or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

ARTICLE XI.

PRIVILEGES, RIGHTS AND REMEDIES

Section 1101. Bondowner's Remedies. Each owner of any Bond issued hereunder shall be entitled to all of the privileges, rights and remedies provided or permitted in the County Bond Law and the Bond Act, and as otherwise provided or permitted by law or in equity or by other statutes, except as provided in Sections 207 through 211 hereof, but subject to the provisions herein concerning the pledge of and the covenants and the other contractual provisions concerning the Pledged Revenues and the proceeds of the Bonds.

Section 1102. Right to Enforce Payment. Nothing in this article affects or impairs the right of any owner of any Bond to enforce the payment of the Bond Requirements due in connection with his or her Bond or the obligation of the County to pay the Bond Requirements of the Bond to the owner thereof at the time and the place expressed in the Bond.

Section 1103. Events of Default. Each of the following events is hereby declared an "event of default":

A. Nonpayment of Principal and Premium. Payment of any installment of principal of the Bond, or any prepayment premium due in connection therewith, or both, is not made when the same becomes due and payable, at maturity, or by proceedings for optional prepayment, or otherwise;

B. Nonpayment of Interest. Payment of any installment of interest on the Bonds is not made when the same becomes due and payable;

C. Incapable to Perform. The County for any reason is rendered incapable of fulfilling its obligations hereunder;

D. Nonperformance of Duties. The County fails to carry out and to perform (or in good faith to begin the performance of) all acts and things lawfully required to be carried out or to be performed by it under any contract relating to the Pledged Revenues, or otherwise, including, without limitation, this Ordinance, and such failure continues for 60 days after receipt of notice from the owners of a majority in principal amount of the Bonds then Outstanding or the insurer of the Bonds, if any;

E. Appointment of Receiver. An order or decree is entered by a court of competent jurisdiction with the consent or acquiescence of the County appointing a receiver or receivers for the Pledged Revenues and any other moneys subject to the lien

to secure the payment of the Bonds, or if an order or decree having been entered without the consent or acquiescence of the County is not vacated or discharged or stayed on appeal within 60 days after entry; and

F. Default of Any Provision. The County makes any default in the due and punctual performance of any other of the representations, covenants, conditions, agreements and other provisions contained in the Bonds or in this Ordinance on its part to be performed, and if the default continues for 60 days after written notice specifying the default and requiring the same to be remedied is given to the County by the owners of a majority in principal amount of the Bonds then Outstanding or the insurer of the Bonds, if any.

Section 1104. Remedies for Default. Upon the happening and continuance of any of the events of default, as provided in Section 1103 hereof, then and in every case the owner or owners or not less than a majority in principal amount of the Bonds then Outstanding or the insurer of the Bonds, if any, including, without limitation, a trustee or trustees therefor, may proceed against the County and its agents, officers and employees to protect and to enforce the rights of any owner of Bonds under this Ordinance by mandamus or by other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for the appointment of a receiver or for the specific performance of any covenant or agreement contained herein or in an award of execution of any power herein granted for the enforcement of any proper, legal or equitable remedy as the owner or owners may deem most effectual to protect and to enforce the rights aforesaid, or thereby to enjoin any act or thing which may be unlawful or in violation of any right of any owner of any Bond, or to require the County to act as it if were the trustee of an express trust, or any combination of such remedies. All proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all owners of the Bonds and any parity securities then Outstanding.

Section 1105. Receiver's Rights and Privileges. Any receiver appointed in any proceedings to protect the rights of owners hereunder, the consent to any such appointment being hereby expressly granted by the County, receive and apply all Pledged Revenues arising after the appointment of the receiver in the same manner as the County itself might do.

Section 1106. Rights and Privileges Cumulative. The failure of any owner of any Outstanding bond to proceed in any manner herein provided shall not relieve the County or any

officers, agents or employees thereof of any liability for failure to perform or carry out any duty, obligation or other commitment. Each right or privilege of any owner (or trustee thereof) is in addition and is cumulative to any other right or privilege, and the exercise of any right or privilege by or on behalf of any owner shall not be deemed a waiver of any other right or privilege thereof.

Section 1107. Duties upon Defaults. Upon the happening of any of the events of default as provided in Section 1103 hereof, the County, in addition, shall do and perform all proper acts on behalf of and for the owners of the Bonds to protect and to preserve the security created for the payment of their Bonds and to insure the payment of the Bond Requirements promptly as the same become due. During any period of default, so long as any of the Bonds issued hereunder, as to any Bond Requirements, are Outstanding, except to the extent it may be unlawful to do so, all Pledged Revenues shall be paid into the Bond Fund, or, in the event of securities heretofore and hereafter issued and Outstanding during that period of time on a parity with the Bonds, shall be paid into the bond accounts for all parity securities on an equitable and prorated basis, and used for the purposes therein provided. If the County fails or refuses to proceed as in this Section provided, the owner or owners of not less than a majority in principal amount of the Bonds then Outstanding or the insurer of the Bonds, if any, after demand in writing, may proceed to protect and to enforce the rights of the owners of the Bonds as hereinabove provided; and to that end any such owners of Outstanding Bonds shall be subrogated to all rights of the County under any agreement, lease or other contract the Pledged Revenues entered into before the effective date of this Ordinance or thereafter while any of the Bonds are Outstanding.

Section 1108. Prejudicial Action Unnecessary. Nothing in this article requires the County to proceed as provided therein if the County determines in good faith and without any gross abuse of its discretion that if the County so proceeds it is more likely than not to incur a net loss rather than a net gain, or the action is otherwise likely to affect materially and prejudicially the owners of the Outstanding Bonds and any Outstanding parity securities.

ARTICLE XII.

AMENDMENT OF INSTRUMENT

Section 1201. Privilege of Amendments. This Ordinance may be amended or supplemented by instruments adopted by the County in accordance with the laws of the State, without receipt by the County of any additional consideration, and without notice to or the consent of the owners of any of the Bonds for any one or more of the following purposes:

A. To cure any ambiguity, or to cure, correct or supplement any defect or inconsistent provision contained in this Ordinance, or to make any provisions with respect to matters arising under this Ordinance or for any other purpose if such provisions are necessary or desirable and do not materially adversely affect the interests of the owners of the Bonds; or

B. To subject to this Ordinance additional revenues, properties or collateral as security for the Bonds.

In addition, this Ordinance may be amended for other purposes with the written consent of the owners of a majority in aggregate principal amount of the Bonds authorized by this Ordinance and Outstanding at the time of the adoption of the amendatory or supplemental instrument, excluding, pursuant to paragraph (4) of Section 102B hereof, any Bonds which may then be held or owned for the account of the County, but including such refunding securities as may be issued for the purpose of refunding any of the Bonds if the refunding securities are not owned by the County.

Section 1202. Limitations upon Amendments. No such instrument shall permit without the written consent of all owners of the Bonds adversely and materially affected thereby:

A. Changing Payment. A change in the maturity or in the terms of redemption of the principal of any Outstanding Bond or any installment of interest thereon; or

B. Reducing Return. A reduction in the principal amount of any Bond, the rate of interest thereon, or any prior redemption premium payable in connection therewith, without the consent of the owner of the Bond; or

C. Prior Lien. The creation of a lien upon or a pledge of revenues ranking prior to the lien or to the pledge created by this Ordinance; or

D. Modifying Any Bond. A reduction of the percentages or otherwise affecting the description of Bonds the consent of the owners of which is required for any modification or amendment; or

E. Priorities between Bonds. The establishment of priorities as between Bonds issued and Outstanding under the provisions of this Ordinance; or

F. Partial Modification. The modifications of or otherwise materially and prejudicially affecting the rights or privileges of the owners of less than all of the Bonds then Outstanding.

Section 1203. Notice of Amendment. Whenever the County proposes to amend or modify this Ordinance under the provisions of this Article, it shall cause notice of the proposed amendment to be given not later than 30 days prior to the date of the proposed enactment of the amendment by mailing to each:

- A. The Paying Agent;
- B. The Registrar;
- C. The owner of each of the Bonds Outstanding.

The notice shall briefly set forth the nature of the proposed amendment and shall state that a copy of the proposed amendatory instrument is on file in the office of the County Clerk for public inspection.

Section 1204. Time for Amendment. Whenever there shall be filed in the office of the Clerk an instrument or instruments executed by the owners of at least a majority in aggregate principal amount of the Bonds then Outstanding, which instrument or instruments shall refer to the proposed amendatory instrument described in the notice and shall specifically consent to and approve the adoption of the instrument, thereupon, but not otherwise, the County may adopt the amendatory instrument and the instrument shall become effective.

Section 1205. Binding Consent to Amendment. If the owners of at least a majority in aggregate principal amount of the Bonds Outstanding, at the time of the adoption of the amendatory instrument, or the predecessors in title of such owners shall have consented to and approved the adoption thereof as herein provided, no owner of any Bond, whether or not the owner shall have consented to or shall have revoked any consent as in this article provided, shall have any right or interest to object to the adoption of the amendatory instrument or to object to

any of the terms or provisions therein contained or to the operation thereof or to enjoin the County from taking any action pursuant to the provisions thereof.

Section 1206. Time Consent Binding. Any consent given by the owner of a Bond pursuant to the provisions of this Article shall be irrevocable for a period of 6 months from the date of the mailing of the notice above provided for in Section 1203 hereof, and shall be conclusive and binding upon all future owners of the same Bond during that period. The consent may be revoked at any time after 6 months from the date of the mailing of the notice by the owner who gave the consent or by a successor in title by filing notice of the revocation with the Clerk, but the revocation shall not be effective if the owners of a majority in aggregate principal amount of the Bonds Outstanding, before the attempted revocation, consented to and approved the amendatory instrument referred to in the revocation.

Section 1207. Unanimous Consent. Notwithstanding anything contained in the foregoing provisions of this Article, the terms and the provisions of this Ordinance or of any instrument amendatory hereof or supplemental hereto and the rights and the obligations of the County and of the owners of the Bonds hereunder may be modified or amended in any respect upon the adoption by the County and upon the filing with the Clerk of an instrument to that effect and with the consent of the owners of all the then Outstanding Bonds, the consent to be given as provided in Section 1004 hereof; and no notice to owners of Bonds shall be required as provided in Section 1203 hereof, nor shall the time of consent be limited except as may be provided in the consent.

Section 1208. Exclusion of County's Bonds. At the time of any consent or of other action taken under this Article, the County shall furnish to the Clerk a certificate of the County Treasurer, upon which the County may rely, describing all Bonds to be excluded, for the purpose of consent or of other action or of any calculation of Outstanding Bonds provided for in this Article, and the County shall not be entitled with respect to such Bonds to give any consent or to take any other action provided for in this Article, pursuant to paragraph (4) of Section 102B hereof.

Section 1209. Notation on Bonds. Bonds authenticated and delivered after the effective date of any action taken as in this Article provided may bear a notation by endorsement or otherwise in form approved by the County as to the action; and if any Bond so authenticated and delivered shall bear such notation, then upon demand of the owner of any Bond Outstanding at

such effective date and upon presentation of his or her Bond for the purpose at the principal office of the County Clerk, suitable notation shall be made on the Bond by the County Clerk as to any such action. If the County so determines, new Bonds so modified as in the opinion of the County to conform to such action shall be prepared, authenticated and delivered; and upon demand of the owner of any Bond then Outstanding, shall be exchanged without cost to the owner for Bonds then Outstanding upon surrender of the Bonds.

Section 1210. Emergency. The Board has expressed in the preambles of this Ordinance that it pertains to the sale, issuance and payment of the Bond, that this Ordinance may accordingly be adopted as if an emergency now exists, and may become effective at any time when an emergency ordinance of the County may go into effect. Consequently, pursuant to NRS 350.579 final action shall be taken immediately, and this Ordinance shall be in effect from and after its publication by title as herein provided.

Section 1211. Publication and Effective Date. After this Ordinance is signed by the Chairman and attested and sealed by the Clerk, this Ordinance shall be in effect from and after its publication twice by its title only, together with the names of the Commissioners voting for or against its passage and a statement that typewritten copies of this Ordinance are available for inspection by all interested parties at the office of the County Clerk, such publication to be made in a newspaper published and having a general circulation in the County at least once a week for a period of two weeks, and such publication to be in substantially the following form:

**AGENDA**

**WASHOE COUNTY BOARD OF COMMISSIONERS**

**COMMISSION CHAMBERS - 1001 E. 9<sup>th</sup> Street, Reno, Nevada**

**May 12, 2009**

**10:00 a.m.**

**NOTE:** Items on the agenda without a time designation may not necessarily be considered in the order in which they appear on the agenda. Items may be moved to or from the Consent Agenda at the beginning of the Board Meeting or may be voted on in a block.

The Washoe County Commission Chambers are accessible to the disabled. If you require special arrangements for the meeting, call the County Manager's Office, 328-2000, 24-hours prior to the meeting.

**Public Comment** during the Commission Meeting on May 12, 2009 will be for all matters, both on and off the agenda, and be limited to two minutes per person. Additionally, public comment of two minutes per person will be heard during individual action items on the agenda. Persons are invited to submit comments in writing on the agenda items and/or attend and make comment on that item at the Commission meeting.

The Chairman and Board of County Commissioners intend that their proceedings should demonstrate the highest levels of decorum, civic responsibility, efficiency and mutual respect between citizens and their government. The Board respects the right of citizens to present differing opinions and views, even criticism, but our democracy cannot function effectively in an environment of personal attacks, slander, threats of violence and willful disruption. To that end, the Nevada Open Meeting Law provides the authority for the Chair of a public body to maintain the decorum and to declare a recess if needed to remove any person who is disrupting the meeting, and notice is hereby provided of the intent of this body to preserve the decorum and remove anyone who disrupts the proceedings.

The County Commission can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Commission. However, responses from Commissioners to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Commission will consider, Commissioners may choose not to respond to public comments, except to correct factual inaccuracies, ask for County staff action or to ask that a matter be listed on a future agenda. The Commission may do this either during the public comment item or during the following item: "\*Commissioners'/Manager's Announcements, Requests for Information, Topics for Future Agendas and Statements Relating to Items Not on the Agenda".
