COST, AND OBLIGATION OF COUNTY

Section 201. Authority for Ordinance. This Ordinance is adopted pursuant to the Project Act, the Bond Act, and the Supplemental Bond Act; and the County determines:

A. Compliance with Project Bond and Supplemental Bond Acts. The provisions of this Ordinance are necessary to carry out the purposes of the County in accordance with the Project Act, the Bond Act, and the Supplemental Bond Act; and

Section 202. Approval. The total cost of, and plans and specifications for the Project (to the extent heretofore determined and prepared) are approved.

Section 203. Necessity of Project and Bonds. It is necessary and in the best interest of the County and its inhabitants that the County undertake the Project and issue the 2010 Bonds.

Section 204. Authorization of Project. The Governing Body, on behalf of the County, determines to better, enlarge, extend and otherwise improve the Facilities by effecting the Project; and the Project is hereby so authorized.

Section 205. Estimated Cost of Project. The Cost of the Project is estimated not to exceed an amount received from the sale of the Bonds, excluding any such cost defrayed or to be defrayed by any source other than the proceeds of the principal amount of the 2010 Bonds.

Section 206. Ordinance to Constitute Contract. In consideration of the purchase and acceptance of the 2010 Bonds by those who shall own the same from time to time, the provisions of the Ordinance shall be deemed to be and shall constitute a contract between the County and the owners from time to time of the Bonds.

Section 207. Bonds Equally Secured. The covenants and agreements of the County herein set forth shall be for the equal benefit, protection and security of the owners of any and all of the Outstanding 2010 Bonds all of which, regardless of the time or times of their issue or maturity, shall be of equal rank without preference, priority or distinction, except as otherwise expressly provided in or pursuant to this Ordinance.

Section 208. Special Obligations. All of the 2010 Bonds as to all Bond Requirements, shall be payable and collectible solely out of the Net Pledged Revenues, which revenues are so pledged; the owner or owners thereof may not look to any general or other fund for the payment of such Bond Requirements, except the special funds herein pledged; the Bonds shall not constitute an indebtedness or a debt within the meaning of any constitutional or statutory provision or limitation; and the Bonds shall not be considered or held to be general obligations of the County but shall constitute its special obligations.

Section 209. Character of Agreement. None of the covenants, agreements, representations, and warranties contained herein or in the 2010 Bonds, in the absence of any breach thereof, shall ever impose or be construed as imposing any liability, obligation, or charge against the County (except the special funds pledged) or its general credit, payable out of its general fund or out of any funds derived from taxation other than the Fuel Taxes.

Section 210. Modifications of Project. The County reserves the right to make alterations, amendments, additions to, and deletions from the Project, subject to the approval of the Transportation Commission, prior to the withdrawal of all moneys accounted for in the Acquisition Accounts.

The County pledges irrevocably, but not necessarily exclusively, the Net Pledged Revenues to the payment of the Bond Requirements of the Bonds, the proceeds thereof to be used (except as herein otherwise expressly provided) solely to defray the cost of the Project. The County pledges irrevocably, but not necessarily exclusively, the Net Pledged Revenues to the payment of the Bond Requirements of the 2009 Bonds.

Section 302. Bond Details. The 2010 Bonds shall be issued in fully registered form, i.e., registered as to both principal and interest. The 2010 Bonds shall be dated as of the date of delivery of the Bonds. Except as provided in Section 306 hereof, the 2010 Bonds shall be issued in denominations of \$1,000 and any integral multiple thereof (provided that no bond may be in a denomination which exceeds the principal coming due on any maturity date, and no individual Bond will be issued for more than one maturity). The Bonds shall bear interest (on the basis of a 360-day year of twelve 30-day months) at the rates set forth in the Bond Purchase Agreement from their date until their respective fixed maturity dates, payable on February 1 and August 1 of each year commencing on August 1, 2010, except that Bonds which are reissued upon transfer, exchange or other replacement shall bear interest at the rates set forth in the Bond Purchase Agreement from the most recent interest payment date to which interest has been paid or duly provided for, or if no interest has been paid, from the date of the 2010 Bonds. The Bonds shall mature on the dates and in the amounts as set forth in the Bond Purchase Agreement (not to exceed 30 years).

The principal of any Bond and redemption premium, if any, shall be payable to the registered owner thereof as shown on the registration records kept by the Registrar upon maturity thereof and upon presentation and surrender at the office of the Paying Agent or at such other office as designated by the Paying Agent. If any Bond shall not be paid upon presentation and surrender at or after maturity, it shall continue to draw interest at the interest rate borne by said Bond until the principal thereof is paid in full. Except as provided in Section 306 hereof, payment of interest on any Bond shall be made to the registered owner thereof by check or draft mailed by the Paying Agent on each interest payment date (or, if such interest payment date is not a business day, on the next succeeding business day), to the registered owner thereof at his address as shown on the registration records kept by the Registrar at the close of business on the 15th day of the calendar month next preceding such interest payment date (the "Regular Record Date"); but any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the registered owner thereof at the close of business on the Regular Record Date and shall be payable to the person who is the registered owner thereof at the close of business on a special record date for the payment of any such defaulted interest (a "Special Record Date"). Such Special Record Date shall be fixed by the Registrar whenever moneys become available for payment of the defaulted interest, and notice of the Special Record Date shall be given to the registered owners of the Bonds not less than ten (10) days prior thereto by first-class mail to each such registered owner as shown on the Registrar's registration records on a date selected by the Registrar, stating the date of the Special Record Date and the date fixed for the payment of such defaulted interest. The Paying Agent may make payments of interest on any Bond by such alternative means as may be mutually agreed to between the owner of such Bond and the Paying Agent (provided, however, that the County shall not be required to make funds available to the Paying Agent prior to the due dates of interest and principal, respectively). All such payments shall be made in lawful money of the United States of America.

Section 303. Prior Redemption. Except as otherwise provided in the Bond Purchase Agreement:

after the date set forth in the Bond Purchase Agreement, in whole or in part at any time, from such maturities as are selected by the County and by lot within a maturity, at a price equal to the principal amount of each 2010A Bond, or portion thereof, to be so redeemed, plus accrued interest thereon to the redemption date, and a premium, if any, computed in accordance with the schedule set forth in the Bond Purchase Agreement.

(2) The 2010B Bonds, or portions thereof (\$1,000 or any integral multiple thereof), maturing on and after the date set forth in the Bond Purchase Agreement, if any, shall be subject to redemption prior to their respective maturities, at the option of the County, on and after the date set forth in the Bond Purchase Agreement, in whole or in part at any time, from such maturities as are selected by the County, and on a pro rata basis within a maturity as described below in paragraph (e) of this Section, at a price equal to the principal amount of each 2010B Bond, or portion thereof, to be so redeemed, plus accrued interest thereon to the redemption date, and a premium, if any, computed in accordance with the schedule set forth in the Bond Purchase Agreement.

(3) The 2010C Bonds, or portions thereof (\$1,000 or any integral multiple thereof), maturing on and after the date set forth in the Bond Purchase Agreement, if any, shall be subject to redemption prior to their respective maturities, at the option of the County, on and after the date set forth in the Bond Purchase Agreement, in whole or in part at any time, from such maturities as are selected by the County, and on a pro rata basis within a maturity as described below in paragraph (e) of this Section, at a price equal to the principal amount of each 2010C Bond, or portion thereof, to be so redeemed, plus accrued interest thereon to the redemption date, and a premium, if any, computed in accordance with the schedule set forth in the Bond Purchase Agreement.

B. Mandatory Sinking Fund Redemption. The 2010A Bonds maturing on the dates specified in the Bond Purchase Agreement, if any (the "Term 2010A Bonds"), the 2010B Bonds maturing on the dates specified in the Bond Purchase Agreement, if any (the "Term 2010B Bonds") and the 2010C Bonds maturing on the dates specified in the Bond Purchase Agreement, if any (the "Term 2010C Bonds"; together with the Term 2010A Bonds and the 2010B Term Bonds, the "Term Bonds"), are subject to mandatory sinking fund redemption at a redemption price equal to 100% of the principal amount thereof and accrued interest to the redemption date. As and for a sinking fund for the redemption of the Term Bonds, there shall be deposited into the Bond Account on or before the dates designated in the Bond Purchase Agreement, a sum which, together with other moneys

available therein is sufficient to redeem (after credit is provided below) the Term Bonds on the dates and in the principal amounts as provided in the Bond Purchase Agreement.

Term 2010B Bonds and Term 2010C Bonds being redeemed in part will be selected on a pro rata basis as described in paragraph (e) of this Section. Term 2010A Bonds being redeemed in part will be selected by lot in such manner as the Registrar may determine.

Not more than 60 days nor less than 30 days prior to the sinking fund payment dates for the Term Bonds, the Registrar shall proceed to select for redemption (in the manner described above) from all outstanding Term Bonds, a principal amount of the Term Bonds equal to the aggregate principal amount of the Term Bonds redeemable with the required sinking fund payments.

At the option of the County to be exercised by delivery of a written notice from the Finance Director to the Registrar not less than sixty days next preceding any sinking fund redemption date, the County may (i) deliver to the Registrar for cancellation Term Bonds or portions thereof (\$1,000 or any integral multiple thereof) in an aggregate principal amount desired by the County or, (ii) specify a principal amount of Term Bonds or portions thereof (\$1,000 or any integral multiple thereof) which prior to said date have been redeemed (otherwise than through the operation of the sinking fund) and canceled by the Registrar and not theretofore applied as a credit against any sinking fund redemption obligation with respect to such Term Bond. Each Term Bond or portion thereof so delivered or previously redeemed shall be credited by the Registrar at 100% of the principal amount thereof against the obligation of the County on the sinking fund redemption date and any excess shall be so credited against future sinking fund redemption obligations in such manner as the County determines. In the event the County shall avail itself of the provisions of clause (i) of the first sentence of this paragraph, the certificate required by the first sentence of this paragraph shall be accompanied by the respective Term Bonds or portions thereof to be canceled, or in the event the Term Bonds are registered in the name of Cede & Co., the certificate required by the first sentence of this paragraph shall be accompanied by such direction and evidence of ownership as is satisfactory to The Depository Trust Company.

whole or in part at any time, from any maturities selected by the County and on a pro rata basis within a maturity as described in paragraph (e) of this Section, at the redemption price computed as provided in the Bond Purchase Agreement; provided, however, that if any time such redemption price is a price that exceeds the price the County can legally agree to pay to redeem 2010B Bonds under the provisions of State law, the County shall not have an option to redeem 2010B Bonds at that time pursuant to the provisions of this paragraph (C)(1).

(2) Prior to the optional redemption date specified in subparagraph (iii) of paragraph (A) of this Section, if any, the 2010C Bonds may be subject to redemption prior to their respective maturities, as set forth in the Bond Purchase Agreement, at the option of the County, in whole or in part at any time, from any maturities selected by the County and on a pro rata basis within a maturity as described in paragraph (e) of this Section, at the redemption price computed as provided in the Bond Purchase Agreement; provided, however, that if any time such redemption price is a price that exceeds the price the County can legally agree to pay to redeem 2010C Bonds under the provisions of State law, the County shall not have an option to redeem 2010C Bonds at that time pursuant to the provisions of this paragraph (C)(2).

D. Extraordinary Redemption.

(1) Extraordinary Redemption of 2010B Bonds. Prior to the optional redemption date specified in subparagraph (2) of paragraph (A) of this Section, if any, the 2010B Bonds may be subject to extraordinary redemption prior to their respective maturities, at the option of the County, upon the occurrence of an Extraordinary Event (defined below), in whole or in part at any time from any maturities selected by the County and on a pro rata basis within a maturity as described in paragraph (E) of this Section, at a redemption price computed in accordance with the schedule set forth in the Bond Purchase Agreement; provided, however, that if any time such redemption price is a price that exceeds the price the County can legally agree to pay to redeem 2010B Bonds under the provisions of State law, the County shall not have an option to redeem 2010B Bonds at that time pursuant to the provisions of this paragraph (d). For the purposes of this paragraph (D), Extraordinary Event means:

(a) a material adverse change has occurred to Sections 54AA or 6431 of the Tax Code,

(b) there is any guidance published by the Internal Revenue Service or the United States Treasury with respect to such Sections, or

and as a result thereof, the BAB Credit expected to be received with respect to the 2010B Bonds is suspended, eliminated or reduced, as reasonably determined by the Finance Director, which determination shall be conclusive.

(2) Extraordinary Redemption of 2010C Bonds. Prior to the optional redemption date specified in subparagraph (3) of paragraph (A) of this Section, if any, the 2010C Bonds may be subject to extraordinary redemption prior to their respective maturities, at the option of the County, upon the occurrence of an Extraordinary Event (defined below), in whole or in part at any time from any maturities selected by the County and on a pro rata basis within a maturity as described in paragraph (E) of this Section, at a redemption price computed in accordance with the schedule set forth in the Bond Purchase Agreement; provided, however, that if any time such redemption price is a price that exceeds the price the County can legally agree to pay to redeem 2010C Bonds under the provisions of State law, the County shall not have an option to redeem 2010C Bonds at that time pursuant to the provisions of this paragraph (D). For the purposes of this paragraph (d), Extraordinary Event means:

(a) a material adverse change has occurred to Sections 54AA or 6431 of the Tax Code,

(b) there is any guidance published by the Internal Revenue Service or the United States Treasury with respect to such Sections, or

(c) any other determination by the Internal Revenue Service or the United States Treasury, which determination is not the result of a failure of the County to satisfy the requirements of Section 823C hereof;

and as a result thereof, the RZEDB Credit expected to be received with respect to the 2010C Bonds is suspended, eliminated or reduced, as reasonably determined by the Finance Director, which determination shall be conclusive.

E. Pro Rata Redemption.

(1) If a portion of a maturity of the 2010B Bonds or the Term 2010B Bonds is being redeemed in part, the 2010B Bond to be redeemed will be selected on a pro rata basis to each Holder of the 2010B Bonds in whose name such 2010B Bonds or Term 2010B Bonds are registered on the Regular Record Date immediately preceding the redemption date. "Pro rata" for a Holder is determined, in part, by multiplying the principal amount of the 2010B Bonds or Term 2010B Bonds of a maturity to be redeemed in part on the applicable redemption date by a fraction, the numerator of which is equal to the principal amount of the 2010B Bonds or Term 2010B Bonds of that maturity owned by the Holder, and the denominator of which is equal to the total amount of the 2010B Bonds or Term 2010B Bonds of that maturity then Outstanding immediately prior to such redemption date, and then rounding the product down to the next lower integral multiple of \$1,000, provided that the portion of any 2010B Bond or Term 2010B Bond to be redeemed shall be in \$1,000 denominations and all 2010B Bonds or Term 2010B Bonds to remain Outstanding following any redemption shall be in \$1,000 denominations. Adjustments to the foregoing pro rata redemption may be made in the amount of \$1,000 for any Holder, selected by lot, so that the aggregate amount of 2010B Bonds or Term 2010B Bonds of a maturity being redeemed in part owned by all Holders is equal to the aggregate amount of 2010B Bonds or Term 2010B Bonds of that maturity to be redeemed.

(2) If a portion of a maturity of the 2010C Bonds or the Term 2010C Bonds is being redeemed in part, the 2010C Bond to be redeemed will be selected on a pro rata basis to each Holder of the 2010C Bonds in whose name such 2010C Bonds or Term 2010C Bonds are registered on the Regular Record Date immediately preceding the redemption date. "Pro rata" for a Holder is determined, in part, by multiplying the principal amount of the 2010A Bonds or Term 2010C Bonds of a maturity to be redeemed in part on the applicable redemption date by a fraction, the numerator of which is equal to the principal amount of the 2010C Bonds or Term 2010C Bonds of that maturity owned by the Holder, and the denominator of which is equal to the total amount of the 2010C Bonds or Term 2010C Bonds of that maturity then Outstanding immediately prior to such redemption date, and then rounding the product down to the next lower integral multiple of \$1,000, provided that the portion of any 2010C Bond or Term 2010C Bond to be redeemed shall be in \$1,000 denominations and all 2010C Bonds or Term 2010C Bonds to remain Outstanding following any redemption shall be in \$1,000 denominations. Adjustments to the foregoing pro rata redemption may be made in the amount of \$1,000 for any Holder, selected by lot, so that the

aggregate amount of 2010C Bonds or Term 2010C Bonds of a maturity being redeemed in part owned by all Holders is equal to the aggregate amount of 2010C Bonds or Term 2010C Bonds of that maturity to be redeemed.

G. Partial Redemption. In the event of any partial redemption as described above, the Registrar shall, without charge to the Holder of such 2010 Bond, authenticate and issue a replacement 2010 Bond for the unredeemed portion thereof.

H. Redemption Notice. Notice of prior redemption shall be given by the Registrar in the name and on behalf of the County by registered or certified mail as long as Cede & Co., or a nominee of a successor depository is the registered owner of the Bonds and otherwise by first class, postage prepaid mail, at least 30 days but not more than 60 days prior to the Redemption Date, to the Municipal Securities Rulemaking Board ("MSRB") and the registered owner of any Bond all or a part of which is called for prior redemption at his address as it last appears on the registration records kept by the Registrar. The notice shall identify the Bonds or portions thereof to be redeemed, specify the Redemption Date, and state that on such date the principal amount thereof will become due and payable at the Paying Agent (accrued interest to the Redemption Date being payable by mail or as otherwise provided in this Ordinance), and that after such Redemption Date interest will cease to accrue. The notice of prior redemption shall further state that on such date there will become and will be due and payable upon each Bond so to be redeemed at the office of the Paying Agent (designated by name) or at such other office as is designated by the Paying Agent, the principal amount thereof, accrued interest thereon to the Redemption Date, and that from and after such date interest will cease to accrue. Notice having been given in the manner hereinabove provided, the Bond or Bonds so called for redemption shall become due and payable on the redemption date so designated; and upon presentation thereof at the Paying Agent or at such other office as is designated by the Paying Agent, the County will pay the Bond or Bonds so called for redemption. Any Bonds redeemed prior to their respective maturities by call for prior redemption (or otherwise) shall not be reissued and shall be canceled the same as Bonds redeemed at or after maturity.

Notwithstanding the provisions of this section, any notice of redemption may contain a statement that the redemption is conditional upon the receipt by the Paying Agent of funds on or before the date fixed for redemption sufficient to pay the redemption price of the Bonds so called for redemption, and that if such funds are not available, such redemption shall be canceled by written

notice to the owners of the Bonds called for redemption in the same manner as the original redemption notice was mailed.

Section 304. Negotiability. Subject to Section 306 hereof and to the registration and payment provisions herein provided, the 2010 Bonds shall be fully negotiable within the meaning of and for the purposes of the Uniform Commercial Code -- Investment Securities, and each registered owner shall possess all rights enjoyed by registered owners of negotiable instruments under the Uniform Commercial Code -- Investment Securities.

Section 305. Registration, Transfer and Exchange of Bonds. Except as otherwise provided in Section 306 hereof:

A. Records for the registration and transfer of the 2010 Bonds shall be kept by the Registrar. Upon the surrender for transfer of any Bond at the Registrar, duly endorsed for transfer or accompanied by an assignment in form satisfactory to the Registrar duly executed by the registered owner or his attorney duly authorized in writing, the Registrar shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount and of the same maturity bearing a number or numbers not previously assigned. Bonds may be exchanged at the Registrar for an equal aggregate principal amount of Bonds of the same maturity of other authorized denominations, as provided in Section 302 hereof. The Registrar shall authenticate and deliver the Bond or Bonds which the registered owner making the exchange is entitled to receive, bearing number or numbers not previously assigned. Such transfers and exchanges of the 2010 Bonds shall be without charge to the owner or any transferee, but the Registrar shall require the payment by the owner of any Bond requesting exchange or transfer, of any tax or other governmental charge required to be paid with respect to such exchange or transfer.

B. The person in whose name any Bond shall be registered, in the registration records kept by the Registrar, shall be deemed and regarded as the absolute owner thereof for the purpose of making payment thereof (except to the extent otherwise provided in Section 302 hereof with respect to interest payments) and for all other purposes; and payment of or on account of either principal or interest on any Bond shall be made only to or upon the written order of the registered owner thereof or his legal representative, but such registration may be changed upon transfer of such Bond in the manner and subject to the conditions and limitation provided herein. All such payments

shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid.

C. If any Bond shall be lost, stolen, destroyed or mutilated, the Registrar shall, upon receipt of such evidence, information or indemnity relating thereto as it or the County may reasonably require, and upon payment of all expenses in connection therewith, authenticate and deliver a replacement Bond or Bonds of a like aggregate principal amount and of the same maturity, bearing a number or numbers not previously assigned. If such lost, stolen, destroyed or mutilated Bond shall have matured, the Registrar may direct that such Bond be paid by the Paying Agent in lieu of replacement.

D. Whenever any Bond shall be surrendered to the Paying Agent upon payment thereof, or to the Registrar for transfer, exchange or replacement as provided herein, such Bond shall be promptly canceled by the Paying Agent or Registrar, and counterparts of a certificate of such cancellation shall be furnished by the Paying Agent or Registrar to the County.

Section 306. Custodial Deposit.

A. Notwithstanding the foregoing provisions of Sections 302 to 305 hereof, the Bonds shall initially be evidenced by one Bond for each year in which the Bonds mature in denominations equal to the aggregate principal amount of the Bonds maturing in that year. Such initially delivered Bonds shall be registered in the name of "Cede & Co." as nominee for The Depository Trust Company, the securities depository for the Bonds. The Bonds may not thereafter be transferred or exchanged except:

(1) to any successor of The Depository Trust Company or its nominee, which successor must be both a "clearing corporation" as defined in NRS 104.8102, and a qualified and registered "clearing agency" under Section 17A of the Securities Exchange Act of 1934, as amended; or

(2) upon the resignation of The Depository Trust Company or a successor or new depository under clause (1) or this clause (2) of this subsection A, or a determination by the County that The Depository Trust Company or such successor or new depository is no longer able to carry out its functions, and the designation by the County of another depository institution acceptable to the County and to the depository then holding the Bonds, which new depository institution must be both a "clearing corporation" as defined in NRS 104.8102 and a qualified and registered "clearing

agency” under Section 17A of the Securities Exchange Act of 1934, as amended, to carry out the functions of The Depository Trust Company or such successor or new depository; or

(3) upon the resignation of The Depository Trust Company or a successor or new depository under clause (1) or clause (2) of this subsection A, or a determination of the County that The Depository Trust Company or such successor or new depository is no longer able to carry out its functions, and the failure by the County, after reasonable investigation, to locate another qualified depository institution under clause (2) to carry out such depository functions.

B. In the case of a transfer to a successor of The Depository Trust Company or its nominee as referred to in clause (1) of subsection A hereof or designation of a new depository pursuant to clause (2) of subsection A hereof, upon receipt of the Outstanding Bonds by the Registrar, together with written instructions for transfer satisfactory to the Registrar, a new Bond for each maturity of the Bonds then Outstanding shall be issued to such successor or new depository, as the case may be, or its nominee, as is specified in such written transfer instructions. In the case of a resignation or determination under clause (3) of subsection A hereof and the failure after reasonable investigation to locate another qualified depository institution for the Bonds as provided in clause (3) of subsection A hereof, and upon receipt of the outstanding Bonds by the Registrar, together with written instructions for transfer satisfactory to the Registrar, new Bonds shall be issued in the denominations of \$1,000 or any integral multiple thereof, as provided in and subject to the limitations of Section 302 hereof, registered in the names of such persons, and in such denominations as are requested in such written transfer instructions; however, the Registrar shall not be required to deliver such new Bonds within a period of less than 60 days from the date of receipt of such written transfer instructions.

C. The County, the Registrar and the Paying Agent shall be entitled to treat the registered owner of any Bond as the absolute owner thereof for all purposes hereof and any applicable laws, notwithstanding any notice to the contrary received by any or all of them and the County, the Registrar and the Paying Agent shall have no responsibility for transmitting payments to the beneficial owners of the Bonds held by The Depository Trust Company or any successor or new depository named pursuant to subsection A hereof.

D. The County, the Registrar and the Paying Agent shall endeavor to cooperate with The Depository Trust Company or any successor or new depository named pursuant to clause (1)

or (2) of subsection A hereof in effectuating payment of the Bond Requirements of the Bonds by arranging for payment in such a manner that funds representing such payments are available to the depository on the date they are due.

E. Upon any partial redemption of any maturity of the Bonds, Cede & Co., (or its successor) in its discretion may request the County to issue and authenticate a new Bond or shall make an appropriate notation on the Bond indicating the date and amount of prepayment, except in the case of final maturity, in which case the Bond must be presented to the Paying Agent prior to payment.

Section 307. Execution of Bonds. The Bonds shall be executed as follows:

A. Filings with Secretary of State. Pursuant to NRS 350.638 and to the act cited as the Uniform Facsimile Signatures of Public Officials Act, designated as chapter 351 of NRS and to the Supplemental Bond Act and prior to the execution of any 2010 Bonds by facsimile signature, the Chairman, the Treasurer and the Clerk shall each file with the Secretary of State of the State of Nevada his or her manual signature certified under oath.

B. Manner of Execution. Each Bond shall be signed and executed in the name of and on behalf of the County with the manual or the engraved, imprinted, stamped or otherwise reproduced facsimile of the signature of the Chairman and shall be countersigned, manually subscribed and executed by the Treasurer; each Bond shall be authenticated with the manual or the printed, engraved, stamped or otherwise placed thereon facsimile of the official seal of the County; and each Bond shall be signed, executed and attested with such a manual or a facsimile of the signature of the Clerk.

C. Authentication. No Bond shall be valid or obligatory for any purpose unless the certificate of authentication thereon, substantially in the form hereinafter provided, has been duly manually executed by the Registrar. The Registrar's certificate of authentication shall be deemed to have been duly executed by it if it is manually signed by an authorized officer or employee of the Registrar, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the 2010 Bonds issued hereunder. By authenticating any of the 2010 Bonds delivered pursuant to this Ordinance, the Registrar shall be deemed to have assented to all of the provisions of this Ordinance.

Section 308. Use of Predecessor's Signature. The Bonds bearing the signatures of the officers in office at the time of the signing thereof shall be the valid and binding obligations of the County, notwithstanding that before the delivery thereof and the payment therefor any or all of the persons whose signatures appear thereon shall have ceased to fill their respective offices. The Chairman, the Treasurer and the Clerk, at the time of the execution of the Bonds and of the signature certificate, may adopt as and for his or her own facsimile signature the facsimile signature of his predecessor in office in the event that such facsimile signature appears upon any of the Bonds.

Section 309. Incontestable Recital in Bonds. Pursuant to NRS 350.628, each Bond shall recite that it is issued pursuant to the Bond Act, which recital shall be conclusive evidence of the validity of the Bonds and the regularity of their issuance.

Section 310. State Tax Exemption. Pursuant to NRS 350.710, the Bonds, their transfer, and the income therefrom shall forever be and remain free and exempt from taxation by the State or any subdivision thereof except for the tax on estates imposed pursuant to Chapter 375A of NRS and the tax on generation skipping transfers imposed pursuant to Chapter 375B of NRS.

Section 311. Bond Execution. The Chairman, the Treasurer and the Clerk are authorized and directed to prepare and to execute the Bonds as herein provided.

Section 312. Registrar's Registration. In a separate book or electronic records, the Registrar shall maintain the registration records of the County for the 2010 Bonds showing the name and address of the registered owner of each Bond authenticated and delivered, the date of authentication, the maturity of the Bond and its interest rate, principal amount and Bond number and its prefix, if any.

Section 313. Bond Delivery. After such registration, the Registrar shall cause the Bonds to be delivered to the Underwriters, upon due payment being made in accordance with the terms of their sale.

Section 314. Causes for Reissuance. In case any Outstanding Bond shall be lost, apparently destroyed, or wrongfully taken, it may be reissued, at the discretion of the County, in the form and tenor of the lost, destroyed or taken Bond as provided in section 104.8405 of the Uniform Commercial Code--Investment Securities, as from time to time amended, and all laws supplemental thereto.

Section 315. Other Reissuance. Nothing contained in the provisions of Section 314 hereof shall be construed as prohibiting the County from reissuing, pursuant to other provisions herein, in the Project Act or the Bond Act, or otherwise, upon such terms and conditions as the Governing Body may determine, any Outstanding Bond which shall not have become lost, apparently destroyed, or wrongfully taken.

Section 316. Bond Form. Subject to the provisions of this Ordinance, each Bond shall be in substantially the following form, with such omissions, insertions, endorsements and variations as to any recitals of fact or other provisions as may be required by the circumstances, be required or permitted by this Ordinance, or be consistent with this Ordinance and necessary or appropriate to conform to the rules and requirements of any governmental authority or any usage or requirement of law with respect thereto:

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: _____ DOLLARS

The County of Washoe, in the State of Nevada (herein the "County" and the "State," respectively), for value received hereby promises to pay to the registered owner above specified solely from the special funds provided therefor, as hereinafter set forth, the Principal Amount specified above, on the Maturity Date specified above and to pay interest thereon on August 1 and February 1 of each year commencing on August 1, 2010, at the Interest Rate per annum specified above, until the principal sum is paid or payment has been provided therefor. This Bond will bear interest from the most recent interest payment date to which interest has been paid or provided for, or, if no interest has been paid, from the date of this Bond. The principal of and redemption premium, if any, on this Bond is payable upon presentation and surrender thereof at the principal office of the County's registrar and paying agent (the "Registrar" or the "Paying Agent"), presently Wells Fargo Bank, National Association, in the office as designated by the Paying Agent. Interest on this Bond will be paid on each interest payment date (or, if such interest payment date is not a business day, on the next succeeding business day), by check or draft mailed to the person in whose name this Bond is registered (the "registered owner") in the registration records of the County maintained by the Registrar and at the address appearing thereon at the close of business on the 15th day of the calendar month next preceding such interest payment date (the "Regular Record Date"). Any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the registered owner hereof at the close of business on the Regular Record Date and shall be payable to the person who is the registered owner hereof at the close of business on a Special Record Date for the payment of any defaulted interest. Such Special Record Date shall be fixed by the Registrar whenever moneys become available for payment of the defaulted interest, and notice of the Special Record Date shall be given to the registered owners of the Bonds of the series of which this is one (the "2010 Bonds" or the "Bonds") not less than ten days prior thereto. If, upon presentation at maturity, payment of this Bond is not made as herein provided, interest shall continue at the same rate specified above until the principal hereof is paid in full. All such principal, interest, and any prior redemption premiums due

1431

(the "Bond Requirements") shall be payable in lawful money of the United States of America without deduction for the services of the Paying Agent or Registrar. The Bonds are issued pursuant to an ordinance authorizing them and designated in Section 101 thereof as the 2010 Highway Bond Ordinance (herein the "Bond Ordinance"). A copy of the Bond Ordinance is on file for public inspection in the office of the Clerk of the County in Reno, Nevada.

The Bonds are subject to redemption prior to their respective maturities as set forth in the Bond Purchase Agreement.

The Bonds are issuable solely as fully registered Bonds in denominations of \$1,000 each or any integral multiple thereof and are exchangeable for fully registered Bonds of the same maturity in equal aggregate principal amounts and in authorized denominations at the aforesaid office of the Registrar (and paying agent), but only in the manner, subject to the limitations, and on payment of the charges provided in the Bond Ordinance.

This Bond must be registered in the name of the owner as to both principal and interest on the registration records kept by the Registrar in conformity with the provisions stated herein and endorsed hereon and subject to the terms and conditions set forth in the Bond Ordinance. No transfer of this Bond shall be valid unless made on the registration records maintained at the principal office of the Registrar by the registered owner or his attorney duly authorized in writing.

This Bond is fully transferable by the registered owner hereof in person or by his duly authorized attorney on the registration records kept by the Registrar upon surrender of this Bond together with a duly executed written instrument of transfer satisfactory to the Registrar. Upon such transfer a new fully registered Bond of authorized denomination or denominations of the same aggregate principal amount and maturity will be issued to the transferee in exchange for this Bond, subject to such terms and conditions as set forth in the Bond Ordinance.

The County and the Registrar and Paying Agent may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of making payment (except to the extent otherwise provided hereinabove and in the Bond Ordinance with respect to the Regular and Special Record Dates for the payment of interest) and for all other purposes and neither the County nor the Registrar and Paying Agent shall be affected by notice to the contrary.

Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the County or its agent for registration of transfer, exchange, or payment, and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

The Bonds shall not be transferable or exchangeable, except as set forth in the Bond Ordinance.

The Bonds do not constitute a debt or an indebtedness of the County within the meaning of any constitutional or statutory provision or limitation, shall not be considered or held to be general obligations of the County, and are payable and collectible solely out of the net income derived from certain excise taxes concerning motor vehicle fuel, now consisting of nine cents per gallon levied by the County on all motor vehicle fuel sold, distributed or used in the County, subject to certain exceptions, the net income of which taxes (subject to certain exceptions) is so pledged; and the owner hereof may not look to any general or other fund for the payment of the Bond Requirements of this obligation except the special funds pledged therefor.

Payment of the Bond Requirements of the Bonds shall be made solely from and as security for such payment there are irrevocably pledged, pursuant to the Ordinance, two special accounts identified as the "Washoe County, Nevada, Highway Parity Revenue Bonds, Interest and Bond Retirement Fund" and as the "Washoe County, Nevada, Highway Revenue 2010 Bond Reserve Account," into which accounts the County covenants to pay, respectively, from the revenues derived from such motor vehicle fuel taxes and certain taxes on special fuels, including, without limitation, if hereafter authorized by law, any excise taxes pertaining to motor vehicle fuel of at least an equivalent value and pledged in lieu of such present taxes or any such excise taxes of any value pledged in supplementation of such present taxes (herein the "Gross Pledged Revenues"), after provision only for the payment of certain administration expenses and direct distributions, and except for certain unpledged portions of such net income of such motor vehicle fuel taxes and taxes on special fuels (the remaining revenues being herein sometimes designated as the "Net Pledged Revenues"), sums sufficient to pay when due the Bond Requirements of the Bonds and to create and maintain for such purpose a reasonable and specified reserve. Under certain circumstances, a "Reserve Account Surety Bond," as defined in the Bond Ordinance, can be deposited into the Reserve Account in lieu of Net Pledged Revenues or Bond proceeds.

The Bonds are equitably and ratably secured by a lien on such Net Pledged Revenues, and the 2010 Bonds constitute an irrevocable lien (but not an exclusive lien) upon such Net Pledged Revenues. Bonds and other securities, in addition to the 2010 Bonds, subject to expressed conditions, may be issued and made payable from such Net Pledged Revenues having a lien thereon subordinate and junior to the lien or, subject to additional expressed conditions, having a lien thereon on a parity with the lien of the 2010 Bonds, in accordance with the provisions of the Bond Ordinance.

The County covenants and agrees with the owner of this Bond and with each and every person who may become the owner hereof that it will keep and will perform all of the covenants of the Bond Ordinance.

This Bond is one of a series of Bonds of like tenor, and date, except as to number, amount, interest rate, and maturity, authorized for the purpose of defraying the costs of certain street and highway construction in the County.

Reference is made to the Bond Ordinance and any and all modifications and amendments thereof and supplements thereto, to the Tax Ordinance therein designated, to the contract pertaining to such ordinance between the State and the County, to the State's County Motor Vehicle

Fuel Tax Law, now cited as NRS 373.010 through 373.200, and all laws amendatory thereof (herein the "Project Act"), to the Local Government Securities Law, now cited as NRS 350.500 through 350.720, and all laws amendatory thereof (herein the "Bond Act"), to the Supplemental Bond Act now cited as NRS 348.010 through 348.450 (herein the "Supplemental Bond Act"), to chapter 365, and all laws amendatory thereof (herein the "Tax Act"), and to all laws supplemental thereto, for an additional description of the nature and extent of the security for the 2010 Bonds, the accounts, funds or revenues pledged, the nature and extent and manner of enforcement of the pledge, the rights and remedies of the owners of the 2010 Bonds with respect thereto, the terms and conditions upon which the 2010 Bonds are issued, and a statement of rights, duties, immunities and obligations of the County, and other rights and remedies of the owners of the 2010 Bonds.

The 2010 Bonds are issued pursuant to the Bond Act and pursuant to NRS 350.628, this recital is conclusive evidence of the validity of the Bonds and the regularity of their issuance; and pursuant to NRS 350.710, the Bonds, their transfer, and the income therefrom shall forever be and remain free and exempt from taxation by the State or any subdivision thereof except the tax on estates imposed pursuant to the provisions of Chapter 375A of NRS or the tax on generation skipping transfers imposed pursuant to Chapter 375B of NRS.

To the extent and in the respects permitted by the Bond Ordinance, the provisions of the Bond Ordinance or any instrument amendatory thereof or supplemental thereto may be modified or amended by action of the County taken in the manner and subject to the conditions and exceptions prescribed in the Bond Ordinance. The pledge of revenues and other obligations of the County under the Bond Ordinance may be discharged at or prior to the respective maturities of the 2010 Bonds upon the making of provision for the payment thereof on the terms and conditions set forth in the Bond Ordinance.

It is further certified, recited and warranted that all the requirements of law have been fully complied with by the proper officers of the County in the issuance of this Bond, and that it is issued pursuant to and in strict conformity with the Constitution and laws of the State, particularly the terms and provisions of the Project Act, the Bond Act, the Supplemental Bond Act, and all laws supplemental thereto.

No recourse shall be had for the payment of the Bond Requirements of this Bond or for any claim based thereon or otherwise in respect to the Bond Ordinance, against any individual member of the board of county commissioners of the County, or any officer or other agent of the County, past, present or future, either directly or indirectly through such governing body or the County, or otherwise, whether by virtue of any constitution, statute or rule of law, or by the endorsement of any penalty or otherwise, all such liability, if any, being by the acceptance of this Bond and as a part of the consideration of its issuance specifically waived and released.

This Bond shall not be valid or obligatory for any purpose until the Registrar shall have manually signed the certificate of authentication hereon.

IN WITNESS WHEREOF, the County has caused this Bond to be signed and executed in its name and upon its behalf with the manual or facsimile signature of the Chairman of its Board of County Commissioners, and to be countersigned, manually subscribed and executed with the manual or facsimile signature of its County Treasurer; has caused the manual or facsimile of the seal of the County to be affixed hereon; has caused this Bond to be signed, executed and attested with the manual or facsimile signature of its County Clerk; all as of _____, 2010.

ARTICLE IV

USE OF BOND PROCEEDS

Section 401. Disposition of Bond Proceeds. The proceeds of the 2010 Bonds, upon their receipt, shall be accounted for in the following manner and priority and are hereby pledged therefor:

A. Bond Account. First, to the extent not needed for the Project, there shall be credited to the separate account created in the 2009 Ordinance and continued in this Ordinance known as the "Washoe County, Nevada, Highway Parity Revenue Bonds Interest and Bond Retirement Fund" (the "Bond Account") all moneys received, if any, as accrued interest on the Bonds from their date to the date or respective dates of their delivery to the Underwriters to apply on the payment of interest on the 2010 Bonds as the same becomes due after their delivery, in accordance with subsection B, Section 505 hereof.

B. Reserve Account. Second, there shall be deposited from the proceeds of the Bonds (or other available moneys of the County) into the separate account hereby created and designated as the "Washoe County, Nevada, Highway Revenue 2010 Bond Reserve Account," (the "Reserve Account"), an amount equal to the Minimum Bond Reserve. The Reserve Account shall be held by the County (or held by the RTC if directed by the Chief Financial Officer) solely for the benefit of the 2010 Bonds and not as a combined reserve account for any other Parity Securities. For rebate purposes, the County may keep separate subaccounts with the Reserve Fund for the 2010A Bonds, the 2010B Bonds and the 2010C Bonds.

C. Acquisition Accounts. Third:

(1) the balance of the proceeds derived from the sale of the 2010A Bonds, except as herein otherwise expressly provided, shall be credited to a separate account hereby created and to be known as the "Washoe County, Nevada, Highway Revenue (Motor Vehicle Fuel Tax) Bonds, Series 2010A, Project Acquisition Account" (the "2010A Acquisition Account"). After completion of the Project, or after adequate provision is made therefore, any unexpended balance of 2010A Bond proceeds in the 2010A Acquisition

Account shall be deposited in the Bond Account to be used to pay the principal of and interest on the 2010A Bonds.

(2) the balance of the proceeds derived from the sale of the 2010B Bonds, except as herein otherwise expressly provided, shall be credited to a separate account hereby created and to be known as the “Washoe County, Nevada, Highway Revenue (Motor Vehicle Fuel Tax) Bonds, Series 2010B, Project Acquisition Account” (the “2010B Acquisition Account”). After completion of the Project, or after adequate provision is made therefore, any unexpended balance of 2010B Bond proceeds in the 2010B Acquisition Account shall be deposited in the Bond Account to be used to pay the principal of and interest on the 2010B Bonds.

(3) the balance of the proceeds derived from the sale of the 2010C Bonds, except as herein otherwise expressly provided, shall be credited to a separate account hereby created and to be known as the “Washoe County, Nevada, Highway Revenue (Motor Vehicle Fuel Tax) Bonds, Series 2010C, Project Acquisition Account” (the “2010C Acquisition Account” and together with the 2010A Acquisition Account and the 2010B Acquisition Account, the “Acquisition Accounts”). After completion of the Project, or after adequate provision is made therefore, any unexpended balance of 2010C Bond proceeds in the 2010C Acquisition Account shall be deposited in the Bond Account to be used to pay the principal of and interest on the 2010C Bonds.

Section 402. Moneys for Project. All moneys received and held by the County for the Project (or held by the RTC if directed by the Chief Financial Officer) from all sources, including, without limitation, surplus Pledged Revenues appropriated by the Governing Body for that purpose, shall be deposited in the Acquisition Accounts, including, without limitation, the Bond proceeds deposited therein pursuant to subsection D, Section 401 hereof. The moneys in the Acquisition Accounts, except as herein otherwise expressly provided, shall be used and paid out solely for the purpose of defraying the Cost of the Project, including the costs of issuance of the Bonds.

Section 403. Application of Acquisition Accounts. Moneys, except as herein otherwise expressly provided, shall be withdrawn from the Acquisition Accounts for

the Project only upon warrants approved by the Governing Body, drawn by the County Comptroller, and countersigned by the Treasurer, in the same manner that other claims against the County are presented and paid.

Section 404. Prevention of Bond Default. The Treasurer shall use any Bond proceeds credited to the Acquisition Accounts, without further order or warrant, to pay the Bond Requirements of the 2010 Bonds as the same become due whenever and to the extent moneys in the Bond Account and the Reserve Account or otherwise available therefor are insufficient for that purpose, unless such Bond proceeds shall be needed to defray obligations accrued and to accrue under any contracts then existing and pertaining to the Project. The Treasurer shall promptly notify:

- A. Chairman. The Chairman,
- B. Manager. The County Manager,
- C. Chief Financial Officer. The County Chief Financial Officer, and
- D. Governing Body. The Clerk for the Governing Body, of any such use. Any moneys so used shall be restored to the Acquisition Accounts from the first Pledged Revenues thereafter received and not needed to meet the requirements provided in Sections 504 through 511 hereof.

Section 405. Completion of Project. When the Project shall have been completed in accordance with the relevant plans and specifications and all amounts due therefor, including all proper incidental expenses, shall have been paid, or for which full provision shall have been made, the Treasurer, upon the receipt from the Project Engineer of a certificate so stating the completion of the Project, shall cause to be transferred to the Bond Account, for the payment of the Bond Requirements of the 2010 Bonds, all surplus moneys remaining in the Acquisition Accounts, if any, except for any moneys designated in the resolution to be retained to pay any unpaid accrued costs or contingent obligations. Nothing herein contained:

- A. Periodic Transfers. Prevents the Treasurer from causing to be transferred from the Acquisition Accounts to the Bond Account at any time prior to the

termination of the Acquisition Accounts any moneys which the Project Engineer by certificate and the Chief Financial Officer determine will not be necessary for the Project; or

B. Limitations Upon Transfers. Requires the transfer to the Bond Account of any surplus moneys (other than Bond proceeds) received as grants, appropriations or gifts, the use of which moneys is limited by grantor or donor to the construction of capital improvements or otherwise so that such surplus moneys (other than Bond proceeds) may not be properly transferred to the Bond Account under the terms of such grants, appropriations or gifts.

Section 406. Underwriters Not Responsible. The validity of the Bonds shall not be dependent on or be affected by the validity or regularity of any proceedings relating to the Project. The Underwriters of the 2010 Bonds, any associate thereof, and any subsequent holder of any 2010 Bonds shall in no manner be responsible for the application or disposal by the County or by any of its officers, agents and employees of the moneys derived from the sale of the Bonds or of any other moneys herein designated.

Section 407. Lien on Bond Proceeds. Until and unless the proceeds of the 2010 Bonds in the Acquisition Accounts are applied as hereinabove provided and used to defray the Cost of the Project from time to time, the Bond proceeds in the Acquisition Accounts shall be subject to a lien thereon and pledge thereof for the benefit solely of the holders of the 2010 Bonds or of any outstanding Parity Securities.

ARTICLE V

ADMINISTRATION OF AND ACCOUNTING FOR PLEDGED REVENUES

Section 501. Pledge Securing Bonds. Subject only to the rights and obligations of the County to cause amounts to be withdrawn therefrom and paid on account of Administration Expenses, to make the Direct Distributions and to pay the Cost of the Project as provided herein, the Gross Pledged Revenues and all moneys and securities paid (or to be paid) to or held (or to be held) in the Acquisition Accounts, the Bond Account and the Reserve Account, are hereby pledged to secure the payment of the Bond Requirements of the Outstanding 2010 Bonds, except as provided in Section 407 hereof; and this pledge shall be valid and binding so far as the 2010 Bonds are concerned from and after the date of the first delivery of any 2010 Bonds, and the moneys, as received by the County and hereby pledged, shall immediately be subject to the lien of this pledge without any physical delivery thereof, any filing, or further act, and the lien of this pledge and the obligation to perform the contractual provisions hereby made shall have priority over any or all other obligations and liabilities of the County, except for any Outstanding Parity Securities hereafter issued, the liens of which on the Pledged Revenues are on a parity with the lien thereon of the 2010 Bonds; and the lien of this pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the County (except as herein otherwise provided), irrespective of whether such parties have notice thereof.

Section 502. Highway Fund Deposits. So long as any of the 2010 Bonds shall be Outstanding, as to any Bond Requirements, the entire Gross Pledged Revenues, except for such amounts withheld by dealers, users and the Department to reimburse themselves (excluding the Department) for handling losses occasioned by evaporation, spillage and other similar causes, and to reimburse themselves (including the Department) for the costs of their respective services in the performance by them of all functions incident to the administration of the Fuel Taxes, and constituting Administration Expenses, pursuant to the Project Act, to the Tax Act, to the Tax Ordinance, and to the contract pertaining thereto between the County and the State acting by and through the Department, and except for

amounts refunded to taxpayers as provided in such statutes, ordinance and contract, shall continue to be set aside upon the receipt of such revenues by the County and credited to the Highway Fund.

Section 503. Administration of Highway Fund. So long as any of the Bonds hereby authorized shall be Outstanding, as to any Bond Requirements, payments shall be made from the Highway Fund as provided in Sections 504 through 511 hereof.

Section 504. First Charges. First, as a first charge on the Highway Fund, there shall from time to time be withdrawn and set aside:

A. Administration Expenses. Initially, as a first charge thereon, sufficient moneys to pay any Administration Expenses not defrayed by other than the County as permitted in Section 502 hereof; and

B. Direct Distribution. Thereafter, as the next charge thereon, sufficient moneys to make required Direct Distributions.

Nothing herein contained requires the withdrawal from the Highway Fund of any moneys allocated for the payment of Administration Expenses or Direct Distributions until obligations pertaining thereto have accrued and become due, and any such moneys so allocated may be retained in the Highway Fund pending withdrawals for the payment of such obligations. Any such withdrawals becoming surplus and remaining at the end of the Fiscal Year and not needed for Administration Expenses or Direct Distributions shall be transferred back to the Highway Fund and shall be used for the purposes thereof, as herein provided.

Section 505. Bond Account Payments. Second, and subject to the aforesaid provisions, from any moneys remaining in the Highway Fund, i.e., from the Net Pledged Revenues, the following transfers shall be made for the payment of the securities hereinafter designated:

A. Parity Securities. First, there shall continue to be credited to the Bond Account the following:

(1) Monthly, commencing on each interest payment date, one-sixth of the interest on the Outstanding Parity Securities, except to the extent any other moneys are available therefor.

(2) Monthly, commencing on each principal payment date, one-twelfth of the amount necessary to pay the next maturing installment of principal of the Outstanding Parity Securities, except to the extent any other moneys are available therefor.

B. 2010 Bonds. Second and concurrently with the payments provided by subsection A of this section, there shall be credited to the Bond Account, the following:

(1) Monthly, commencing on the first day of the month immediately succeeding the delivery of any of the 2010 Bonds and any Parity Securities hereafter issued, an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever source, including without limitation the moneys, if any, provided in subsection A, Section 401, and in Section 405 hereof, to pay the next maturing installment of interest on the Outstanding 2010 Bonds and any Outstanding Parity Securities hereafter issued, and monthly thereafter, commencing on each interest payment date, one-sixth of the amount necessary to pay the next maturing installment of interest on the Outstanding 2010 Bonds and any Outstanding Parity Securities hereafter issued, except to the extent any other moneys are available therefor.

(2) Monthly, commencing on the first day of the month immediately succeeding the delivery of any of the 2010 Bonds and any Parity Securities hereafter issued, an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever source, to pay the next maturing installment of principal of the Outstanding 2010 Bonds and any Outstanding Parity Securities hereafter issued, and monthly thereafter, commencing on each principal payment date, one-twelfth of the amount necessary to pay the next maturing installment of principal of the Outstanding 2010 Bonds and any Outstanding Parity Securities hereafter issued, except to the extent any other moneys are available therefor.

The moneys credited to the Bond Account shall be used to pay the Bond Requirements of the 2010 Bonds and any Outstanding Parity Securities, as the same become due.

Section 506. Reserve Account Payments. Third, but concurrently with the transfers required to be made to the Bond Account by Section 505 hereof, except as provided in Sections 507 through 509 hereof, there shall be credited monthly from the remaining Net Pledged Revenues to the Reserve Account commencing on the first day of the month next succeeding the date on which the 2010 Bonds are delivered and if so designated (or the date on which the moneys accounted for in the Reserve Account for any other reason are less than the Minimum Bond Reserve as hereinafter defined) such sums in substantially equal monthly amounts as shall be necessary, together with the moneys credited thereto, to accumulate (and reaccumulate if necessary) in not more than 60 such installments, in the Reserve Account a continuing reserve in an amount not less than the Minimum Bond Reserve. No transfer need be made to the Reserve Account so long as the moneys therein shall equal not less than the Minimum Bond Reserve. The moneys in the Reserve Account shall continue to be accumulated and maintained as a continuing reserve to be used, except as provided herein, only to prevent deficiencies in the payment of the principal of and the interest on the Outstanding 2010 Bonds resulting from the failure to deposit in the Bond Account sufficient funds to pay such principal and interest as the same accrue. No payment need be made into the Reserve Account at any time so long as the moneys therein equal not less than the Minimum Bond Reserve.

The Minimum Bond Reserve may be funded from cash or Federal Securities, a Reserve Account Surety Bond, or a combination of cash, Federal Securities and a Reserve Account Surety Bond. In addition, a Reserve Account Surety may be substituted for all or any part of the cash or Federal Securities at any time on deposit in the Reserve Account, or cash or Federal Securities can be substituted for all or any part of a Reserve Account Surety Bond. Any Reserve Account Surety Bond on deposit in the Reserve Account shall be valued at the amount available to be drawn on it. Repayments to the provider of any Reserve Account Surety Bond shall have the same priority as payments into the Reserve Account.

The County hereby elects to that the Reserve Account shall be a Reserve Account solely for the 2010 Bonds. The County may elect, but is not required, to provide for a combined Reserve Account in the ordinance authorizing the issuance of such additional Parity Securities or may elect, but is not required, to provide for a separate reserve fund for any additional Parity Securities. Payments into similar reserve funds or accounts for the 2009 Bonds and any additional Parity Securities shall be made concurrently with payments into the Reserve Account.

Section 507. Rebate Account. After the payments hereinabove required to be made by Sections 504 through 506 hereof are made and concurrently with the payments required to be made to rebate accounts for any Outstanding Parity Securities heretofore or hereafter issued, the County shall deposit Net Pledged Revenues into the "Washoe County, Nevada, Highway Revenue (Motor Vehicle Fuel Tax) Bonds, Series 2010, Rebate Account" (the "Rebate Account") as required under Section 148 of the Internal Revenue Code of 1986, as amended (the "Tax Code") and regulations promulgated thereunder and shall apply such funds to the extent required to comply with the covenant in Section 823 hereof to make payments to the United States. Any moneys in such account not needed for such purpose shall be transferred to the Highway Fund. Payments into similar rebate accounts for additional Parity Securities shall be made concurrently with payments into the Rebate Account.

Section 508. Termination of Deposits. No payment need be made into the Bond Account, the Reserve Account, or both, if the amount in the Bond Account and the amount in the Reserve Account total a sum at least equal to the entire amount of the Outstanding 2010 Bonds and any Outstanding Parity Securities heretofore or hereafter issued as to all Bond Requirements to their respective maturities or to any redemption date on which the County shall have exercised or shall have obligated itself to exercise its option to redeem prior to their respective maturities the Outstanding 2010 Bonds or any such Outstanding Parity Securities thereafter maturing, and both accrued and not accrued, in which case moneys in those two accounts in an amount, except for any interest or other gain to accrue from any investment of moneys in Federal Securities from the time of any such deposit to the

time or respective times the proceeds of any such investment shall be needed for such payment, at least equal to such Bond Requirements, shall be used together with any such gain from investments solely to pay such Bond Requirements as the same become due; and any moneys in excess thereof in those two accounts and any other moneys derived from the Pledged Revenues may be used in any lawful manner determined by the Governing Body.

Section 509. Defraying Delinquencies. If in any month the County shall for any reason fail to pay into the Bond Account the full amount above stipulated from the Net Pledged Revenues, then an amount shall be paid into the Bond Account in such month from the Reserve Account equal to the difference between that paid from the Net Pledged Revenues and the full amount so stipulated. The money so used shall be replaced in the Reserve Account from the first Net Pledged Revenues thereafter received and not required to be otherwise applied by Sections 505 and 506 hereof. The moneys in the Bond Account and in the Reserve Account shall be used solely and only for the purpose of paying the Bond Requirements of the 2010 Bonds and any Outstanding Parity Securities heretofore or hereafter issued; but any moneys at any time in excess of the Minimum Bond Reserve in the Reserve Account, including, without limitation, any such excess resulting from investment gain as provided in Section 606 hereof, may be withdrawn therefrom, and transferred from time to time to the Bond Account, and used as herein provided for the redemption of the Outstanding 2010 Bonds and any such Outstanding Parity Securities as they become due at maturity, on any Redemption Date, or as they otherwise are made available for payment by purchase in the open market or otherwise; and also any moneys in the Bond Account and in the Reserve Account in excess of the Bond Requirements, both accrued and not accrued, to the respective maturities or designated Redemption Date of the Outstanding 2010 Bonds and any such Outstanding Parity Securities may be used as herein provided.

Section 510. Payment of Additional Subordinate Securities. Fourth, and subject to the provisions hereinabove in this Article V, but subsequent to the payments required by Sections 504, 505, 506, 507 and 508 hereof, as provided in Article VII hereof, any moneys remaining in the Highway Fund may be used by the County for the payment of Bond Requirements of additional Subordinate Securities payable from the Pledged Revenues

and hereafter authorized to be issued in accordance with Article VII and any other provisions herein supplemental thereto, including reasonable reserves for such securities, as the same accrue; but the lien of such additional Bonds or other additional securities on the Pledged Revenues and the pledge thereof for the payment of such additional securities shall be subordinate to the lien and pledge of the 2010 Bonds and any Parity Securities, as herein provided. Payments into reserve funds or accounts for additional Subordinate Securities shall be made after the payments required by Sections 504, 505, 506, 507 and 508 hereof.

Any additional Parity Securities shall be payable from the Bond Account or a separately created reserve fund, pursuant to Sections 505 through 508 hereof but shall not be payable from the Reserve Account created herein solely for the 2010 Bonds.

Section 511. Use of Remaining Revenues. After the transfers hereinabove required to be made by Sections 504 through 510 hereof are made, any remaining Net Pledged Revenues in the Highway Fund may be used at the end of any Fiscal Year or whenever in any Fiscal Year there shall have been credited to the Bond Account, to the Reserve Account and to each other bond fund and reserve fund, if any, for the payment of any additional Parity Securities, all amounts required to be credited to those special accounts for all of that Fiscal Year, both accrued and thereafter becoming due in the balance of the Fiscal Year, as hereinabove provided in this Article V, for any one or any combination of lawful purposes, as the Governing Body may from time to time determine.

ARTICLE VI

GENERAL ADMINISTRATION

Section 601. Administration of Accounts. The special accounts designated in Articles IV and V hereof shall be administered as provided in this Article VI.

Section 602. Places and Times of Deposits. Each of such special accounts shall be maintained as a book account and kept separate from all other accounts as a trust account solely for the purpose herein designated therefor, and the moneys accounted for in such special Bond accounts shall be deposited in one bank account or more in an Insured Bank or Insured Banks as determined and designated by the Governing Body (except as otherwise expressly stated herein). Nothing herein shall prevent the commingling of moneys accounted for in any two (2) or more book accounts pertaining to the Pledged Revenues or to any such fund and any other funds of the County (each of which funds consists of a self-balancing group of accounts and constitutes an independent fiscal and accounting entity) in any bank account or any investment in Permitted Securities hereunder. Each such bank account shall be continuously secured to the fullest extent required or permitted by the laws of the State for the securing of public funds and shall be irrevocable and not withdrawable by anyone for any purpose other than the respective designated purposes. Each periodic payment shall be credited to the proper account not later than the date therefor herein designated, except that when any such date shall be a Saturday, a Sunday or a legal holiday, then such payment shall be made on or before the next preceding secular day.

Section 603. Investment of Moneys. Any moneys in any such account, and not needed for immediate use, may be invested or reinvested by the Treasurer in securities permitted under State law and permitted by any Insurer of the Bonds, except that moneys on deposit in the Reserve Account may only be invested in securities set forth on Appendix I attached hereto provided such securities are permitted under State law (the "Permitted Securities").

Section 604. Scheduling Disbursements. Before the Treasurer invests or reinvests any moneys accounted for in the Acquisition Accounts, the Project Engineer shall

furnish to the Treasurer a certificate setting forth a schedule of amounts and times when funds are estimated by the Project Engineer to be needed to pay the Cost of the Project. The Treasurer may conclusively rely upon the estimates contained in such certificate or any addendum thereto, and shall have no liability or responsibility for any loss on any investment or reinvestment made or changed in accordance with any such certificate or any addendum thereto.

Section 605. Required and Permissive Investments. The Treasurer shall have no obligation to make any investment or reinvestment hereunder, unless any moneys on hand and accounted for in any one account exceeds \$1,000 and at least \$1,000 therein will not be needed for a period of not less than sixty (60) days. In such event the Treasurer shall invest or reinvest in Permitted Securities not less than substantially all the amount which will not be needed during such sixty-day period, except for any moneys on deposit in an interest-bearing account in any Insured Bank, regardless whether such moneys are evidenced by certificate of deposit or otherwise, pursuant to Sections 603 and 608 hereof. The Treasurer may invest or reinvest any moneys on hand at any time as provided in Section 603 hereof even though he is not obligated to do so.

Section 606. Accounting for Investments. The Permitted Securities so purchased as an investment or reinvestment of moneys in any such account shall be deemed at all times to be a part of the account and held in trust therefor. Except as herein otherwise provided, any interest or other gain in any account from any investments and reinvestments in Permitted Securities and from any deposits of moneys in any Insured Bank pursuant to this article shall be credited to the account, and any loss in any account resulting from any such investments and reinvestments in Permitted Securities and from any such deposits in any Insured Bank shall be charged or debited to the account; but any gain from any such investments or reinvestments of moneys in the Reserve Account in excess of the Minimum Bond Reserve (as well as any such excess resulting from other than any investments or reinvestments) may be withdrawn from the Reserve Account and transferred and credited from time to time to the Bond Account. No loss or profit in any account on any investments or reinvestments in Permitted Securities or any certificates of deposit shall be deemed to take

place as a result of fluctuations in the market quotations of the investments, reinvestments or certificates prior to the sale or maturity thereof. In the computation of the amount in any account for any purpose hereunder, except as herein otherwise expressly provided, Permitted Securities and certificates of deposit shall be valued at the cost thereof (including any amount paid as accrued interest at the time of the purchase of the obligation) and other bank deposits shall be valued at the amounts deposited, exclusive of any accrued interest or any other gain to the County until such gain is realized by the presentation for payment, or otherwise. The expenses of purchase, safekeeping, sale and all other expenses incident to any investment or reinvestment of moneys pursuant to this article VI shall be accounted for as Administrative Expenses, as permitted by Section 504 hereof.

Section 607. Redemption or Sale of Permitted Securities. The Treasurer shall present for redemption at maturity or sale on the prevailing market at the best price obtainable any Permitted Securities and certificates of deposit so purchased as an investment or reinvestment of moneys in any account whenever it shall be necessary so to do in order to provide moneys to meet any withdrawal, payment or transfer from such account. Neither the Treasurer nor any other officer of the County shall be liable or responsible for any loss resulting from any such investment or reinvestment made in accordance with this Ordinance.

The Treasurer shall promptly notify the Chief Financial Officer and the Governing Body of any gain or loss in any account.

Section 608. Character of Funds. The moneys in any account herein authorized shall consist either of lawful money of the United States or Permitted Securities, or both such money and such securities. Moneys deposited in a demand or time deposit account in or evidenced by a certificate of deposit of any Insured Bank, pursuant to Section 602 hereof, appropriately secured according to the laws of the State, shall be deemed lawful money of the United States.

Section 609. Accelerated Payments. Nothing contained in Article V hereof prevents the accumulation in any account herein designated of any monetary requirements at a faster rate than the rate or minimum rate, as the case may be, provided in Article V; but no payment shall be accelerated if such acceleration shall cause the Governing Body to default

in the payment of any obligation of the County pertaining to the Pledged Revenues. Nothing herein contained requires in connection with the Pledged Revenues received in any Fiscal Year the accumulation of monetary requirements in any account for the payment in the Comparable Bond Year of Bond Requirements due in connection with any series of bonds or other securities payable from the Pledged Revenues and heretofore, herein or hereafter authorized, in excess of such Bond Requirements due in such Comparable Bond Year, or of any reserves required to be accumulated and maintained therefor, and of any existing deficiencies, and payable from such account, as the case may be, except as may be otherwise provided herein.

Section 610. Payment of Bond Requirements. The moneys credited to any account designated in Article V hereof for the payment of the Bond Requirements due in connection with any series of bonds or other securities payable from the Pledged Revenues and heretofore, herein or hereafter authorized shall be used, without requisition, voucher, warrant or further order or authority (other than is contained herein) or any other preliminaries, to pay promptly the Bond Requirements payable from such account as such securities become due, upon the respective redemption dates, if any, on which the County is obligated to pay such securities, or upon the respective interest payment and bond maturity dates of such securities, as provided therefor herein or otherwise, except to the extent any other moneys are available therefor, including, without limitation, moneys accounted for in the Bond Account.

Section 611. Payment of Redemption Premiums. Notwithstanding any other provision herein, this Ordinance requires the accumulation in any account designated in Article V hereof for the payment of any series of bonds or other securities payable from the Pledged Revenues of amounts sufficient to pay not only the principal thereof and interest thereon, but also the prior redemption premiums due in connection therewith, as the same become due, whenever the County shall have exercised or shall have obligated itself to exercise a prior redemption option pertaining thereto, except to the extent provision is otherwise made therefor, if any prior redemption premium is due in connection therewith. In

such event moneys shall be deposited into such account in due season for the payment of all such Bond Requirements without default as the same become due.

ARTICLE VII

SECURITIES LIENS AND ADDITIONAL SECURITIES

Section 701. Lien of the 2010 Bonds on the Net Pledged Revenues. The 2010 Bonds authorized herein, subject to the payment of Administrative Expenses and Direct Distributions, constitute an irrevocable lien (but not an exclusive lien) upon the Gross Revenues (i.e. the Net Pledged Revenues).

Section 702. Equality of Bonds. The 2010 Bonds authorized to be issued hereunder and any Parity Securities heretofore or hereafter authorized to be issued and from time to time Outstanding are equitably and ratably secured by a lien on the Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Pledged Revenues regardless of the time or times of the issuance of such securities, it being the intention of the Governing Body that there shall be no priority among the 2010 Bonds and any such Parity Securities regardless of the fact that they may be actually issued and delivered at different times.

Section 703. Issuance of Parity Securities. Nothing in this Ordinance contained, subject to the limitations stated in Section 713 hereof, prevents the issuance by the County of additional Parity Securities payable from the Pledged Revenues and constituting a lien thereon on a parity with, but not prior nor superior to, the lien thereon of the 2010 Bonds or prevents the issuance of bonds or other securities refunding all or a part of the 2010 Bonds, except as provided in Sections 708 through 713 hereof; but before any such additional Parity Securities are authorized or actually issued (excluding any parity refunding bonds or other refunding Parity Securities other than any securities refunding Parity Securities, as permitted in Section 709 hereof).

A. Absence of Default. At the time of the adoption of the supplemental instrument authorizing the issuance of the additional securities as provided in

Section 713 hereof, the County shall not be in default in making any payments required by Article V hereof.

B. Historic Earnings Test. The Net Pledged Revenues derived in any twelve consecutive months of the last eighteen months of the Fiscal Year immediately preceding the date of the issuance of such additional Parity Securities shall have been at least sufficient to pay an amount equal to 125% of the Combined Maximum Annual Principal and Interest Requirements of the Outstanding 2010 Bonds and any other Outstanding Parity Securities of the County and the Parity Securities proposed to be issued (excluding any reserves therefor), except as hereinafter otherwise expressly provided.

C. Adjustment of Pledged Revenues. If any Fuel Tax constituting supplemental Pledged Revenues had not accrued and been payable for the full Fiscal Year immediately preceding the date of the issuance of any such additional Parity Securities, any amount of Net Pledged Revenues which was actually collected for the designated Fiscal Year may be increased to an amount which it is estimated would have been collected if such Fuel Tax had accrued and been payable for the full Fiscal Year designated based upon the known collections of Net Pledged Revenues preceding such adjustment.

In any computation of such earnings test as to whether or not Parity Securities may be issued as provided in Section 703B, the amount of the Pledged Revenues for the twelve consecutive months of the last eighteen months of the Fiscal Year immediately preceding the date of the issuance shall be decreased by, and may be increased by, the amount of any loss or gain conservatively estimated by the Chief Financial Officer making the computations under such Section (with an annual inflation factor for gains not to exceed 3%), which loss or gain results from any change in the rate of the levy of that part of the Fuel Taxes constituting a part of the Pledged Revenues which change took effect during the twelve consecutive months of the last eighteen months of the Fiscal Year immediately preceding the date of the issuance or shall take effect during any succeeding Fiscal Year prior to or following the issuance of such Parity Securities, as if such modified rate shall have been in effect during the entire twelve consecutive months of the last eighteen months of the Fiscal

Year immediately preceding the date of the issuance and as if such change shall have been made before the computation of the designated earnings test.

D. Reduction of Annual Requirements. The respective annual Bond Requirements (including as such a requirement for the purposes of this Section 703 the amount of any prior redemption premiums due on any prior redemption date as of which the County shall have exercised or shall have obligated itself to exercise its prior redemption option) shall be reduced to the extent such Bond Requirements are scheduled to be paid in each of the respective Bond Years with moneys held in trust or in escrow for that purpose by any trust bank within or without the State, including the known minimum yield from any investment in Federal Securities.

Section 704. Certification of Revenues. A written certification or written opinion by the Chief Financial Officer or an Independent Accountant, based upon estimates thereby as provided in subsection C of Section 703 hereof, that such Net Pledged Revenues, when adjusted as hereinabove provided in subsections C and D of Section 703 hereof, are sufficient to pay such amounts, as provided in subsection B of Section 703 hereof, shall be conclusively presumed to be accurate in determining the right of the County to authorize, issue, sell and deliver additional bonds of other additional securities on a parity with the 2010 Bonds.

Section 705. Subordinate Securities Permitted. Nothing herein contained, subject to the limitations stated in Section 713 hereof, prevents the County from issuing additional Subordinate Securities payable from the Pledged Revenues and having a lien thereon subordinate, inferior and junior to the lien thereon of the 2010 Bonds.

Section 706. Superior Securities Prohibited. Nothing herein contained permits the County to issue additional bonds or other additional Superior Securities payable from the Pledged Revenues and having a lien thereon prior and superior to the lien thereon of the 2010 Bonds.

Section 707. Use of Proceeds. The proceeds of any additional bonds or other additional securities (other than any funding or refunding securities) payable from the

Pledged Revenues shall be used only for bettering, enlarging, extending and otherwise improving the facilities (or any combination thereof).

Section 708. Issuance of Refunding Securities. At any time after the 2010 Bonds, or any part thereof, are issued and remain Outstanding, if the Governing Body shall find it desirable to refund any Outstanding Bonds or other Outstanding securities payable from and constituting a lien upon the Pledged Revenues, such Bonds or other securities, or any part thereof, may be refunded (but only with the consent of the owner or owners of all such Outstanding securities unless the Bonds or other securities at the time or times of their required surrender for payment shall then mature or shall be then callable for prior redemption for refunding purposes at the County's option upon proper call), regardless whether the priority of the lien for the payment of the refunding securities on the Pledged Revenues is changed (except as provided in Sections 706 and 709 through 713 hereof).

Section 709. Partial Refundings. The refunding bonds or other refunding securities so issued shall enjoy complete equality of lien with the portion of any bonds or other securities of the same issue which is not refunded, if there are any; and the owner or owners of such refunding bonds or such other refunding securities shall be subrogated to all of the rights and privileges enjoyed by the owner or owners of the unrefunded bonds or other unrefunded securities of the same issue partially refunded by the refunding securities.

Section 710. Limitations Upon Refundings. Any refunding bonds or other refunding securities payable from the Pledged Revenues shall be issued with such details as the Governing Body may by instrument provide, subject to the provisions of Section 713 hereof, and subject to the inclusion of any such rights and privileges designated in Section 709 hereof, but without any impairment of any contractual obligation imposed upon the County by any proceedings authorizing the issuance of any unrefunded portion of such Outstanding securities of any one or more issues (including but not necessarily limited to the 2010 Bonds).

Section 711. Protection of Securities Not Refunded. If only a part of the Outstanding Bonds and any other Outstanding securities of any issue or issues payable from

the Pledged Revenues is refunded, then such securities may not be refunded without the consent of the holder or holders of the unrefunded portion of such securities:

A. Requirements Not Increased. C. Default and Earnings Test. Unless the refunding bonds or other refunding securities are issued in compliance with Sections 703 and 704 hereof.

Section 712. Payment Dates of Additional Securities. Section 802. Performance of Duties. The County, acting by and through the Governing Body or otherwise, will faithfully and punctually perform or cause to be performed all duties with respect to the Pledged Revenues and the Facilities required by the Constitution and laws of the State and the various instruments of the County, including, without limitation, the proper segregation of the proceeds of the 2010 Bonds and Pledged Revenues and their application to the respective accounts provided from time to time therefor.

Section 803. Contractual Obligations. The County shall perform all contractual obligations undertaken by it under the contract to purchase the Bonds with the Underwriters and any other agreements relating to the Bonds, the Pledged Revenues and the Project (or any combination thereof) with all other Persons.

Section 804. Further Assurances. At any and all times the County shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge, deliver and file or record all and every such further instruments, acts, deeds, conveyances, assignments, transfers, other documents, and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, the Pledged Revenues, and other moneys and accounts hereby pledged or assigned, or intended

so to be, or which the County may hereafter become bound to pledge or to assign, or as may be reasonable and required to carry out the purposes of this Ordinance and to comply with the Project Act and the Bond Act. The County, acting by and through the Governing Body, or otherwise, shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Pledged Revenues and other moneys and accounts pledged hereunder and all the rights of every holder of any Bond hereunder against all claims and demands of all Persons whomsoever.

Section 805. Conditions Precedent. Upon the date of issuance of any 2010 Bonds, all conditions, acts and things required by the Federal or State Constitution or Federal or State statutes to exist, to have happened, and to have been performed precedent to or in the issuance of the Bonds shall exist, have happened, and have been performed; and the Bonds, together with all other obligations of the County shall not contravene any debt or other limitation prescribed by the State Constitution or statutes.

Section 806. Rules, Regulations and Other Details. The County, acting by and through the Governing Body, shall establish and enforce reasonable rules and regulations governing the Fuel Taxes. All compensation, salaries, fees and other charges paid by it in connection with the Fuel Taxes shall be reasonable. The County shall observe and perform all of the terms and conditions contained in the Project Act and the Bond Act and shall comply with all valid acts, rules, regulations, orders and directions of any legislative, executive, administrative or judicial body applicable to the Fuel Taxes or to the County.

Section 807. Payment of Governmental Charges. The County shall not create or suffer to be created any lien or charge upon the Pledged Revenues, except the pledge and lien created by this Ordinance for the payment of the Bond Requirements due in connection with the 2010 Bonds, and except

as herein otherwise permitted. The County shall pay or cause to be discharged or shall make adequate provision to satisfy and to discharge, within sixty (60) days after the same shall become payable, all lawful claims and demands for labor, materials, supplies or other objects which, if unpaid, might by law become a lien upon the Facilities, or any part thereof, or the Pledged Revenues; but nothing in this section contained requires the County to pay or to cause to be discharged or to make provision for any such lien or charge, so long as the validity thereof is contested in good faith and by appropriate legal proceedings.

Section 808. Protection of Security. The County, the officers, agents and employees of the County, and the Governing Body shall not take any action in such manner or to such extent as might prejudice the security for the payment of the Bond Requirements of the securities payable from the Pledged Revenues according to the terms of such securities. No contract shall be entered into nor any other action taken by which the rights of any holder of any Bond or any other security payable from the Pledged Revenues might be impaired or diminished.

Section 809. Accumulation of Interest Claims. In order to prevent any accumulation of claims for interest after maturity, the County shall not directly or indirectly extend or assent to the extension of the time for the payment of any claim for interest on any of the 2010 Bonds or any other securities payable from the Pledged Revenues; and the County shall not directly or indirectly be a party to or approve any arrangements for any such extension or for the purpose of keeping any of such claims for interest. If the time for the payment of any such installment of interest is extended in contravention of the foregoing provisions, such installment or installments of interest after such extension or arrangement shall not be entitled in case of default hereunder to the benefit or the security of this Ordinance, except upon the prior payment in full of the principal of all Bonds and any other securities then Outstanding and of all matured interest on such securities the payment of which has not been extended.

Section 810. Prompt Payment of Bonds. The County shall promptly pay the Bond Requirements of every 2010 Bond issued hereunder and secured hereby at the

place, on the dates, and in the manner specified herein and in the Bonds according to the true intent and meaning hereof.

Section 811. Use of Bond and Reserve Accounts. The Bond Account and the Reserve Account shall be used solely and only and the moneys credited to such accounts are hereby pledged for the purpose of paying the Bond Requirements of the 2010 Bonds and any Parity Securities heretofore or hereafter authorized, except for those moneys in the Bond Account and in the Reserve Account as are in excess of such Bond Requirements, both accrued and not accrued, to their respective maturities or any other due dates (subject to the provisions concerning surplus moneys in Sections 508, 509 and 606 hereof), and except for those moneys in the Reserve Account in excess of the Minimum Bond Reserve, as hereinabove provided.

Section 812. Additional Securities. The County shall not hereafter issue any Bonds or other securities payable from the Pledged Revenues so long as any 2010 Bonds herein authorized are Outstanding, unless such additional Bonds or other securities are issued in conformance with the provisions of Articles V and VII hereof.

Section 813. Other Liens. Other than as provided by this Ordinance, there are no liens or encumbrances of any nature whatsoever on or against the Pledged Revenues.

Section 814. Corporate Existence. The County shall maintain its corporate identity and existence so long as any of the Bonds issued hereunder remain Outstanding, unless another body corporate and politic by operation of law succeeds to the powers, privileges, rights, liabilities, disabilities, duties and immunities of the County and is obligated by law to levy and collect or cause to be levied and collected the Fuel Taxes herein provided without adversely affecting to any substantial degree the privileges and rights of any holder of any Outstanding Bond at any time.

Section 815. Fidelity Bonds. Each official of the County or other person having custody of any Pledged Revenues or of any other moneys pertaining thereto, including, without limitation, Bond proceeds, or responsible for the handling of such moneys, shall be bonded at all times in an amount of at least \$500,000, including by self insurance, which bond shall be conditioned upon the proper application of such funds (but

need not necessarily be limited thereto). The costs of each such bond or a reasonably allocated share of the costs of any such blanket bond may be considered and paid as Administrative Expenses.

Section 816. Maintenance of Fuel Taxes. While the Bonds or any of them remain Outstanding and unpaid, the County shall cause Fuel Taxes to be levied and collected in amounts of not less than nine cents (9 cents) per gallon on all motor vehicle fuel sold, distributed or used in the County, not less than the amount required by paragraph (d) of subsection 1 of NRS 373.065 on all motor vehicle fuel sold, distributed or used in the County and not less than the amount required pursuant to paragraphs (d) to (m), inclusive, of subsection 1 of section 3 of Chapter 501, Statutes of Nevada 2009 on certain special fuels sold, distributed or used in the County, as provided in this Ordinance, in the Tax Ordinance, in the Project Act, and in the Tax Act, except as otherwise provided in this Ordinance, such ordinance and such acts, including, without limitation, provisions therein for any deductions and any refunds not constituting Administrative Expenses or Direct Distributions, and so including provisions in this Ordinance, such Ordinance and such acts pertaining to exempt sales and other exempt transactions, or to amounts derived from any other excise taxes pertaining to motor vehicle fuel of at least an equivalent value and pledged in lieu of such present taxes, regardless of whether now or hereafter fixed and imposed.

Section 817. Collection of Fuel Taxes. The County shall cause all proceeds of the Fuel Taxes to be collected as soon as reasonable, shall prescribe and enforce rules and regulations for the payment thereof, and shall provide methods of collection, by the Department, or otherwise, and penalties, to the end that the Net Pledged Revenues shall be adequate to meet the requirements hereof.

Section 818. Records. So long as any of the Bonds and any other securities payable from the Pledged Revenues remain Outstanding, proper records and accounts will be kept by the County, separate and apart from other records and accounts, showing complete and correct entries of all transactions relating to the Fuel Taxes upon their receipt by the County from the State or otherwise. Such records shall include (but not necessarily be limited to) monthly or quarterly records showing:

All requisitions, requests, certificates, opinions and other documents received by any Person on behalf of the County in connection with the Fuel Taxes under the provisions of this Ordinance shall be retained in his possession or in the County's official records.

Section 819. Rights Concerning Records and Facilities. Any owner of any of the 2010 Bonds or any other securities payable from the Pledged Revenues or any duly authorized agent or agents of such owner, or the Underwriters shall have the right at all reasonable times to inspect all records, accounts and data of the County relating thereto, concerning the Pledged Revenues, and to make copies of such records, accounts and data.

Section 820. Audits Required. The County and/or RTC, within ninety (90) days following the close of the Fiscal Year, shall order an audit for the Fiscal Year of such books and accounts to be made forthwith by an Independent Accountant, and shall order an audit report showing the receipts and disbursements for each account of the County and/or RTC pertaining to the Pledged Revenues, and such audit report will be available for inspection by the Underwriters, or any owner of any of the securities payable from the

Pledged Revenues. Nothing herein contained requires an audit of any records and accounts of the Department.

Section 821. Contents of Audit Reports. Each such audit report, in addition to whatever matters may be thought proper by the accountant to be included therein, shall include the following:

A. Statement. A statement in detail of the income and expenditures concerning the Fuel Taxes for the audit period, including, without limitation, a statement of Gross Pledged Revenues (at least to the extent of their receipt by the County) and of the Net Pledged Revenues;

D. Recapitulation. A recapitulation of each account created by the various ordinances, and any other proceedings authorizing the issuance of Outstanding Bonds and any other Outstanding securities payable from the Pledged Revenues, into which account are put moneys derived from the Fuel Taxes, any sale of Federal Securities or Permitted Securities, and any sale of such Outstanding Bonds and any other such Outstanding securities of the County, or any other properties thereof, such analysis to show the balance in such account at beginning of the audit period, the deposits and withdrawals during such period, and the balance at the end of such period.

Section 822. Distribution of Audit Reports. The County agrees to furnish within nine months following the end of each Fiscal Year, a copy of such report to the

National Repositories as set forth in the Continuing Disclosure Certificate referred to in section 824 herein. A copy of each such report shall be kept on file in the records of the County for public inspection.

Section 823. Tax Covenant.

A. 2010A Bonds. The County covenants for the benefit of the owners of the 2010A Bonds that it will not take any action or omit to take any action with respect to the 2010A Bonds, the proceeds thereof, any other funds of the County or any facilities financed or refinanced with the proceeds of the 2010A Bonds if such action or omission (i) would cause the interest on the 2010A Bonds to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Tax Code or (ii) would cause interest on the 2010A Bonds to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Tax Code. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the 2010A Bonds until the date on which all obligations of the County in fulfilling the above covenant under the Tax Code have been met.

B. 2010B Bonds. The County hereby makes an irrevocable election that Section 54AA of the Tax Code shall apply to the 2010B Bonds and that subsection (g) of Section 54AA of the Tax Code will also apply to the 2010B Bonds so that the County will directly receive the BAB Credit provided in Section 6431 of the Tax Code in lieu of any credit otherwise available to the 2010B Bond holders under section 54AA(a) of the Tax Code. None of the holders of the 2010B Bonds shall be entitled to any credit under Section 54AA(a) of the Tax Code. The County covenants that it will not take any action or omit to take any action with respect to the 2010B Bonds, the proceeds thereof, any other funds of the County or any project financed with the proceeds of the 2010B Bonds if such action or omission would cause the County to not be entitled to the BAB Credit with respect to the 2010B Bonds. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the 2010B Bonds until the date on which all obligations of the County in fulfilling the above covenant under the Tax Code have been met. The County shall timely file any document required by the Internal Revenue Service to be filed

in order to claim the BAB Credit. Any BAB Credit received by the County under Section 6431 of the Tax Code with respect to the 2010B Bonds shall be deposited into the Bond Account, and used to pay interest on the 2010B Bonds or to reimburse the County for amounts it has used to pay that interest.

C. 2010C Bonds. The County hereby makes an irrevocable election that Section 54AA of the Tax Code shall apply to the 2010C Bonds. The County also hereby designates the 2010C Bonds as “Recovery Zone Economic Development Bonds” for purposes of Section 1400U-2 of the Tax Code, so that the County will directly receive the RZEDB Credit provided in Sections 1400U-2 and 6431(b) of the Tax Code in lieu of any credit otherwise available to the holders of the 2010C Bonds under Section 54AA(a) of the Tax Code. None of the holders of the 2010C Bonds shall be entitled to any credit under Section 54AA(a) of the Tax Code. The County represents that it has received an amount of Recovery Zone Economic Development Bond allocation under Section 1400U-1 of the Tax Code at least equal to the aggregate face amount of the 2010C Bonds. The County hereby covenants will not take any action or omit to take any action with respect to the 2010C Bonds, the proceeds thereof, any other funds of the County or any project financed with the proceeds of the 2010C Bonds if such action or omission would cause the County to not be entitled to the RZEDB Credit with respect to the 2010C Bonds. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the 2010C Bonds until the date on which all obligations of the County in fulfilling the above covenant under the Tax Code have been met. The County shall timely file any document required by the Internal Revenue Service to be filed in order to claim the RZEDB Credit. Any RZEDB Credit received by the County with respect to the 2010C Bonds shall be deposited into the Bond Account, and used to pay interest on the 2010C Bonds or to reimburse the County for amounts it has used to pay that interest.

Section 824. Continuing Disclosure Undertaking. The County and the Transportation Commission covenant for the benefit of the holders and the beneficial owners of the Bonds to comply with the provisions of the final Continuing Disclosure Certificates, which shall be in substantially the forms now on file with the County Clerk, to be executed

by the Chief Financial Officer of the Transportation Commission and delivered in conjunction with the delivery of the Bonds.

ARTICLE IX

MISCELLANEOUS

Section 901. Defeasance. When all Bond Requirements of any 2010 Bond have been duly paid, the pledge and lien and all obligations hereunder as to that Bond shall thereby be discharged and the Bond shall no longer be deemed to be Outstanding within the meaning of this Ordinance; provided, however, that if the principal of or interest on the 2010 Bond shall be paid by any Insurer of the 2010 Bond, the pledge of the Pledged Revenues and all covenants, agreements, and other obligations of the County to the owners hereunder shall continue to exist and such Insurer shall be subrogated to the rights of the owners. There shall be deemed to be such due payment when the County has placed in escrow or in trust with a trust bank located within or without the State, an amount sufficient (including the known minimum yield available for such purpose from Federal Securities in which such amount wholly or in part may be initially invested) to meet all Bond Requirements of the 2010 Bond, as the same become due to the final maturity of the Bond or upon any prior redemption date as of which the County shall have exercised or shall have obligated itself to exercise its prior redemption option. The Federal Securities shall become due prior to the respective times on which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the County and such bank at the time of the creation of the escrow or trust, or the Federal Securities shall be subject to redemption at the option of the holders thereof to assure such availability as so needed to meet such schedule. In the case of the 2010B Bonds and the 2010C Bonds, the County is obligated to contribute additional securities or monies to the escrow or trust if necessary to provide sufficient amounts to satisfy the payment obligations on the 2010B Bonds and the 2010C Bonds, respectively.

Section 902. Delegated Powers. The officers of the County and the Transportation Commission be, and they hereby are, authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Ordinance, including, without limitation:

(2) The tenure and identity of the officials of the Governing Body and of the County,

(3) The exemption of interest on the Bonds from federal income taxation,

(4) The adequacy and completeness of the official statement,

(5) The delivery of the Bonds and the receipt of the Bond purchase price, and

(6) If it is in accordance with fact, the absence of litigation, pending or threatened, affecting the validity thereof;

C. Information. The assembly and dissemination of financial and other information concerning the County and the Bonds;

D. Official Statement. The preparation and execution of the Final Official Statement for use for prospective buyers of the Bonds, including, without limitation, such use by the Underwriters and its associates, if any; and

E. Bond Issuance. The execution of the Bond Purchase Agreement, an agreement with the Paying Agent and Registrar regarding obligations of the Paying Agent and Registrar hereunder and for the Bonds in substantially the form on file with the County Clerk with such changes as may be approved by the Finance Director and the sale and issuance of the Bonds pursuant to the provisions of this Ordinance and to any supplemental instrument.

Section 903. Statute of Limitations. No action or suit based upon any Bond, or other obligation of the County shall be commenced after it is barred by any statute of limitations pertaining thereto. Any trust or fiduciary relationship between the County and the owner of any Bond or other obligee regarding any such obligation shall be conclusively presumed to have been repudiated on the maturity date or other due date thereof unless the Bond is presented for payment or demand before the expiration of the applicable limitation period. Any moneys from whatever source derived remaining in any account reserved, pledged or otherwise held for the payment of any such obligation, action or suit shall revert to the Highway Fund, unless the Governing Body shall otherwise provide by instrument of the County. Nothing hereby contained prevents the payment of any such obligation after any action or suit for its collection has been barred if the Governing Body deems it in the best interests of the public so to do and orders such payment to be made.

Section 904. Evidence of Bondowners. Any request, consent or other instrument which the Ordinance may require or may permit to be signed and to be executed by the owner of any Bonds may be in one or more instruments of similar tenor and shall be signed or shall be executed by each such owner in person or by his attorney appointed in writing. Proof of the execution of any such instrument or of an instrument appointing any such attorney, or the holding by any Person of the Bonds, shall be sufficient for any purpose of this Ordinance (except as otherwise herein expressly provided) if made in the following manner:

A. Proof of Execution. The fact and the date of the execution by any owner of any Bonds or his attorney of such instrument may be provided by the certificate, which need not be acknowledged or verified, of an officer of a bank or trust company satisfactory to the Clerk or of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the individual signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer; the authority of the individual or individuals executing any such instrument on behalf of a corporate owner of any Bonds may be established without further

proof if such instrument is signed by an individual purporting to be the president or vice president of such corporation with a corporate seal affixed and attested by an individual purporting to be its secretary or an assistant secretary; and the authority of any Person or Persons executing any such instrument in any fiduciary or representative capacity may be established without further proof if such instrument is signed by a Person or Persons purporting to act in such fiduciary or representative capacity; and

B. Proof of Holdings. The amount of the 2010 Bonds owned by any Person executing any instrument as an owner of Bonds and the numbers, date and other identification thereof, together with the date of his holding the Bonds, may be proved by reference to the registration records kept by the Registrar or may be provided by a certificate which need not be acknowledged or verified, in form satisfactory to the Clerk, executed by a member of a financial firm or by an officer of a bank or trust company, insurance company or financial corporation or other depository satisfactory to the Clerk, or by any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, showing at the date therein mentioned that such Person exhibited to such member, officer, notary public or other officer so authorized to take acknowledgments of deeds or had on deposit with such depository the Bonds described in such certificate; and such certificate may be given by a member of a financial firm or by an officer of any bank, trust company, insurance company or financial corporation or depository satisfactory to the Clerk or by a notary public or other officer so authorized to take acknowledgments of deeds with respect to Bonds owned by such holder, if acceptable to the Clerk; but the Clerk may nevertheless in his discretion require further or other proof in cases where he deems the same advisable.

Section 905. Warranty Upon Issuance of Bonds. Any Bonds, when duly executed and delivered for the purpose provided in this Ordinance, shall constitute a warranty by and on behalf of the County for the benefit of each and every future holder of any of the Bonds that the Bonds have been issued for a valuable consideration in full conformity with law.

Section 906. Immunities of Underwriters. The Underwriters and any associate thereof are under no obligation to any owner of the Bonds for any action that they may or may not take or in respect of anything that they may or may not do by reason of any information contained in any reports or other documents received by them under the provisions of this Ordinance. The immunities and exemptions from liability of the Underwriters and any associate thereof hereunder extend to their partners, directors, successors, employees and agents.

Section 907. Prior Contracts. Nothing herein contained impairs the County's obligation of contracts with any Person in connection with the County, including, without limitation, the Pledged Revenues, the Outstanding 2010 Bonds, this Ordinance, the Facilities, and the Project (or any combination thereof). If any provision herein is inconsistent with any provision in any existing contract pertaining to the County in such a manner as to effect prejudicially and materially the rights and privileges thereunder, so long as such contract shall remain viable and in effect such provision therein shall control such inconsistent provision herein and the latter provision shall be subject and subordinate to such provision in such existing contract.

Section 908. Replacement of Registrar or Paying Agent. If the Registrar or Paying Agent initially appointed hereunder shall resign, or if the Board, on the behalf and in the name of the County, shall reasonably determine that the Registrar or Paying Agent has become incapable of performing its duties hereunder, the Board for the County may, upon notice mailed to each owner of any Bond at his address last shown on the registration records, appoint a successor Registrar or Paying Agent, or both. No resignation or dismissal of the Registrar or Paying Agent may take effect until a successor is appointed. Every such successor Registrar or Paying Agent shall be a trust bank. It shall not be required that the same institution serve as both Registrar and Paying Agent hereunder, but the Board shall have the right to have the same institution serve as both Registrar and Paying Agent hereunder.

Any corporation or association into which the Registrar or Paying Agent may be converted or merged, or with which they may be consolidated, or to which they may sell

or transfer their corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer, to which they are a party, shall be and become the successor Registrar or Paying Agent under this Ordinance, without the execution or filing of any instrument or any further act, deed, or conveyance on the part of any of the parties hereto, anything in this Ordinance to the contrary notwithstanding.

ARTICLE X

F. Default of Any Provision. The County shall make default in the due and punctual performance of any other of the representations, covenants, conditions, agreements and other provisions contained in the Bonds or in this Ordinance on its part to be performed, and if such default shall continue for sixty (60) days after written notice specifying such default and requiring the same to be remedied shall have been given to the County by either the Underwriters of the Bonds or by the owners of at least ten percent (10%) in aggregate principal amount of the Bonds then Outstanding.

All

such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all holders of the Bonds then Outstanding.

Section 1005. Receiver's Rights and Privileges. Any receiver appointed in any proceedings to protect the rights of such holders hereunder, the consent of any such appointment being hereby expressly granted by the County, may collect, receive and apply all Pledged Revenues arising after the appointment of such receiver in the same manner as the County itself might do.

Section 1006. Rights and Privileges Cumulative. The failure of any owner of any Outstanding Bond to proceed in any manner herein provided shall not relieve the County, its Governing Body, or any of its officers, agents or employees of any liability for failure to perform or carry out any duty, obligation or other commitment. Each right or privilege of any such holder (or trustee hereof) is in addition and is cumulative to any other right or privilege, and the exercise of any right or privilege by or on behalf of any owner shall not be deemed a waiver of any other right or privilege thereof.

Section 1007. Duties Upon Defaults. Upon the happening of any of the events of default as provided in Section 1003 hereof, the County, in addition, shall do and perform all proper acts on behalf of and for the owners of Bonds to protect and to preserve the security created for the payment of their Bonds and to insure the payment of the Bond Requirements promptly as the same become due. During any period of default, so long as any of the Bonds issued hereunder, as to any Bond Requirements, are Outstanding, except to the extent it may be unlawful to do so, all Pledged Revenues shall be paid into the Bond Account. If the County fails or refuses to proceed as in this Section provided, the holder or holders of not less than ten percent (10%) in aggregate principal amount of the 2010 Bonds then Outstanding, after demand in writing, may proceed to protect and to enforce the rights of the owners of the Bonds as hereinabove provided; and to that end any such holders of Outstanding Bonds shall be subrogated to all rights of the Issuer under any agreement or contract involving the Pledged Revenues entered into prior to the effective date of this Ordinance or thereafter while any of the Bonds are Outstanding.

Section 1008. Duties in Bankruptcy Proceedings. If any Person obligated to pay any Fuel Tax proceeds under any laws of the United States relating to bankruptcy, including, without limitation, any action under any law providing for corporate reorganization, it shall be the duty of the County, and its appropriate officers are hereby authorized and directed, to take all necessary steps for the benefit of the holders of the Bonds in such proceedings, so including the filing of any claims for unpaid Fuel Tax proceeds and other payments to or otherwise arising from the breach of any of the covenants, terms or conditions of any instrument or obligation pertaining to the Pledged Revenues, except to the extent that the State acting by and through the Department or otherwise takes such action, unless the Governing Body by resolution or other instrument determines that the costs of such action are likely to exceed the amounts thereby recovered from such taxpayer.

Section 1009. Prejudicial Action Unnecessary. Nothing in this article requires the County to proceed as provided herein if the Governing Body determines in good faith and without any abuse of its discretion that if the County so proceeds it is more likely than not to incur a net loss rather than a net gain or such action is otherwise likely to affect materially and prejudicially the holders of the Outstanding 2010 Bonds and any Outstanding Parity Securities.

Section 1010. Rights of Insurer. Notwithstanding the foregoing provisions of this Article X, after any Event of Default consisting of nonpayment of principal or interest as provided in Section 1003(A) or (B) hereof, and so long as any Insurer of the 2010 Bonds is not in default under its policy of insurance relating to payment of the 2010 Bonds, any such Insurer of the 2010 Bonds shall have the complete and exclusive right to pursue and enforce any and all remedies available to the owners of the 2010 Bonds under this Ordinance.

ARTICLE XI

AMENDMENT OF ORDINANCE; MUNICIPAL BOND INSURANCE

Section 1101. Privilege of Amendments. This Ordinance may be amended or supplemented by instruments adopted by the Governing Body in accordance with the laws of the State, without receipt by the County of any additional consideration, but with the written consent of the Insurer or the holders of not less than sixty-six percent (66%) in aggregate principal amount of the 2010 Bonds and any Parity Securities heretofore or hereafter issued and Outstanding at the time of the adoption of such amendatory or supplemental instrument, not including in any case any Bonds or Parity Securities which may then be held or owned for the account of the County, but including such refunding securities as may be issued for the purpose of refunding any of the Bonds issued hereunder or any Parity Securities if such refunding securities are not owned by the County.

Section 1102. Limitations Upon Amendments. No such instrument shall permit:

A. Changing Payment. A change in the maturity or in the terms of redemption of the principal of any Outstanding Bond or any Parity Securities or any installment of interest thereon; or

B. Reducing Return. A reduction in the principal amount of any Bond or any Parity Securities, the rate of interest thereon, or any prior redemption premium payable in connection therewith, without the consent of the holder of the Bond or Parity Securities; or

C. Prior Lien. The creation of a lien upon or a pledge of revenues ranking prior to the lien or to the pledge created by this Ordinance; or

D. Modifying Any Bond. A reduction of the principal amount or percentages or otherwise affecting the description of Bonds or Parity Securities or the consent of the holders of which is required for any such modification or amendment; or

E. Priorities Between Bonds. The establishment of priorities as between Bonds and Parity Securities issued and Outstanding under the provisions of this Ordinance or another County ordinance; or

F. Partial Modification. The modifications of or otherwise prejudicially affecting the rights or privileges of the holders of less than all of the Bonds and Parity Securities then Outstanding.

G. Consent of Insurer. Notwithstanding the foregoing provisions of this Article XI, as to any 2010 Bonds the payment of which is insured by any Insurer, the written consent of such Insurer, in lieu of the written consent of the owners of the 2010 Bonds, must be obtained in order for such 2010 Bonds to be counted toward the amount required to consent to an amendment of this Ordinance.

Section 1103. Notice of Amendment. Whenever the Governing Body proposes to amend or modify this Ordinance under the provisions of this article, it shall cause notice of the proposed amendment to be mailed within thirty (30) days to the registered owners of the Bonds and any Parity Securities, and the Insurer, if any, or to any successor thereof known to the Clerk. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy of the proposed amendatory instrument is on file in the office of the Clerk for public inspection.

A. Time for Amendment. Whenever at any time within one (1) year from the last date of the mailing of such notice there shall be filed in the office of the Clerk an instrument or instruments executed by the owners of at least sixty-six percent (66%) in aggregate principal amount of the Bonds and Parity Securities then Outstanding, which instrument or instruments shall refer to the proposed amendatory instrument described in such notice and shall specifically consent to and approve the adoption of such instrument, thereupon, but not otherwise, the Governing Body may adopt such amendatory instrument and such instrument shall become effective.

Section 1104. Binding Consent to Amendment. If the owners of at least sixty-six percent (66%) in aggregate principal amount of the Bonds and Parity Securities Outstanding, at the time of the adoption of such amendatory instrument, or the predecessors

in title of such holders, shall have consented to and approved the adoption thereof as herein provided, no owner of any Bond or parity bond whether or not such owner shall have consented to or shall have revoked any consent as in this article provided, shall have any right or interest to object to the adoption of such amendatory instrument or to object to any of the terms or provisions therein contained or to the operation thereof or to enjoin or restrain the County from taking any action pursuant to the provisions thereof.

Section 1105. Time Consent Binding. Any consent given by the owner of a Bond or parity bond pursuant to the provisions of this article shall be irrevocable for a period of six (6) months from the date of the mailing of the notice above provided for and shall be conclusive and binding upon all future owners of the same Bond or parity bond during such period. Such consent may be revoked at any time after six (6) months from the last date of the mailing of such notice, by the holder who gave such consent or by a successor in title by filing notice of such revocation with the Clerk, but such revocation shall not be effective if the owners of not less than sixty-six percent (66%) in aggregate principal amount of the Bonds and Parity Securities Outstanding have, prior to the attempted revocation, consented to and approved the amendatory instrument referred to in such revocation.

Section 1106. Unanimous Consent. Notwithstanding anything contained in the foregoing provisions of this article, the terms and the provisions of this Ordinance or of any instrument amendatory thereof or supplemental thereto, the rights and the obligations of the County and of the owners of the Bonds and Parity Securities thereunder may be modified or amended in any respect upon the adoption by the County and upon the filing with the Clerk of an instrument to that effect and with the consent of the owners of all the then Outstanding Bonds and Parity Securities, such consent to be given as provided in Section 904 hereof; and no notice to owners of Bonds and Parity Securities, either by mailing or by publication, shall be required, nor shall the time of consent be limited except as may be provided in such consent.

Section 1107. Exclusion of County's Bonds. Bonds and Parity Securities owned or held by or for the account of the County shall not be deemed Outstanding and shall be excluded for the purpose of consent or of other action or of any calculation of Outstanding

Bonds and Parity Securities provided for in this article, and the County shall not be entitled with respect to such Bonds and Parity Securities to give any consent or to take any other action provided for in this article. At the time of any consent or of other action taken under this article, the County shall furnish the Clerk a certificate of the Treasurer, upon which the County may rely, describing all Bonds and Parity Securities so to be excluded.

Section 1108. Notation on Bonds. Bonds and Parity Securities authenticated and delivered after the effective date of any action taken as in this article provided may bear a notation by endorsement or otherwise in form approved by the Governing Body as to such action; and if any such Bond or parity bond so authenticated and delivered shall bear such notation, then upon demand of the owner of any Bond or parity bond Outstanding at such effective date and upon presentation of his Bond or parity bond for the purpose at the principal office of the Clerk, suitable notation shall be made on such Bond or parity bond by the Clerk as to any such action. If the Governing Body shall so determine, new Bonds or Parity Securities so modified as in the opinion of the Governing Body to conform to such action shall be prepared, authenticated and delivered; and upon demand of the owner of any Bond or parity bond then Outstanding, shall be exchanged without cost to such owner for Bonds or Parity Securities then Outstanding upon surrender of such Bonds or Parity Securities.

Section 1109. Proof of Instruments and Bonds. The fact and date of execution of any instrument under the provisions of this article, the amount and number of the Bonds or Parity Securities held by any Person executing such instrument, and the date of his holding the same may be proved as provided by Section 904 hereof.

Section 1110. Consent by Owners of 2010 Bonds and Parity Securities to Future Amendments. At such time as the holders of the 2010 Bonds and any Parity Securities hereafter issued and Outstanding comprise not less than sixty-six percent (66%) in aggregate principal amount of the 2010 Bonds and any Parity Securities heretofore or hereafter issued and Outstanding, this Ordinance shall constitute an amendment to the 2009 Ordinance and at such time the following provisions of this Ordinance shall be effective as

set forth below and the following provisions of the 2009 Ordinance shall amended as set forth below:

A. Amendment of the Provisions of the 2009 Ordinance:

“BAB Credit” means the credit provided in Section 6431 of the Tax Code which the County directly receives with respect to any Parity Securities or Subordinate Securities in lieu of any credit otherwise available to the holders of such Parity Securities or Subordinate Securities under Section 54AA(a) of the Tax Code, pursuant to an irrevocable election by the County that Section 54AA of the Tax Code shall apply to such Parity Securities or Subordinate Securities and that subsection (g) of Sections 54AA will also apply to such Parity Securities or Subordinate Securities.

“Bond Requirements” means the principal of, any prior redemption premiums due, if any, in connection with, and the interest on the 2010 Bonds and any additional bonds or other securities payable from the Pledged Revenues, or such part of such securities as may be designated.

For purposes of computing the Bond Requirements of variable interest rate Parity Securities, the interest rate used in the determination shall be the prevailing interest rate on the variable interest rate bonds at the time of calculation, but neither greater than any maximum interest rate pertaining to such variable interest rate nor less than any minimum interest rate pertaining to such variable interest rate. Any such computation shall be made by the Finance Director unless otherwise expressly provided.

In the case of any calculation of the Bond Requirements in the future on the Bonds and any Parity

Securities with respect to which the County expects to receive a BAB Credit or RZEDB Credit, "interest" should be treated as the amount of interest to be paid by the County on the Bonds and any Parity Securities less the amount of BAB Credit or RZEDB Credit, as the case may be, then expected to be paid by the United States with respect to interest payments on the Bonds and any Parity Securities and required by this Ordinance or the ordinance or other instrument authorizing those Parity Securities to be used to pay interest on the Bonds or any Parity Securities, respectively, or to reimburse the County for amounts already used to pay interest on the Bonds and any Parity Securities. If the BAB Credit or RZEDB Credit, as the case may be, is not expected to be received as of the date of such calculation, "interest" shall be the total amount of interest to be paid by the County on the Bonds and any Parity Securities without a deduction of the BAB Credit or RZEDB Credit, as the case may be. The Finance Director may certify in writing the expected amount and the expected date of receipt of any BAB Credit or RZEDB Credit, as the case may be, and that certificate shall be conclusive for purposes of this Ordinance.

"Combined Maximum Annual Principal and Interest Requirements" means the maximum sum of the principal of and interest on the Outstanding 2009 Bonds, and any other designated securities payable from the Net Pledged Revenues (except for purposes of the definition of Minimum Bond Reserve unless otherwise provided in an ordinance authorizing the issuance of Parity Securities), to be paid during any one Bond Year for the period beginning with the

Bond Year in which such computation is made and ending with the Bond Year in which any 2009 Bond last becomes due at maturity or on a date on which any 2009 Bond thereafter maturing has been called for prior redemption, but excluding any reserve requirements to secure such payments unless otherwise expressly provided. Any such computation shall be made by the Chief Financial Officer of the County or an Independent Accountant unless otherwise expressly provided.

In the case of any calculation of the combined maximum annual principal and interest requirements to be paid in the future on any Parity Securities or Subordinate Securities with respect to which the County expects to receive a BAB Credit or an RZEDB Credit, "interest" for any Bond Year should be treated as the amount of interest to be paid by the County on those Parity Securities or Subordinate Securities in that Bond Year less the amount of BAB Credit or RZEDB Credit, as the case may be, then expected to be paid by the United States with respect to interest payments on those Parity Securities or Subordinate Securities in that Bond Year and required by the ordinance or other instrument authorizing those Parity Securities or Subordinate Securities to be used to pay interest on those Parity Securities or Subordinate Securities in that Bond Year or to reimburse the County for amounts already used to pay interest on those Parity Securities or Subordinate Securities in that Bond Year. If the BAB Credit or RZEDB Credit, as the case may be, is not expected to be received as of the date of such calculation, "interest" shall be the total amount of interest to be paid by

the County on the Parity Securities or Subordinate Securities without a deduction of the BAB Credit or the RZEDB Credit, as the case may be. The Chief Financial Officer may certify in writing the expected amount and the expected date of receipt of any BAB Credit or RZEDB Credit, as the case may be, and that certificate shall be conclusive for purposes of this Ordinance.

“Minimum Bond Reserve” means the lesser of:

(a) 125% of the combined average annual principal and interest requirements of the Bonds; (b) 100% of the Combined Maximum Annual Principal and Interest Requirements of the Bonds; or (c) 10% of the proceeds of the Bonds, and is required to be deposited, accumulated and maintained as provided in Section 506 hereof. For this purpose, the term “proceeds” means the aggregate stated principal amount of the Bonds, unless there is more than a de minimis amount of original issue discount or premium (as defined in Section 1.148-1(b) of the Treasury Regulations), in which case “proceeds” means issue price. . In connection with the issuance of additional Parity Securities, the County may elect, but is not required, to provide in the ordinance authorizing the issuance of such additional Parity Securities for a reserve account solely for such additional Parity Securities in an amount set forth in such ordinance or a combined Minimum Bond Reserve in which case the Minimum Bond Reserve would mean the lesser of: (a) 125% of the combined average annual principal and interest requirements; (b) 100% of the Combined Maximum Annual Principal and Interest Requirements; or (c) an amount

determined by adding the amount of the Minimum Bond Reserve in effect immediately prior to the issuance of additional Parity Securities to an amount equal to 10% of the proceeds of the proposed Parity Securities. In connection with the issuance of additional Parity Securities, the County is not required to maintain a reserve account or a combined reserve account for any additional Parity Securities.

In the case of any calculation of the combined average annual principal and interest requirements to be paid in the future on any Parity Securities with respect to which the County expects to receive a BAB Credit or RZEDB Credit, "interest" for any Bond Year should be treated as the amount of interest to be paid by the County on those Parity Securities in that Bond Year less the amount of BAB Credit or RZEDB Credit, as the case may be, then expected to be paid by the United States with respect to interest payments on those Parity Securities in that Bond Year and required by the ordinance or other instrument authorizing those Parity Securities to be used to pay interest on those Parity Securities in that Bond Year or to reimburse the County for amounts already used to pay interest on those Parity Securities in that Bond Year. If the BAB Credit or RZEDB Credit, as the case may be, is not expected to be received as of the date of such calculation, "interest" shall be the total amount of interest to be paid by the County on the Parity Securities without a deduction of the BAB Credit or RZEDB Credit, as the case may be. The Finance Director may certify in writing the expected amount and the expected date of receipt of any BAB

Credit or RZEDB Credit, as the case may be, and that certificate shall be conclusive for purposes of this Ordinance.

“RZEDB Credit” means the credit provided in Sections 1400U-2 and 6431(b) of the Tax Code which the County directly receives with respect to any Parity Securities or Subordinate Securities in lieu of any credit otherwise available to the holders of such Parity Securities or Subordinate Securities under Section 54AA(a) of the Tax Code, pursuant to an irrevocable election by the County that Section 54AA of the Tax Code shall apply to such Parity Securities or Subordinate Securities and a designation of any such Parity Securities or Subordinate Securities as “Recovery Zone Economic Development Bonds” for purposes of Section 1400U-2 of the Tax Code so that the County will directly receive the credit provided in that Sections 1400U-2 and 6431(b) of the Tax Code with respect to such Parity Securities or Subordinate Securities.

The Finance Director and other officers of the County are hereby directed to provide notice of the amendment to the 2009 Ordinance in accordance with the provisions of the 2009 Ordinance.

B. Amendment of the Provisions of this Ordinance:

“Bond Requirements” means the principal of, any prior redemption premiums due, if any, in connection with, and the interest on the 2010 Bonds and any additional bonds or other securities payable from the Pledged Revenues, or such part of such securities as may be designated.

For purposes of computing the Bond Requirements of variable interest rate Parity Securities, the interest rate used in the determination shall be the prevailing

interest rate on the variable interest rate bonds at the time of calculation, but neither greater than any maximum interest rate pertaining to such variable interest rate nor less than any minimum interest rate pertaining to such variable interest rate. Any such computation shall be made by the Finance Director unless otherwise expressly provided.

In the case of any calculation of the Bond Requirements in the future on the Bonds and any Parity Securities with respect to which the County expects to receive a BAB Credit or RZEDB Credit, "interest" should be treated as the amount of interest to be paid by the County on the Bonds and any Parity Securities less the amount of BAB Credit or RZEDB Credit, as the case may be, then expected to be paid by the United States with respect to interest payments on the Bonds and any Parity Securities and required by this Ordinance or the ordinance or other instrument authorizing those Parity Securities to be used to pay interest on the Bonds or any Parity Securities, respectively, or to reimburse the County for amounts already used to pay interest on the Bonds and any Parity Securities. If the BAB Credit or RZEDB Credit, as the case may be, is not expected to be received as of the date of such calculation, "interest" shall be the total amount of interest to be paid by the County on the Bonds and any Parity Securities without a deduction of the BAB Credit or RZEDB Credit, as the case may be. The Finance Director may certify in writing the expected amount and the expected date of receipt of any BAB Credit or RZEDB Credit, as the case may be, and that certificate shall be conclusive for purposes of this Ordinance.

“Combined Maximum Annual Principal and Interest Requirements” means the maximum sum of the principal of and interest on the Outstanding 2010 Bonds, and any other designated securities payable from the Net Pledged Revenues (except for purposes of the definition of Minimum Bond Reserve unless otherwise provided in an ordinance authorizing the issuance of Parity Securities), to be paid during any one Bond Year for the period beginning with the Bond Year in which such computation is made and ending with the Bond Year in which any 2010 Bond last becomes due at maturity or on a date on which any 2010 Bond thereafter maturing has been called for prior redemption, but excluding any reserve requirements to secure such payments unless otherwise expressly provided. Any such computation shall be made by the Chief Financial Officer of the County or an Independent Accountant unless otherwise expressly provided.

In the case of any calculation of the combined maximum annual principal and interest requirements to be paid in the future on any Parity Securities or Subordinate Securities with respect to which the County expects to receive a BAB Credit or RZEDB Credit, as the case may be, “interest” for any Bond Year should be treated as the amount of interest to be paid by the County on those Parity Securities or Subordinate Securities in that Bond Year less the amount of BAB Credit or RZEDB Credit, as the case may be, then expected to be paid by the United States with respect to interest payments on those Parity Securities or Subordinate

Securities in that Bond Year and required by the ordinance or other instrument authorizing those Parity Securities or Subordinate Securities to be used to pay interest on those Parity Securities or Subordinate Securities in that Bond Year or to reimburse the County for amounts already used to pay interest on those Parity Securities or Subordinate Securities in that Bond Year. If the BAB Credit or RZEDB Credit, as the case may be, is not expected to be received as of the date of such calculation, "interest" shall be the total amount of interest to be paid by the County on the Parity Securities or Subordinate Securities without a deduction of the BAB Credit or RZEDB Credit, as the case may be. The Chief Financial Officer may certify in writing the expected amount and the expected date of receipt of any BAB Credit or RZEDB Credit, as the case may be, and that certificate shall be conclusive for purposes of this Ordinance.

"Minimum Bond Reserve" means the lesser of:

(a) 125% of the combined average annual principal and interest requirements of the Bonds; (b) 100% of the Combined Maximum Annual Principal and Interest Requirements of the Bonds; or (c) 10% of the proceeds of the Bonds, and is required to be deposited, accumulated and maintained as provided in Section 506 hereof. For this purpose, the term "proceeds" means the aggregate stated principal amount of the Bonds, unless there is more than a de minimis amount of original issue discount or premium (as defined in Section 1.148-1(b) of the Treasury Regulations), in which case "proceeds" means issue price. . In connection with the issuance of additional Parity Securities, the County

may elect, but is not required, to provide in the ordinance authorizing the issuance of such additional Parity Securities for a reserve account solely for such additional Parity Securities in an amount set forth in such ordinance or a combined Minimum Bond Reserve in which case the Minimum Bond Reserve would mean the lesser of: (a) 125% of the combined average annual principal and interest requirements; (b) 100% of the Combined Maximum Annual Principal and Interest Requirements; or (c) an amount determined by adding the amount of the Minimum Bond Reserve in effect immediately prior to the issuance of additional Parity Securities to an amount equal to 10% of the proceeds of the proposed Parity Securities. In connection with the issuance of additional Parity Securities, the County is not required to maintain a reserve account or a combined reserve account for any additional Parity Securities.

In the case of any calculation of the combined average annual principal and interest requirements to be paid in the future on any Parity Securities with respect to which the County expects to receive a BAB Credit or RZEDB Credit, as the case may be, "interest" for any Bond Year should be treated as the amount of interest to be paid by the County on those Parity Securities in that Bond Year less the amount of BAB Credit or RZEDB Credit, as the case may be, then expected to be paid by the United States with respect to interest payments on those Parity Securities in that Bond Year and required by the ordinance or other instrument authorizing those Parity Securities to be used to pay interest on those Parity Securities in that Bond Year or to reimburse the County

for amounts already used to pay interest on those Parity Securities in that Bond Year. If the BAB Credit or RZEDB Credit, as the case may be, is not expected to be received as of the date of such calculation, "interest" shall be the total amount of interest to be paid by the County on the Parity Securities without a deduction of the BAB Credit or RZEDB Credit, as the case may be. The Finance Director may certify in writing the expected amount and the expected date of receipt of any BAB Credit or RZEDB Credit, as the case may be, and that certificate shall be conclusive for purposes of this Ordinance.

Persons are invited to submit comments in writing on the agenda items and/or attend and make comment on that item at the Commission meeting.

The Chairman and Board of County Commissioners intend that their proceedings should demonstrate the highest levels of decorum, civic responsibility, efficiency and mutual respect between citizens and their government. The Board respects the right of citizens to present differing opinions and views, even criticism, but our democracy cannot function effectively in an environment of personal attacks, slander, threats of violence and willful disruption. To that end, the Nevada Open Meeting Law provides the authority for the Chair of a public body to maintain the decorum and to declare a recess if needed to remove any person who is disrupting the meeting, and notice is hereby provided of the intent of this body to preserve the decorum and remove anyone who disrupts the proceedings.

The County Commission can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Commission. However, responses from Commissioners to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Commission will consider, Commissioners may choose not to respond to public comments, except to correct factual inaccuracies, ask for County staff action or to ask that a matter be listed on a future agenda. The Commission may do this either during the public comment item or during the following item: **"*Commissioners'/Manager's Announcements, Requests for Information, Topics for Future Agendas and Statements Relating to Items Not on the Agenda"**.
