“The District created pursuant to this section must include, without limitation:

WHEREAS, the Plan for Remediation indicates that, and based upon such plan the Board has determined that, the condition which requires remediation affects the quality of drinking water within the region; and

WHEREAS, the Board pursuant to Ordinance No. 1000 adopted and approved on November 14, 1997, as amended by ordinances adopted and approved on June 16, 1998, June 22,

WHEREAS, the Board has heretofore determined and does hereby declare that a portion of the cost of developing and carrying out the plan for remediation has been deferred with the proceeds of bonds (the “Bonds”) which have been heretofore retired; and

WHEREAS the Board has also determined that a portion of the costs of developing and carrying out the plan for remediation is to be paid from certain cash on hand and that a portion of such cost is also to be paid with a portion of the fee collected in 2009-2010; and

WHEREAS, the Board has heretofore determined that the operation and maintenance in connection with carrying out the Plan for Remediation is to be paid by a fee imposed on the properties in the District; and

WHEREAS, in the Creation Ordinance, the Board determined that the condition which requires remediation affects the quality of drinking water within the region and therefor, pursuant to subsection 1(a) of NRS § 540A.265, the fee apportioned must be based on a percentage of the total amount billed in the preceding calendar year to each parcel of property within the District for water by the provider of retail water service to the parcel of property; and

WHEREAS, the Board has determined and hereby determines that the Bonds have been retired, and therefore no amount will be included in the fee to pay principal and interest on the Bonds; and

WHEREAS, the Board has determined and hereby determines that the annual amount necessary to pay the one year's cost of additional capital expenses and monitoring, administration, collection and other continuing costs in furtherance of and in connection with developing and carrying out the Plan for Remediation (collectively, "Ongoing Costs") is \$2,407,000.00; and

WHEREAS, it is therefore necessary to raise \$2,500,000 in fiscal year 2010-2011 (the Fiscal Years' Amount) to pay one year's O&M and Ongoing Costs; and

WHEREAS, the Board has determined at this time that considering the nature of the capital projects previously funded with the Bonds and the nature of the Ongoing Costs being collected at this time, it is appropriate to weight or adjust the amount billed pursuant to paragraph (b) of subsection 1 of NRS § 540A.265, and consequently that the methods of weighting or adjusting outlined in paragraphs (b) and (c) of such subsection are being applied to the fee being apportioned by this ordinance and the Board hereby finds and declares that such apportionment is just and equitable; and

WHEREAS, there has been submitted to staff of the County a list of all parcels of land in the District (excluding all property owned by the federal government), together with the amount billed for water to those parcels in calendar year ending December 31, 2009, in which, in the cases of properties within the District where retail water service was not provided for a full calendar year, or where a full calendar year's billing was not available, the estimated amount billed for water for a full calendar year was provided or developed, taking into account a partial year's billing extended to 12 months, or an average of fees on parcels of property within comparable zonings or uses; and

WHEREAS, there has been prepared and filed with the County Clerk on April 27, 2010 a list, entitled "District No. 24 (Groundwater Remediation) 2010 Fee Apportionment List" (the "Fee Apportionment List"), of each parcel of property within the District (excluding parcels owned by the United States) and an apportionment of the Fiscal Years' Amount to be raised by the fees described above to each parcel of land in the District, which apportionment is

based on the amount billed to that parcel for water, weighted and adjusted as described in paragraphs (b), (c) and (d) of subsection 1 of NRS § 540A.265; and

WHEREAS, the Board has determined and hereby determines that the apportionment provided in the list described above is fair, just and equitable and is hereby adopted.
