NOW, THEREFORE, THE BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF WASHOE, IN THE STATE OF NEVADA, DO ORDAIN:

Section 1. This ordinance shall be known as and may be cited by the short title “District No. 32 Bond Ordinance” (this “Ordinance”).

Section 2. All actions, proceedings, matters and things heretofore taken, had and done by the County and the officers of the County (not inconsistent with the provisions of this Ordinance) concerning the District, including, but not limited to, the construction and other acquisition of local improvements, the performing of all prerequisites to the levying of special assessments and to fixing the assessment lien against the property in the District, including, without limitation, the passage and adoption of the Assessment Ordinance, and the issuance and sale of the Bonds pursuant to this Ordinance be, and the same hereby is, ratified, approved and confirmed.

Section 3. The County be, and it hereby is, authorized, empowered and directed, and it shall be its duty to receive, collect and enforce the payment of all assessments made and levied for the improvements, and all installments thereof, all interest thereon, and all penalties accrued, as provided by law and in the same manner and at the same time or times as prescribed by the Assessment Ordinance, and by this Ordinance, and to pay and disburse the payments, the installments thereof, the interest thereon, and the penalties thereto, to any person or persons lawfully entitled thereto.

Section 4. The Treasurer of the County (the “County Treasurer”) be, and hereby is, authorized, empowered and directed, and it shall be his or her duty, to receive and

collect all assessments levied to pay the cost of the improvements, the installments thereof, the interest thereon (at a rate to be hereafter determined), and the penalties accrued, at the time and in the manner specified in the Assessment Ordinance, and to pay and disburse such payments to the person or persons lawfully entitled to receive the same, in accordance with the ordinances and resolutions of the County heretofore or to be hereafter adopted. All moneys received from assessments in the District after the Cash Payment Period, both principal and interest, shall be placed in a special fund hereby created pursuant to NRS 271.490 and designated the "Washoe County, Nevada, District No. 32 Bond Fund" (the "Bond Fund"), and shall be used as soon as the funds are available for the purpose of paying the principal of and the interest on, and prior redemption premiums, if any, on the Bonds, and for no other purpose whatsoever except as otherwise provided herein, and as security for such payment, the Bond Fund is hereby exclusively pledged except as otherwise specifically provided. The assessments and any penalties, collection costs or interest not needed in any fiscal year to pay the principal and interest on the Bonds may be used as directed by the Finance Director to pay the administrative costs of the County incurred in connection with the District and the collection of the assessments. The County Treasurer be, and he or she hereby is, also authorized, empowered and directed and it shall be his or her duty to receive and collect surplus local improvement district moneys, if any, pursuant to NRS 271.428 and to place all the surplus moneys, except as otherwise required by NRS 271.429, in the Surplus and Deficiency Fund and to disburse from such Surplus and Deficiency Fund the moneys for the payment of the interest on and the principal of the County's special or local improvement district bonds, including the Bonds authorized in this Ordinance, to the extent necessary.

Section 5. If the owner of any lot, tract or parcel of land assessed for the improvements shall be delinquent as to assessments, it shall be the duty of the Board to cause the delinquent person to be notified of such delinquency, in writing, and if such delinquency shall not be paid, the Board shall foreclose the special assessment lien against the property or properties wherein the delinquency exists in the method now or hereafter provided by law. If the foreclosure is not filed and prosecuted within a reasonable time, then any registered owner of the Bonds may file and prosecute a foreclosure action in the name of the County or may proceed against the County as provided in the Assessment Ordinance. All the net proceeds of collecting any delinquent assessment shall be deposited in the Bond Fund (or in the general fund of the

County, to the extent provided in Section 10 hereof or in such fund as designated by the Finance Director who is hereby authorized to make such designation) and in any event in an amount of not less than the principal amount of the assessment and accrued interest thereon to the date of its collection. Penalties, collection costs and interest on a delinquency imposed pursuant to NRS 271.415(4) or 271.585 in connection with the collection of an assessment or an installment payment that is not paid when it comes due may be deposited in any fund or account as designated by the Finance Director who is hereby authorized to make such designation.

Section 6. For the purpose of defraying a portion of the cost and expense of the Project (except to the extent funds are available for the payment from that part of the assessments which have been paid and to the extent other funds are available for the payment), there shall be issued in the name of the County, the County's fully registered (i.e. registered as to payment of both principal and interest) special assessment bonds designated as the "Washoe County, Nevada, District No. 32 (Spanish Springs Valley Ranches Roads) Local Improvement Bonds, Series 2011" in the maximum aggregate principal amount of \$10,286,999.76 which amount shall not exceed the amount of the unpaid assessments (the "Bonds" or the "Bond"), which Bonds shall be dated the date of the delivery thereof to the Purchaser, and which shall be evidenced by a single bond certificate in the denomination equal to the aggregate principal amount of the Bonds or in a single bond for each maturity, as requested by the Purchaser. The Finance Director shall designate the Purchaser after receiving bids for the Bonds. The Bonds shall bear interest from the most recent interest payment date for which interest has been paid or duly provided for, or if no interest has been paid, from the date of the Bonds, to maturity at the rates per annum designated in the Certificate of the Finance Director, payable semiannually on May 1 and November 1 of each year, commencing on May 1, 2012, calculated on a 360-day year of twelve 30-day months. The Bonds shall mature in installments of principal in the amounts and on the dates, and be in the aggregate principal amount, as specified in the Certificate of the Finance Director.

The Bonds shall be payable in lawful money of the United States of America without deduction for exchange or collection charges at the office of the paying agent designated in the Certificate of the Finance Director (the "Paying Agent") or such other office as may be designated by the Paying Agent. If payment of any of the Bonds is not made as herein provided, interest thereon shall continue at the same rate per annum until the principal thereof is paid in

full. The final installments of principal on the Bonds shall be payable to the registered owner thereof as shown on the registration records kept by the registrar designated in the Certificate of the Finance Director, or its successors, being both the registrar (the "Registrar") and Paying Agent for the Bonds, upon maturity thereof and upon presentation and surrender of such Bond at the Paying Agent or such other office as may be designated by the Paying Agent. Payment of other installments of principal of and interest on any Bond shall be made to the registered owner thereof by check or draft mailed by the Paying Agent, on or before each interest payment date (or, if such interest payment date is not a business day, on or before the next succeeding business day), to the registered owner thereof at his or her address as it last appears on the registration records kept by the Registrar (or by such other arrangement as may be mutually agreed to by the Paying Agent and any registered owner), on the fifteenth day of the calendar month preceding each interest payment date (the "Regular Record Date") or, on a special record date (the "Special Record Date") if established by the Paying Agent for the payment of defaulted interest on such Special Record Date. All such payments shall be made in lawful money of the United States of America.

Section 7. The Bonds are is subject to prepayment at the option of the County in whole or in part from any legally available monies, at any time, at a price equal to the principal amount thereof and accrued interest to the redemption date and a premium, if any, on the dates and terms and in the amounts designated in the Certificate of the Finance Director. If less than all of the outstanding principal of the Bonds is to be redeemed, the principal of the Bonds to be redeemed shall be selected proportionately from each outstanding installment of the Bonds unless the County Treasurer determines that the assessment installments will be sufficient to pay the principal and interest when due on the Bonds, which would remain outstanding using a different method of selecting installments of the Bonds to be redeemed, on each interest payment date subsequent to the redemption date. The redemption premium, if any, shall be paid from a prepayment penalty, if any, for the assessments provided for in the Assessment Ordinance and the Certificate of the Finance Director, provided, however, that nothing herein shall prevent the payment of any such redemption premium from any other funds available for that purpose. Any assessment which is voluntarily prepaid shall be used to redeem installments of principal on the Bonds on the next available redemption date or interest payment date on the Bonds; provided that the amount of any such prepaid assessment which is less than \$5,000 and cannot be used by

such redemption date or interest payment date to redeem installments of principal on the Bonds may be used to pay principal of or interest on the Bonds due on such redemption date or interest payment date; and provided further that all or any portion of such prepaid assessment may be used to pay principal of or interest on the Bonds if necessary to avoid or cure a default in payment of principal of or interest on the Bonds. Whenever considered advisable by the County Treasurer and whenever funds are available for such purpose (to the credit of the District), the County Treasurer may make such prepayments.

Section 8. Unless waived by any registered owner, notice of prepayment shall be given by the Registrar, in the name of the County by mailing such notice at least 10 days and not more than 60 days prior to the prepayment date, by first-class mail, postage prepaid, to the registered owners thereof. All such notices of prepayment shall be dated and shall state: (1) the prepayment date, (2) the prepayment amount, (3) if less than all outstanding principal amount is to be prepaid, an identification of the principal installments of the Bonds being prepaid, (4) that on the prepayment date the principal amount being prepaid will become due and payable, and that after such prepayment, interest thereon shall cease to accrue, and (5) if all principal is being prepaid, the place where such Bonds are to be surrendered for payment, which place of payment shall be the office of the Paying Agent or such other office as may be designated by the Paying Agent. A certificate by the Registrar that a notice of prepayment has been given as herein set forth shall be conclusive and receipt by the owner of the Bond of a notice of prepayment shall not be a condition precedent to the prepayment of that Bond. Notwithstanding the provisions of this section, any notice of redemption may contain a statement that the redemption is conditional upon the receipt by the Paying Agent of funds on or before the date fixed for redemption sufficient to pay the redemption price of the Bonds so called for redemption, and that if such funds are not available, such redemption shall be canceled by written notice to the owners of the Bonds called for redemption in the same manner as the original redemption notice was mailed.

Section 9. The person in whose name a Bond shall be registered on the registration records kept by the Registrar shall be deemed and regarded as the absolute owner thereof for all purposes and payment of principal of, prior redemption premium, if any, and interest on any Bond shall be made only to or upon the written order of the registered owner thereof or his legal representative (except as provided above for the payment of interest to the registered owner as of the Regular Record Date or a Special Record Date). All such payments

shall be valid and effectual to discharge the liability upon such Bond to the extent of the sum or sums so paid.

Section 10. The Bond and the interest thereon shall be payable from the Bond Fund. Whenever there is a deficiency in the Bond Fund, the deficiency must first be paid out of the Surplus and Deficiency Fund (to the extent any money is available therein) before any payment is made out of the general fund of the County. In the event the Bond Fund shall be insufficient to pay the Bonds and interest thereon as they become due, and the amounts, if any, in the Surplus and Deficiency Fund are not sufficient for that purpose, the deficiency shall be paid out of the general fund of the County. In the event deficiencies are paid out of the general fund of the County, all net proceeds of collecting the delinquent assessments with respect to which such payments from the general fund of the County were required to be made shall be returned and deposited in the general fund of the County when the Bond, both principal and interest, has been fully paid and discharged. If the general fund shall be insufficient to pay any such deficiency promptly, the Board shall levy, and it shall be its duty to levy, general (ad valorem) taxes upon all property in the County which is by law taxable for State, County and municipal purposes, without regard to any statutory tax limitation existing on or after May 14, 1965, and without limitation as to rate or amount, fully sufficient, after making due allowance for probable delinquencies, to provide for the prompt payment of the Bond as it becomes due, both principal and interest, but subject to the limitations set forth in NRS 361.453 and Section 2 of Article 10 of the Constitution of the State. The Bond and the interest thereon are payable solely from moneys in the Bond Fund, any moneys in the Surplus and Deficiency Fund, the general fund, and general tax proceeds pledged to the payment thereof.

Section 11. Pursuant to NRS 271.515, the Chair, the County Clerk and County Treasurer shall each file with the Secretary of State his or her manual signature certified under oath. Thereafter, the Bond shall be signed and executed in the name of the County with the manual or the engraved, imprinted, stamped or otherwise reproduced facsimile of the signature of the Chair, the County Treasurer, shall be attested with a manual or facsimile signature of the County Clerk, and the Bond shall be authenticated by the manual signature of an authorized officer of the Registrar as hereafter provided. A manual impression or a printed, engraved, stamped or otherwise placed facsimile of the seal of the County shall be affixed thereto. The Bond bearing the signatures of the officers in office at the time of the signing thereof, shall be

the valid and binding obligation of the County (subject to the requirement of authentication by the Registrar as hereinafter provided) notwithstanding that before the delivery of and payment for the Bond, any or all of the persons whose signatures appear thereon shall have ceased to fill their respective offices. Any officer herein authorized or permitted to sign any Bond at the time of its execution and of the execution of a signature certificate, may adopt as and for his or her own facsimile signature, the facsimile signature of his or her predecessor in office in the event that such facsimile signature appears upon the Bond. No Bond shall be valid or obligatory for any purpose unless the certificate of authentication, substantially in the form hereinafter provided, has been duly executed by the Registrar, and such certificate of authentication of the Registrar upon any Bond shall be the only competent evidence that such Bond has been duly issued and delivered. The Registrar's certificate of authentication shall be deemed to have been duly executed by it if manually signed by a duly authorized officer of the Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder. If any Bond shall be lost, stolen, destroyed or mutilated, the Registrar shall, upon receipt of such evidence or information relating thereto, appropriate indemnification, and such reimbursement for expenses as it may reasonably require, register and deliver to the registered owner thereof a replacement for such Bond bearing a number not contemporaneously outstanding. If such lost, stolen, destroyed or mutilated Bond shall have matured, the Registrar may direct the Paying Agent to pay such Bond in lieu of replacement.

Section 12. Books or records for the registration and transfer of the Bond shall be kept by the Registrar. The Bond shall be fully transferable by the registered owner thereof in person or by his duly authorized attorney on the registration records kept at the office of the Registrar, or such other office as may be designated by the Registrar, upon presentation of the Bond together with a duly executed written instrument of transfer satisfactory to the Registrar. Upon the surrender for transfer of any Bond at the Registrar, duly endorsed for transfer or accompanied by an assignment (in form satisfactory to the Registrar) duly executed by the registered owner or his attorney duly authorized in writing, the Registrar shall authenticate and deliver in the name of the transferee or transferees a new Bond a like aggregate principal amount and of the same maturity, bearing a number or numbers not contemporaneously outstanding. The Registrar may require the owner or transferee to pay any tax or other governmental charge required to be paid with respect to such transfer, and may charge a sum sufficient to pay the cost

of preparing and authenticating a new Bond. The Registrar shall not be required to transfer or exchange the single Bond during a period beginning at the opening of business 15 days before the date of mailing by the Registrar of a notice of prepayment of all or any part of the Bond and ending at the close of business on the date of such prepayment of all or a portion of the Bond. Whenever any Bond shall be surrendered to the Paying Agent upon payment thereof, or to the Registrar for replacement as provided herein, such Bond shall be promptly canceled and destroyed by the Paying Agent or Registrar, and a certificate of such destruction shall be prepared by the Paying Agent or Registrar upon request of the County.

Section 13. Subject to the registration provisions hereof, the Bond hereby authorized shall be fully negotiable and shall have all the qualities of negotiable paper, and the owner or owners thereof shall possess all rights enjoyed by the holders of negotiable instruments under the provisions of the Uniform Commercial Code - Investment Securities.

Section 14. Pursuant to NRS 271.505, the Bond shall contain a recital that it is issued pursuant to Chapter 271 of NRS (the "Consolidated Local Improvements Law"), which recital shall conclusively impart full compliance with all of the provisions of the Consolidated Local Improvements Law, and the Bond issued containing such recital shall be incontestable for any cause whatsoever after their delivery for value.

Section 15. Subject to the provisions of this Ordinance, the Bonds shall be in substantially the following form, with such omissions, insertions, endorsements, and variations as may be required by the circumstances, be required or permitted by this Ordinance, or be consistent with this Ordinance and necessary or appropriate to conform to the rules and requirements of any governmental authority or any usage or requirement of law with respect thereto:

Pursuant to the Bond Ordinance, reference to which is made for further details, the payment of the principal of and the interest on this bond shall be made from, and as security for such payment there is pledged, a special fund designated as the "Washoe County, Nevada, District No. 32 Bond Fund," sometimes designated the "Bond Fund," containing moneys received as payments for assessments levied against and secured by a lien upon the property specially benefited by the improvements in the Washoe County, Nevada, Special Assessment District No. 32 and remaining unpaid on the date of delivery of this bond. The Bond Fund is and shall continue to constitute a sinking fund for and be deemed specially appropriated to the full and prompt payment of this bond and the interest thereon, and shall be used for no other purpose whatsoever; provided, however, that in the event the Bond Fund shall be insufficient to pay this bond and the interest thereon as they become due, and the moneys, if any, in the County's special Local Improvement District Special Surplus and Deficiency Fund (the "Surplus and Deficiency Fund") are not sufficient for that purpose, the deficiency shall be paid out of the Washoe County general fund. This bond and the interest thereon are payable solely from moneys, if any, in the Bond Fund, the Surplus and Deficiency Fund, the general fund, and general tax proceeds pledged to the payment thereof.

The assessments levied in Special Assessment District No. 32, with accruing interest thereon, constitute a lien upon and against the property upon which such assessments were made and levied from and after the effective date of the ordinance levying assessments in the District.

It is hereby certified, recited and declared that all acts, conditions and things essential to the validity of this bond exist, have happened and have been done in due time, form and manner as required by law, that the total issue of the special assessment bonds of the County for the improvements and incidental expenses, including this bond, in Special Assessment District No. 32, does not exceed the amount authorized by law nor the total unpaid special assessments levied to cover the cost of the improvements, that this bond is issued under the authority of the Consolidated Local Improvements Law, Chapter 271 of NRS, and that this bond is incontestable for any cause whatsoever.

It is hereby further certified, recited and declared that the proceedings, with reference to making such improvements, levying the assessments to pay this bond, and issuing this bond, have been regularly had and taken, in compliance with law, and that all prerequisites to the fixing

of the assessment lien against the property benefited by the improvements and of the liability of the owner or owners of such property for the assessments have been performed.

Except for the period commencing fifteen days prior to any date on which a notice of prepayment of all or a portion of this bond is to be given and ending on the date of such prepayment, this bond is fully transferable by the registered owner hereof in person or by his duly authorized attorney on the registration books kept by the Registrar upon surrender of this bond together with a duly executed written instrument of transfer satisfactory to the Registrar, and upon the payment of all fees and charges required by such Registrar. The funds realized from the sale of the Bond, including any investment income, shall be applied solely to defray the cost and expense of the Project (including, without limitation, by repaying any interim financing incurred for the Project); provided, however, that after the cost and expenses are paid (excepting any portion to be paid with other than special assessment proceeds), any funds remaining from the sale of the Bond shall be deposited in the Bond Fund and used for the purposes specified in Section 4 of this Ordinance; and provided further, that all moneys received as premium at the time of delivery of the Bond shall be deposited into the Bond Fund to apply to the payment of interest next due on the Bond. The Purchaser, however, shall in no manner be responsible for the application by the County, or any of its officers, agents or employees, of any of the funds derived from the sale thereof or of any other funds herein designated.

Section 17. So long as any principal of the Bonds remains outstanding, the County will keep or cause to be kept true and accurate books of records and accounts showing full and true entries covering the collection and disposition of the special assessments for the District, as well as any delinquencies in the collection thereof, covering deposits in and disbursements from the Bond Fund, covering deposits in and disbursements from the special Surplus and Deficiency Fund, covering the redemption of the Bond both principal and interest, and covering disbursements to defray the costs of the Project, including incidental expenses; and the County will permit an inspection and examination of all books and accounts at all reasonable times by any representative of any of the original purchasers of the Bond.

Section 18. The officers of the County be, and they hereby are, authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Ordinance, including without limiting the generality of the foregoing: the execution of such certificates as may be reasonably required by the Purchaser, relating, inter alia, to the signing and registration of the Bond, the tenure and identity of the officials of the Board and the County, the delivery of the Bond, the designation of any commercial bank as Paying Agent and Registrar and if the Finance Director deems it in the County's best interest to do so prior to the delivery of the Bond, the receipt of the purchase price for the Bond, the exemption of interest on the Bond from federal and state income taxation, if it is in accordance with fact, the absence of litigation, pending or

threatened, affecting the validity thereof, the execution by the Finance Director of the purchase proposal between the Purchaser and the County; and the completion and execution by the Finance Director of the Certificate of the Finance Director in accordance with the provisions of this Ordinance. It shall be the duty of the proper officers of the County to hereafter take all action necessary for the County to comply with the provisions of the Consolidated Local Improvements Law as hereafter amended and supplemented from time to time.

Section 19. Any owner of the Bond, may, either at law or in equity, by suit, action, mandamus or other appropriate proceeding in any court of competent jurisdiction, protect the liens created by this Ordinance on the proceeds of the assessments for the District, and may by suit, action, mandamus or other appropriate proceeding enforce and compel the performance of any duty imposed upon the County by the provisions of this Ordinance, or any ordinance heretofore adopted concerning the District, including, without limiting the generality of the foregoing, the segregation of special assessments, the proper application thereof, and the appointment of a receiver. The failure of any Bond owner to proceed shall not relieve the County or any of its officers, agents or employees of any liability for failure to perform any such duty.

Section 20. The County covenants for the benefit of the registered owners of the Bond that it will not take any action or omit to take any action with respect to the Bond, the proceeds thereof, any other funds of the County or any facilities financed with the proceeds of the Bond if such action or omission (i) would cause the interest on the Bond to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended to the date of delivery of the Bond (as amended, the "Tax Code"), or (ii) would cause interest on the Bond to lose its exclusion from alternative minimum taxable income as defined in Section 55(b)(2) of the Tax Code, except to the extent such interest is required to be included in calculating the adjusted current earnings adjustment applicable to corporations for purposes of computing the alternative minimum taxable income of corporations. The foregoing covenant shall remain in full force and effect notwithstanding the payment in full or defeasance of the Bond until the date on which all obligations of the County in fulfilling the above covenant under the Tax Code have been met.

Section 21. When all of the principal of, interest on and prior redemption premiums due in connection with any Bond have been duly paid, the pledge, the lien, and all

obligations hereunder shall thereby be discharged as to the Bond and the Bond shall no longer be deemed to be outstanding within the meaning of this Ordinance. There shall be deemed to be such due payment when the County has placed in escrow or in trust with a trust bank located within or without the State, an amount sufficient (including the known minimum yield available for such purpose from bills, certificates of indebtedness, notes, bonds or similar securities which are direct obligations of, or the principal of and interest on which are unconditionally guaranteed by the United States ("Federal Securities")) in which such amount may be initially invested wholly or in part) to meet all principal of and the interest on, and prior redemption premium, if any, on the Bond, as the same become due. The Federal Securities shall become due before the respective times on which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the County and the bank at the time of the creation of the escrow or trust, or the Federal Securities shall be subject to redemption at the option of the holders thereof to assure availability as needed to meet the schedule. For the purpose of this section "Federal Securities" shall include only Federal Securities which are not callable for redemption prior to their maturities except at the option of the owner thereof.

Section 22. All ordinances or resolutions, or parts thereof, in conflict with the provisions of this Ordinance are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any ordinance or resolution, or part thereof, heretofore repealed, and this Ordinance shall be irrevocable until the Bonds and the interest thereon shall be fully paid, satisfied and discharged, as herein provided.

Section 23. This Ordinance may be amended or supplemented by an ordinance or ordinances adopted by the Board, without the receipt by the County of any additional consideration, with the written consent of the owners of sixty percent (60%) of the Bond outstanding at the time of the adoption of such amendatory or supplemental ordinance, provided, however, that no such ordinance shall have the effect of permitting:

- (a) An extension of the maturity of any Bond authorized by this Ordinance; or
- (b) A reduction in the principal amount of any Bond or the rate of interest thereon; or

- (c) The creation of a lien upon or a pledge of property, revenues or funds, ranking prior to the liens or pledges created by this Ordinance; or
- (d) A reduction of the principal amount of the Bond required for consent to such amendatory or supplemental ordinance.

Section 24. Pursuant to NRS 271.520, the Bond, its transfer, and the income therefrom, shall forever be and remain free and exempt from taxation by the State and any subdivision thereof, except for the tax on estates imposed by Chapter 375A of NRS, or the tax on generation-skipping transfers imposed pursuant to the provisions of Chapter 375B of NRS.

Section 25. The Board does hereby find and declare that the life of the improvements to be acquired with the proceeds obtained from the sale of the Bond shall be not less than the twenty (20) year period during which the Bond matures.

Section 26. If the Registrar or Paying Agent initially appointed hereunder shall resign, or if the Board shall determine to remove the Registrar or Paying Agent, the Board may, upon notice mailed to each owner of any Bond at his address last shown on the registration books, appoint a successor Registrar or Paying Agent, or both. No resignation or dismissal of the Registrar or Paying Agent may take effect until a successor is appointed. It shall not be required that the same institution serve as both Registrar and Paying Agent hereunder, but the County shall have the right to have the same institution serve as both Registrar and Paying Agent hereunder. Any corporation, association, or agency into which the Registrar or the Paying Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, automatically shall be and become successor registrar or paying agent hereunder and vested with all of the powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 27. The Finance Director, as the Chief Financial Officer of the County, is hereby authorized to fix or adjust the rate of interest on the unpaid and deferred installments of

assessments in the Certificate of the Finance Director, which rate of interest shall not exceed by more than one percent (1%) the rate of interest on the Bonds for the District.

The owner of any property assessed and not in default as to any assessment installment or payment may, at any time (at the option of such owner), pay the whole or any portion of the unpaid principal with interest accruing thereon to the next assessment payment date, together with a prepayment premium equal to five percent (5%) of the principal amount so prepaid. If the Bonds (or any bonds issued to refund the Bonds) may then be redeemed without the payment of any premium or with a premium of less than five percent (5%), the County Treasurer, in his sole discretion, may waive the requirement of payment of the prepayment premium; provided that the County shall collect a premium upon prepayment of assessments which is not less than the premium which is then due for redemption of the Bonds as set forth in the Certificate of the Finance Director. No waiver for or modification of a particular prepayment premium shall be deemed to be a waiver for or modification of any other prepayment premium unless the County expressly waives or modifies the prepayment premium for all assessments.

Section 28. The Board made a hardship determination with respect to APN 076-300-18 and no other qualifying hardships were granted for this District. The Board hereby determines that upon satisfactory evidence that a change in circumstance has occurred because the applicant is deceased and no reapplication is available in such circumstance, the hardship is hereby disapproved pursuant to NRS 271.360 as of the date of the death of the applicant, as determined by the Director of the Washoe County Department of Social Services.

Section 29. The Board has expressed in the preambles of this Ordinance that this Ordinance pertains to the sale, issuance and payment of the Bond for the District, that this Ordinance may accordingly be adopted as if an emergency now exists, and may become effective at any time when an emergency ordinance of the County may go into effect. Consequently, pursuant to NRS 271.475 and 244.095 through 244.115, final action shall be taken immediately, and this Ordinance shall be in effect from and after its publication by title and collateral statement as herein provided.

Section 30. After this Ordinance is signed by the Chair of the Board and attested and sealed by the County Clerk, this Ordinance shall be published by its title only, together with the names of the Commissioners voting for or against its passage, and with a statement that typewritten copies of such ordinance are available for inspection by all interested

parties at the office of the County Clerk, such publication to be made in the Reno Gazette-Journal, a newspaper published and having general circulation in the County, at least once a week for a period of two weeks by two insertions, pursuant to NRS 244.100, and all laws thereunto enabling, such publication to be in substantially the following form:

Items with a specific time designation will not be heard prior to the stated time, but may be heard later. Items listed in the Consent section of the agenda are voted on as a block and will not be read or considered separately unless removed from the Consent section. The Board of County Commissioners may take short breaks approximately every 90 minutes.

The Washoe County Commission Chambers are accessible to the disabled. If you require special arrangements for the meeting, call the County Manager's Office, 328-2000, 24-hours prior to the meeting.

Time Limits. Public comments are welcomed during the Public Comment periods for all matters, whether listed on the agenda or not, and are limited to two minutes per person. Additionally, public comment of two minutes per person will be heard during individual action items on the agenda. Persons are invited to submit comments in writing on the agenda items and/or attend and make comment on that item at the Commission meeting. Persons may not allocate unused time to other speakers.

Forum Restrictions and Orderly Conduct of Business. The Board of County Commissioners conducts the business of Washoe County and its citizens during its meetings. Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place and manner of speech. Responses to Public Comments. The County Commission can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Commission. However, responses from Commissioners to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Commission will consider, Commissioners may choose not to respond to public comments, except to correct factual inaccuracies, ask for County staff action or to ask that a matter be listed on a future agenda. The Commission may do this either during the public comment item or during the following item:
