BOARD OF COUNTY COMMISSIONERS
Washoe County, NEVADA

TUESDAY

10:00 A.M.

MAY 12, 2015

PRESENT:

Marsha Berkbigler, Chair
Kitty Jung, Vice Chair
Vaughn Hartung, Commissioner
Jeanne Herman, Commissioner
Bob Lucey, Commissioner

Nancy Parent, County Clerk
John Slaughter, County Manager
Paul Lipparelli, Legal Counsel

The Washoe County Board of Commissioners convened at 10:00 a.m. in regular session in the Commission Chambers of the Washoe County Administration Complex, 1001 East Ninth Street, Reno, Nevada. Following the Pledge of Allegiance to the flag of our Country conducted by two students from Reno High School, the Clerk called the roll and the Board conducted the following business:

Commissioner Hartung asked for a moment of silence for the James D. Hoff Peace Officer Memorial and recent fallen officers. Chair Berkbigler stated she was just speaking with Commissioner Hartung about how they worry daily about police officers and that it seemed to be a disease to shoot policemen.

Paul Lipparelli, Legal Counsel, stated the Nevada Open Meeting Law required posting of an agenda for public bodies in a certain way. He said Washoe County wanted to self-report that an 8-minute delay occurred in the posting of the electronic version to the State's web site, due to security features built into the County's web site. He disclosed he discussed the matter with the Attorney General's office and was informed that under NRS 241.020 the delay was the result of technical problems and therefore excused.

15-0358 AGENDA ITEM 3 – PUBLIC COMMENT

Agenda Subject: "Public Comment. Comment heard under this item will be limited to three minutes per person and may pertain to matters both on and off the Commission agenda. The Commission will also hear public comment during individual action items, with comment limited to three minutes per person. Comments were to be made to the Commission as a whole."

Tom Noblett stated he was concerned about the trees in Sun Valley regarding broken limbs, bark coming off the trees, and some of them were dead. He noted a local inspector said there were no County Ordinances regarding trees and the only

suggested adding direction to staff to conduct an analysis on the effects of removing the SPA from the TMSA and how that might be regarded by Regional Planning. He stated there were a lot of moving parts that needed to be considered. Chair Berkbigler asked if he wanted a separate agenda item for that or if he was asking for it to be a part of the motion. Mr. Lipparelli thought Mr. Whitney's point was compelling and stated it probably should be made part of the motion because the agenda item was limited to the Financing Plan. He said requiring the removal from the TMSA would require an agenda item on a future agenda, but Mr. Whitney could get started on the analytical process.

Commissioner Hartung amended his motion to add staff's recommendations regarding the analysis. The seconder agreed. On call for the question, the motion passed on a 5-0 vote.

The Washoe County Board of Commissioners convened at 10:00 a.m. in regular session in the Commission Chambers of the Washoe County Administration Complex, 1001 East Ninth Street, Reno, Nevada. Carol Burns stated she was a Sun Valley resident and that she understood there were costs to having a Citizens Advisory Board (CAB). She felt the County realized sufficient savings that could be put towards the CAB since Sun Valley Parks were now being managed by the Sun Valley Water District. She thought the reason residents were not coming to the Board meetings to demand a CAB was because many of them were elderly or ill. She was told the Board already made the choice not to support a Sun Valley CAB and she asked them to reevaluate that decision.

Tim Stoffel, Sierra Safari Zoo, said he discovered all the information that was on file at the State Legislature was submitted by animal rights people. He claimed less than 1 percent of the United States Humane Society's money was utilized for actual animal issues. He thought they were out to attack animal owners because they wanted animals to have the same rights as people, which meant they were trying to prevent people from having pets, eating meat, wearing fur, hunting, and conducting animal shows and zoos. He thought everyone should be concerned with animal welfare, but he thought the Board had a duty to review animal laws to determine whether they were doing any
