**BOARD OF COUNTY COMMISSIONERS  
WASHOE COUNTY, NEVADA**

TUESDAY

10:00 A.M.

MAY 10, 2022

PRESENT:

Vaughn Hartung, Chair  
Alexis Hill, Vice Chair\*, via Zoom  
Bob Lucey, Commissioner  
Kitty Jung, Commissioner  
Jeanne Herman, Commissioner

Janis Galassini, County Clerk  
Dave Solaro, Assistant County Manager  
Nathan Edwards, Assistant District Attorney

The Washoe County Board of Commissioners convened at 10:02 a.m. in regular session in the Commission Chambers of the Washoe County Administration Complex, 1001 East Ninth Street, Reno, Nevada. Following the Pledge of Allegiance to the flag of our Country, County Clerk Jan Galassini called roll and the Board conducted the following business:

**22-0330** AGENDA ITEM 3 Appearance and presentation by Perry Di Loreto, President of the Board, Nevada Western Heritage Center Alliance, regarding the revitalization of the Reno Sparks Livestock Events Center property.

Perry Di Loreto, President of the Nevada Western Heritage Center Alliance Board, conducted a PowerPoint presentation, a copy of which was placed on file with the Clerk, and reviewed slides with the following titles: Property Ownership and Management; A Community Effort; Events at Reno Sparks Livestock Events Center; What is the Nevada Western Heritage Center Alliance (NWHCA); Who is leading the NWHCA (2 slides); Why is this effort important; Economic Impact; The Plan; Map (2 slides); and Current Priorities.

Mr. Di Loreto said the purpose of his presentation was to garnish and gather community support for the revitalization of the Reno-Sparks Livestock Events Center (RSLEC). There had been discussions for many years about issues at the RSLEC and talks of relocating it to University Farms. In 2015, the Reno Rodeo Association (RRA) formed a Legacy Committee to research the issue and engaged with professionals to try and understand what the process would look like and potential sources of funding. He noted the RRA committed \$1 million while still meeting all of its philanthropic commitments to the community.

Mr. Di Loreto said many different events take place at the RSLEC besides the rodeo. He opined the facility had served the community and the western agricultural

Planning Commission. Chair Hartung asked Mr. Solaro to explain the process of a reconsideration versus a development agreement.

Mr. Solaro reminded the item previously went through the public process and the Planning Commission had approved the regulatory zone change and the master plan amendment to a higher density. When the item came before the Board of County Commissioners (BCC), the BCC recalled there had been a development agreement on the property across the street from the project that was capped at five units per acre. Due to this, the Board directed staff to work with the applicant to create a development agreement to limit the densities on the property in a way that was similar to what had been done on the property across the street from the project.

Mr. Solaro explained if the Board moved to reconsider the item, Agenda Item 18 would be opened and the Board would decide to either accept the report of the Planning Commission, deny it, or modify the report. If the Board chose to modify the decision of the Planning Commission, the item would go back to the Planning Commission for another review and report. After that, the item would go to the BCC and then to Regional Planning. He noted if the Board approved the requested action, it would lessen the density that had already been approved through the public process.

Vice Chair Hill reaffirmed her second on the motion to reconsider the vote. Chair Hartung noted the BCC had denied the high-density because it traveled with the land. He said developmental agreements were historically time-sensitive and did not accompany the land itself. Assistant District Attorney Nathan Edwards replied that Chair Hartung's statement was generally correct. Chair Hartung asked what the benefit was for staff if the Board were to reconsider the vote. Attorney Edwards said the applicants would have to go through the regular intake process again, which included filing an application and paying a fee. The application would be vetted and reviewed and would eventually move to the BCC agenda for a first reading and a possible second reading.

Chair Hartung asked Mr. Solaro about the staff time involved if the Board were to reconsider the vote. Mr. Solaro responded that the development agreement approach required more staff time and effort than the reconsideration that was before the Board that day. He noted the majority of the work regarding the process had already been completed by staff. If the Board were to request the project go through the development agreement process, staff would have to start some of that procedure over again. He said staff in the Planning Division had been inundated with development agreements and intakes on a monthly basis. He noted the Planning Division used to have an average of 5 a month, whereas the department currently received close to 20 a month.

On motion by Commissioner Herman, seconded by Vice Chair Hill, which motion failed on a 3-2 vote, it was ordered that Agenda Item 17 not be reconsidered and the Board would not move into Agenda Item 18.

**22-0352**      **AGENDA ITEM 19** Public Hearing and possible action to hold the first reading of an ordinance: (1) amending Ordinance No. 1000 in order to

change the boundaries of District No. 24 (Groundwater Remediation); (2) providing for a notice of a public hearing and other matters relating thereto; and (3) setting the public hearing for the second reading and possible adoption on June 21, 2022; AND Hold the first reading of an ordinance: (1) imposing a fee on the parcels of land in Washoe County, Nevada District No. 24 (Groundwater Remediation) to pay the costs of developing and carrying out a plan for remediation; (2) providing for a notice of a public hearing and other matters relating thereto; and (3) setting the public hearing for the second reading and possible adoption on June 21, 2022. The Central Truckee Meadows Remediation District was formed in 1997 to address the tetrachloroethene (PCE) contamination of groundwater in the central Truckee Meadows area. The District is tasked with remediating PCE contamination and annually updates both the Service Area Boundary and Contaminant Boundary based on continuous analysis and modeling efforts. Community Services. (All Commission Districts.)

County Clerk Jan Galassini read the title for Bill No. 1878.

There was no response to the call for public comment.

Bill No. 1878 was introduced by Commissioner Lucey, and legal notice for final action of adoption was directed.

County Clerk Jan Galassini read the title for Bill No. 1879.

There was no response to the call for public comment.

Bill No. 1879 was introduced by Commissioner Lucey, and legal notice for final action of adoption was directed.

Commissioner Herman asked whether the County had previously charged groundwater remediation fees and Chair Hartung responded yes. Commissioner Herman asked whether the dollar amount of the current fees was similar to previous charges.

Division Director of Engineering and Capital Projects Dwayne Smith explained the Central Truckee Meadows Remediation District Program's budget was the same each year when the contaminate boundary was updated. He said the service fee boundary was readjusted based on the budget and the number of customers. He noted the current year's variance was less than a dollar. Since the inception of the program, the County has charged a fee that allowed the County to manage, mitigate, and remediate tetrachloroethene (PCE) in groundwater.

Commissioner Herman asked how the program was progressing. Mr. Smith responded the management of PCE was done primarily through the stripping of PCE from the groundwater of municipal wells located in the contaminated plumes, which were mainly located in the downtown Reno area. The program also did spot work to remediate

PCE through other methods. Spot work, he explained, was currently being done with an individual who owned property directly over a contaminated plume. The State was a partner to the County to help direct remediation activities for the contaminated plumes.

Chair Hartung asked Commissioner Lucey to reintroduce Bill No. 1879. Chair Lucey reintroduced Bill No. 1879, and legal notice for final action of adoption was directed.

**22-0353**      **AGENDA ITEM 20** Public Hearing: Second reading and adoption of an ordinance amending Washoe County Code Chapter 110 (Development Code), Article 319, Short Term Rentals (STRs) by amending various sections in order to: (1) change the requirements for processing a tier 3 STR application from an administrative permit approved by the Board of Adjustment to a special use permit approved by the Planning Commission; (2) exclude overflow parking spaces in condominium or multi-family complexes in the calculation of required parking spaces; (3) require the STR property owner(s)' notarized certification to include an attestation that the subject STR property is covered by insurance that provides for a minimum of \$500,000 liability coverage per occurrence; (4) repeal the requirement to submit a certificate of insurance; (5) provide that a bear box is required in the Incline Village General Improvement District's service territory following two confirmed trash violations; (6) modify the maximum occupancy calculation from one occupant for every 200 square feet of habitable space to two (2) occupants for each legally permitted bedroom, with the remainder of the home (excluding bedrooms) calculated as one occupant for every 200 square feet of habitable space; and all matters necessarily connected therewith and pertaining thereto. Community Services. (All Commission Districts.)

The Chair opened the public hearing.

Assistant County Manager Dave Solaro read the title for Ordinance No. 1686, Bill No. 1876.

Mr. Solaro reminded a short-term rental ordinance had been adopted into the Development Code previously. At that time, the Board had been told staff would do their due diligence and collect data and make recommendations back to the Board regarding this matter. An update was given prior to the first reading of this item.

Ms. Brittany Wieke reminded the item was heard at a first reading the previous month and said she had a presentation if the Board desired to hear it.

County Clerk Jan Galassini stated an email received from Ms. Judith Miller would be placed on file.

The Washoe County Board of Commissioners convened at 10:00 a.m. in regular session in the Commission Chambers of the Washoe County Administration Complex, 1001 East Ninth Street, Reno, Nevada. Following the Pledge of Allegiance to the flag of our Country, County Clerk Jan Galassini called roll and the Board conducted the following business:

**22-0423      AGENDA ITEM 3 Public Comment.**

Ms. Beth Macmillan thanked the Board for its support. She thanked Washoe County Communications Director Nancy Leuenhagen for her support as a member of the Artown Board and the podcast opportunity. She shared that the Dragon Lights would take place throughout the arboretum at Rancho San Rafael Park, and Artown would be held at several venues including Hawkins Amphitheater, the University of Nevada, Reno, and Idlewild Park. She shared a video of Artown attractions, noting the events would begin in less than two weeks.

Ms. Tracey Hilton-Thomas read from the Bible. She expressed excitement about Agenda Item 8E2 as it related to traffic in District 4, and she requested further information regarding the referenced resolution. She pointed out the County had completed another round of contract negotiations and questioned why deputies with the Washoe County Sheriff's Office (WCSO) were receiving larger bonuses than other County employees. She opined this created tension at the WCSO among deputies and the rest of the staff. She voiced concern about Agenda Item 18 and believed there were already adequate resources to protect employees. She did not think the fund established through Item 18 would be used equitably and did not want taxpayers to have to contribute. She urged the Board to reject Item 18 and send it back to be amended.
