1001 East Ninth Street, Reno, Nevada

9:00 A.M., Thursday, April 11, 2013

The Design Review Committee makes comments and recommendations with respect to aesthetic and design issues on project applications or other matters referred it by the Washoe County Planning Commission, Washoe County Board of Adjustment, or the Community Development Department.

**Items for Possible Action:** All numbered or lettered items on this agenda are hereby designated **for possible action** as if the words “for possible action” were written next to each item (NRS 241.020), except for items marked with an asterisk (\*). Those items marked with an asterisk (\*) may be discussed but action will not be taken on them.

**Possible Changes to Agenda Order and Timing:** Discussion may be delayed on any item on this agenda, and items on this agenda may be taken out of order, combined with other items and discussed or voted on as a block, removed from the agenda, moved to the agenda of another later meeting or moved to or from the consent section. Items designated for a specified time will not be heard before that time, but may be delayed beyond the specified time.

**Public Comment;** During the “Public Comment” periods listed below, anyone may speak pertaining to any matter either on or off the agenda. Public comment during these periods is limited to three minutes. Additionally, during action items (those *not* marked with an asterisk), public comment will be heard on that particular item before action is taken. See “Public Participation,” below, for time limits. In either event, each speaker must fill out a “Request to Speak” form and give it to the recording secretary. Unused time may not be reserved or transferred. Comments are to be directed to the board as a whole and not to one individual.

**Forum Restrictions and Orderly Conduct of Business.** The Design Review Committee conducts the business of Washoe County and its citizens during its meetings. The Chair may order the removal of any person whose statement or other conduct disrupts the orderly, efficient or safe conduct of the meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place and manner of speech.
