**Items for Possible Action.** All numbered or lettered items on this agenda are hereby designated for possible action as if the words “for possible action” were written next to each item (NRS 241.020), except for items marked with an asterisk (\*). Those items marked with an asterisk (\*) may be discussed but action will not be taken on them.

**Possible Changes to Agenda Order and Timing.** Discussion may be delayed on any item on this agenda, and items on this agenda may be taken out of order, combined with other items and discussed or voted on as a block, removed from the agenda, moved to the agenda of another later meeting or moved to or from the consent section. Items designated for a specified time will not be heard before that time, but may be delayed beyond the specified time.

**Public Comment.** During the “General Public Comment” items listed below, anyone may speak pertaining to any matter either on or off the agenda, to include items to be heard on consent. For the remainder of the agenda, public comment will only be heard during project review items that are *not* marked with an asterisk (\*). If an item is continued, then public comment will not be heard for that item until the date of the continued hearing. Any public comment for project review items will be heard before action is taken on that item and must be about the specific item being considered by the Committee. In order to speak during any public comment, each speaker must fill out a “Request to Speak” form and/or submit comments for the record to the Recording Secretary. Public comment and presentations for individual agenda items are limited as follows: fifteen minutes each for staff and applicant presentations and three minutes for individual speakers unless extended by questions from the Committee or by action of the Chair. Comments are to be directed to the Committee as a whole and not to one individual.

Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite are examples of speech that may be reasonably limited.
