There were no further comments or questions from committee members.

Wes Rubio moved that, after giving reasoned consideration to the information contained within the staff report and the information received during the public meeting, that the Washoe County Parcel Map Review Committee approve Parcel Map Case Number WTPM23-0017 for Jeffrey Veasley, subject to the conditions of approval included as Exhibit A with the staff report, and make the determination that the following criteria is or will be adequately provided for pursuant to Washoe County Code, Section 110.606.30(e): Rob Pierce seconded the motion which carried unanimously with a vote of 4 to 0, Dale Way was absent.

The motion carried and considered the following criteria:

- 1) General improvement considerations for all parcel maps including, but not limited to:
 - (i) Environmental and health laws and regulations concerning water and air pollution, the disposal of solid waste, facilities to supply water, community or public sewage disposal and, where applicable, individual systems for sewage disposal.

- (ii) The availability of water which meets applicable health standards and is sufficient for the reasonably foreseeable needs of the parcels of land being created.
- (iii) The availability and accessibility of utilities.
- (iv) The availability and accessibility of public services such as schools, police and fire protection, transportation, recreation and parks.
- (v) Conformity with the zoning ordinances and master plan.
- (vi) General conformity with the governing body's master plan of streets and highways.
- (vii) The effect of the proposed division of land on existing public streets and the need for new streets or highways to serve the parcels of land being created.
- (viii) Physical characteristics of the land such as floodplain, slope and soil.
- (ix) The recommendations and comments of those entities reviewing the tentative parcel map pursuant to NRS 278.330 and 278.348, inclusive.
- (x) The availability and accessibility of fire protection including, but not limited to, the availability and accessibility of water and services for the prevention and containment of fires including fires in wild lands.
- (xi) Community antenna television (CATV) conduit and pull wire.
