October 12, 2015

TO: Regional Street Naming Committee

FROM: Bradley Kaneyuki, Technology Services / GIS

SUBJECT: Request a Street Name Change

BACKGROUND:

On Monday, October 10th, 2016, Michael D Gross contacted GIS, Technology Services to request a street name change. In his view, the street name is inappropriate and inconsistent with the naming convention of the surrounding street names. The street arches 470 feet from FAIRVIEW BLVD northward to MOUNT ROSE HWY in Incline Village (see attached map) and resides predominately in a Washoe County right-of-way that terminates approximately 50 feet into a NDOT right-of-way on the north end. He has requested to rename the public road from JIMBO'S SHORTCUT to CHATEAU ACRES. GIS has performed its due diligence by checking the street name against the Master Street Directory for any existing street name duplicates or similar phonetically-sounding street names for the purposes of Emergency Management. CHATEAU ACRES has been entered into the Reservation table of the Master Street Directory.
