Licensed Engineer – Engineering & Capital Projects Division

SUBJECT: July 21, 2022, Regional Street Naming Memo

Regional Street Naming Committee:

One application for naming or renaming of existing streets, easements, or alleyways has been submitted for consideration. The application is as followed:

New Business

1) **Gary Hall Way – Green Street**

An application to rename Gary Hall Way to Green Street was received on March 24, 2022. Gary Hall Way is located within unincorporated Washoe County. The roadway runs in an east-west direction and lies to the west of Neighborhood Way. The applicant has made this request to coincide with their development and building identification. Seven parcels were notified of the potential change with only the Applicant's parcel potentially changing addresses.

Washoe County GIS performed due diligence by checking the proposed street names against the Master Street Directory for any existing, duplicate, or similar-sounding street names for the purpose of emergency management. The proposed street name is unique and has been accepted into the Street Reservation List.
