

Washoe County Business License Renewals

Business licenses are good for one year. Each year, approximately one month before your license expires, the business license office will send you a renewal form (an example is shown on the following page). Simply review your license information, making changes as necessary, record your previous year's gross receipts and total due based on the fee table, sign and date the form, and return it with your payment by the end of the month. Be sure to keep the bottom portion of the form for your records. An envelope is included for you to pay by mail, or you may pay in person at our office located at 1001 E. Ninth Street in Reno.
