Hello Eva,

Thank you so much for returning my call this afternoon. It is appreciated. We will not oppose Dr. Quinn Pauly's Easement Abandonment Application. Please can you enter below into the public record for tonight's meeting, thank you.

5-1-2018

I, James Dodson and Dr. Anastasia Owens own Parcel Number 142-242-17 lot numbers 93 and 94 which border Dr. Quinn Pauly's parcel 142-242-18. Both my sister and I are very grateful to Eva Krause, the AICP, Planner in charge of handling this case because she strongly protected our easement interests in the Washoe County Planning Commission report. The conclusions reached in her Report are greatly appreciated. We are glad that she took the time to listen to our concerns.

However; we have reached a private agreement with Dr. Pauly and decided to support his Easement Abandonment Application. My father is terminally ill and having an allergic reaction to his cancer medication. As a result, I am not certain if I will be able to attend tonight's meeting. Should the Planning Committee have any questions or concerns regarding our support of the Pauly Abandonment application, I can be reached by phone at 775.351.4444.

Kind Regards,

James A Dodson
