STR Owner Affidavit and Notarized Certification

I, as the owner of this Short-Term Rental, understand and agree to the following ordinance standards and requirements:

- (1) An STR permit is deemed a privileged permit subject to revocation without action by the Board of County Commissioners (BCC) for non-payment of fees or noncompliance with required standards, including the revocation standards within Section 110.319.40.
- (2) An STR permit must be renewed and issued annually in order to advertise or operate. Property owners should be aware that standards are subject to change over time and there is no guarantee that an STR permit will be re-issued.
- (3) An STR permit does not relieve the property owner of complying with any applicable private restrictions on the property such as CC&Rs or homeowners association rules.
- (4) Per Section 110.319.35, physical inspections must be passed prior to issuance of the initial STR permit. Thereafter, a self-certification checklist may be provided for annual renewals provided the requirements of Section 110.319.35 are met. The cost of these inspections and any necessary associated improvements will be borne by the property owner. It is the responsibility of the property owner to provide sufficient evidence that the applicable standards have been met.
- (5) The property owner has reviewed this article and other codes referenced within this article, understands the requirements and agrees to abide by them.
- (6) The property owner is responsible for each occupant's compliance with the Washoe County Code while they are on the property, including but not limited to the standards within this article.
- (7) There are no delinquent transient lodging tax liabilities or liens against the property.
- (8) No alterations will be made to the STR premises without the proper approvals and permits, nor alterations that violate Washoe County adopted codes and ordinances.
- (9) A valid STR permit shall be obtained from Washoe County prior to advertising and operation.
- (10) STR permits must be renewed and issued annually in order to advertise or operate. Previous issuance of an STR permit does not guarantee that a subsequent permit will be issued.
- (11) Every STR is required to have a designated agent or property manager functioning as a local responsible party who is available 24 hours a day, seven days a week to respond via text message or phone to complaints/issues related to the STR within 30 minutes of contact by Washoe County staff or its designated representatives. The local responsible party must also be based in a location where they can physically arrive at the STR within one hour (not including reasonable delays due to traffic or weather) of the initial response. This requirement is intended to address complaints based on violations of this section or Section 110.319.20 and should not be interpreted for any other purpose. The

STR property owner shall provide a single phone number (text-capable) and email address with which the local responsible party can be reached 24/7.

- (12) No events, parties, or weddings (regardless of payment or familial association), are allowed or may be advertised. A party is defined as any gathering in excess of the approved on-site maximum occupancy associated with the STR permit.
- (13) Applications for an STR permit may be initiated by the property owner or authorized agent of the property owner. However, the permittee must be the property owner(s) of the STR property.
- (14) Only one STR will be permitted per parcel, with the exception that a second STR may be allowed if established within a legally permitted attached or detached accessory dwelling. The STR must be a legally permitted, permanent, habitable dwelling unit (for example, no RVs, boats, detached garages, etc. to be used as an STR).
- (15) An STR permit will only be issued for dwelling units that have already received a certificate of occupancy. STR permits do not supersede, waive or reduce any other code standards or requirements for building permits, planning permits/applications or other requirements necessary to construct a dwelling unit.
- (16) An STR shall only be rented to one group or person at a time (ex. renting out multiple individual rooms to multiple separate groups is not permitted).
- (17) Advertising for an STR is prohibited unless a valid STR permit has been issued and is in effect at the time of advertisement. All advertisements must include the Washoe County permit number, transient lodging tax license number, maximum occupancy as allowed by the permit, number of bedrooms, number of beds (not to exceed maximum occupancy), number of parking spaces, and a note that no off-site street-parking is permitted. This information must be displayed at the top of the STR advertisement.
- (18) No signage advertising the STR is permitted on the property.
- (19) Educational material must be made available to all renters in the unit's kitchen or other common area as required by WCC 110.319.15(a)(13).
- (20) All STRs must comply with all Washoe County Short Term Rental standards per chapter 110, Article 319, other federal, state, and other applicable laws/statutes.
- (21) Per WCC Chapter 25, applicable room tax must be paid to the Reno-Sparks Convention and Visitors Authority, disclosed to the renter and included in any rental agreement.
