7. **APPROVALS AND AGENCY SIGN-OFFS.** The applicant will be directed to applicable public agencies for approval. This approval will be recorded by the agency on a sign-off list provided to the applicant. These agencies will contact you separately if more information or changes to the application are required. Untimely return of the information or changes to the application may jeopardize license review and approval. Any food vendors, solid waste disposal, and sanitation needs will require separate permits from the Washoe County Health District (775-328-2434). If any reviewing public agencies have any additional application or permit fees, they will so inform you.

8. **CONDITIONS OF APPROVAL.** One or more of the reviewing public agencies may recommend conditions be attached to the temporary sales or services license. Washoe County Business License will determine which conditions are attached to the license, and issue the license with those conditions. All conditions must be met to the satisfaction of the imposing public agency, and it is the applicant's responsibility to contact the agency for condition compliance. Failure to comply with any pre-event conditions may cause Washoe County to not issue the temporary sales or services license. Failure to comply with during-event conditions may cause Washoe County to take appropriate measures to revoke or suspend the license. Failure to comply with post-event conditions may cause Washoe County to impose more stringent conditions on, or potentially jeopardize the approval of, future temporary sales or services license applications.

9. **ISSUANCE OF LICENSE.** The temporary sales or services license will be issued after all fees have been paid and all necessary approvals, with or without recommended conditions, have been received from reviewing public agencies. The temporary sales or services license receipt demonstrates proof of payment and acts as the temporary sales or service license, if the applicant does not receive the printed Washoe County temporary sales or services license. The license will be sent to the applicant by Email as an attached file. If an Email address is not provided in the application, the license will be sent through U.S. Postal Mail to the applicant's mailing address. **The license or receipt must be displayed prominently at the event and must be available for inspection.** The license is valid only for the temporary sales or services as contained in this application and approved/issued by Washoe County Business License, and not for any other event or location.

All applications must be signed and dated below by the applicant. By signature, the applicant attests an understanding of the application submittal requirements as contained in the General Procedures; understands that conditions may be attached to the temporary sales or services license and will comply with all imposed conditions; and, will not set up nor sell/provide services or products until the temporary sales or services license is approved and issued.
