

## Electrical Work That Would Not Require A Building Permit

**Important Notice:** Exemptions from permit requirements of this code shall not be deemed to grant authorization for any work to be done in any manner in violation of the provisions of this code or any other laws or ordinances of this jurisdiction.

Permits shall not be required for the following:

### Repairs and Maintenance:

1. Minor repair work, including the replacement of lamps or the connection of approved portable electrical equipment to approved permanently installed receptacles.
2. Reinstallation of attachment plug receptacles, but not the outlets therefore.
3. Repair or replacement of branch circuit over-current devices of the required capacity in the same location.
4. Repair or replacement of current carrying parts on any switch, contactor or control device.
5. Repair or replacement of electrodes or transformers of the same size and capacity for signs or gas tube systems.
6. Repair or replacement of fixed motors, transformers or fixed approved appliances of the same type and rating in the same location.
7. Removal of electrical wire, coax or communication wire.

### Temporary Uses:

1. Listed cord and plug connected to temporary decorative lighting.
2. Listed temporary construction lighting and wiring.
3. Installation of any temporary system required for the testing or servicing of electrical equipment or apparatus.
4. Carnivals and circuses.
5. Temporary wiring for experimental purposes in suitable experimental laboratories.

### Electrical Wiring, Devices and Appliances:

Electrical wiring, devices, appliances, apparatus or equipment operating at less than 25 volts and is not capable of supplying more than 50 watts of energy.

### **Radio and Television Transmitting Stations:**

The provisions of this code shall not apply to electrical equipment used for radio and television transmissions, but do apply to equipment and wiring for a power supply and the installation of towers and antennas.

### **Public and Private Utilities:**

The provisions of this code shall not apply to the installation, alteration or repair of electrical wiring, apparatus or equipment or the generation, transmission, distribution or metering of electrical energy or in the operation of signals or the transmission of intelligence by a public or private utility in the exercise of its function as a serving utility.
