Total request not to exceed \$14,750.48.

SUMMARY

The 79th Nevada Legislature passed Senate Bill 176 (SB 176), which requires uniformed peace officers employed by a law enforcement agency and who routinely interact with the public to wear a body worn camera device effective July 1, 2018. SB 176 expanded the permissible use of the county's 911 telephone line surcharge fund to include the purchase and maintenance of body worn cameras.

The City of Sparks through the Sparks Police Department continues to operate the Body Worn Camera (BWC) and Fleet system and is requesting the Washoe County 911 Emergency Response Advisory Committee approve reimbursement to the City of Sparks for purchase of 4 new cameras and related equipment installed in four new patrol cars.

NRS APPLICABLE:

NRS 244.7643 and NRS 244A.7645 Provides approval of costs associated to use of the county's 911 telephone line surcharge fund to purchase and maintain body worn and fleet cameras.
