PAYMENT AGREEMENT

- As a participant of the DAS program, you are required to pay either a monthly probation supervision fee or drug and alcohol testing fees at Sober 24.
- All participants of probation and/or drug or alcohol testing are required to pay a \$25 administrative fee.
- Monthly probation supervision fees are \$20.00 or \$40.00 and are due no later than the _____ of each month, beginning _____ and due every month until you are released from probation and your balance is paid in full. If you are unable to pay these fees, you may complete a Financial Assistance Application. If it is approved, you may be able to do community service in lieu of your supervision fees.
- If you are in a specialty court with Judge Pearson, a monthly participation fee in the amount of \$10.00 due no later than the _____ of each month, beginning _____ and due every month until you are released from specialty court. The specialty court participation fee is waived if you are participating in Sober 24.
- Sober 24 testing fees are \$4.00 for each drug test and \$1.00 for each alcohol breath test. Testing fees are due at the time of testing. If you do not pay, you may be turned away, which will be considered a missed test. Missed tests are a violation of your probation, which may result in your arrest. Community service does not apply to Sober 24 fees and these fees cannot be waived.
- If you lose or forget your PBT testing tube, you will be required to purchase a new one at a cost of \$5.00. If you are unable to purchase a tube, DAS will consider this a refusal to test and may result in a violation of your probation. PBT testing tube costs cannot be waived.
- If you test positive and challenge this result, your sample can be sent to the lab. The cost for this is \$25 and due before the sample is sent out. If the sample is confirmed to be positive, you will not receive a credit for the \$25. If the sample is confirmed negative, the \$25 you paid for the lab test will be applied to your testing and/or supervision fees.

Failure to pay your fees may result in a violation of your probation and/or a delay of graduation from specialty court. If your account becomes delinquent, you may be referred for collection action.
