

MAGOO

Magoo was suffering from bladder stones that could have been fatal if not treated. Lisa, his person, was unable to afford care for her beloved dog. With financial support from Animal Services, SPCA of Northern Nevada, and Options Veterinary Care. He was able to receive treatment and is now stone free!

Hazel, a 5 month old puppy, was attacked by another dog resulting in severe wounds that would require surgery. Animal Services was able to refer Hazel to Options Veterinary Care and provide financial support to help cover the cost of the bill. Hazel is now healed and happy to be home

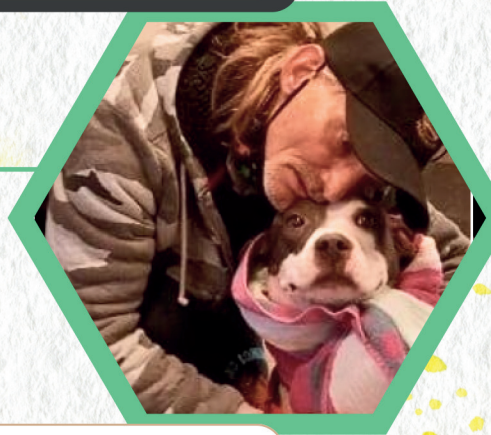

HAZEL

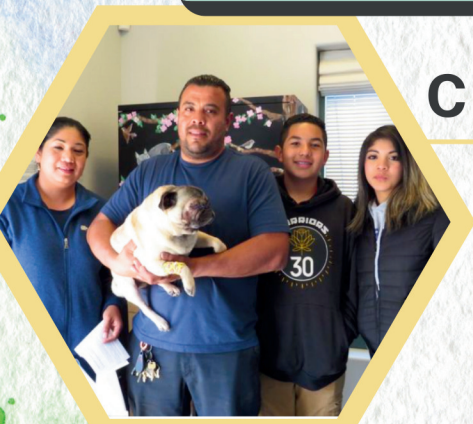

CAZPER

Cazper the cat sustained a deep laceration on his paw which required surgery to repair. A surgery that his family was unable to afford. With funding from Animal Services and Shakespeare Animal Fund Cazper was able to be treated at Options Veterinary Care and fully recover.

Rosie was attacked by two dogs while on a walk and suffered multiple bites and lacerations. Rosie's people were unable to get her seen due to lack of funds. Rosie was able to be seen at Options with financial support from Animal Services as well as Options Veterinary Care.

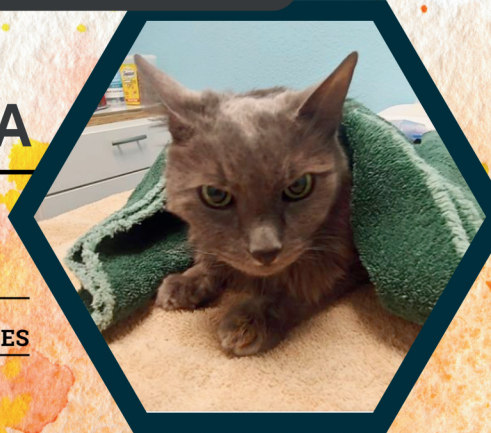

ROSIE

CHESTER

Chester the Pug sustained a serious eye injury that would require his eye to be removed. With funding from Animal Services and Options Veterinary Care Chester was able to receive the treatment he needed and is feeling much better!

At 13, Isabella the cat had developed arthritis in her hips, making it difficult to walk. Her human, a low-income senior, was able to get this kitty diagnosed and treated at Options veterinary Care with support from Animal Services!
