**00-528 COMPREHENSIVE PLAN AMENDMENT CASE NO. CP00TA-001 - COTTONWOOD COURT PROPERTIES/PETER ADAMCO – RESOLUTION - COMMUNITY DEVELOPMENT**

5:30 p.m. This was the time set in a Notice of Public Hearing, published in the Reno Gazette-Journal on June 2, 2000 to consider a request to amend the Tahoe Area Plans, being a part of the Washoe County Comprehensive Plan. The amendment would remove the subject parcel from the Incline Village Commercial Community Plan and would designate Assessor's Parcel Number 124-041-90 from the land use category of neighborhood Commercial/Office (NC) to Medium Density Urban (MDU). The parcel considered for the land use change totals ±.29 acres and is located at 317 Cottonwood Court, Incline Village. The parcel is found within the Incline Hydrologic Transfer Area of the Tahoe...
Basin, in Section 16, T16N, R18E, MDM. Proof was made that due and legal notice had been given.

ADMINISTRATIVE CHANGES:

To re-designate Assessor Parcel Numbers 124-371-01 through 04, a property including four condominium units and common open space of ±.161 acres, from High Density Suburban (HDS) to Medium Density Urban (MDU). The property is located at 260 Alder Court, Incline Village. The parcel is found within the Incline Hydrologic Transfer Area of the Tahoe Basin, in Section 16, T16N, R18E, MDM, Washoe County, Nevada.

To re-designate Assessor Parcel Numbers 132-240-15 from General Commercial (GC) to Medium Density Urban (MDU). The property is located at 872 Tanager Street, Incline Village. All parcels are owned by the United States Department of Agriculture, Forest Service, Lake Tahoe Basin Management Unit, and not with an approved downhill/cross country ski facility, from General Rural (GR) to Open Space (OS).

The administrative change would permit the addition of "Threshold Related Research Facilities" as a special use within the Incline Village Commercial and Tourist Commercial Community Plans.

The administrative change would allow the update of the Transportation Facilities Map of North Stateline Community Plan, Incline Village Commercial Community Plan, Incline Village Tourist Community Plan and Ponderosa Plan and reflect those changes in the Tahoe Area Plan.

The administrative change would extend the Commercial Floor Area (CFA), bonus Tourist Accommodation Units (TAUs) and incentive units for employee or affordable housing from 1996 and 1999 to 2006. Changes in the North Stateline and Incline Village Commercial Community Plans are required.
Sharon Kvas, Community Development, provided background information and advised the amendment would change the Tahoe Area Plan and all four of the Tahoe Community plans; that the applicant requested a minor change in one of the community plans, which would move his property out of the community plan and allow him to condominiumize his three-unit apartment building; that this process provided staff with the opportunity to make minor changes where it seemed appropriate; and that the proposed amendment was unanimously approved by the Planning Commission and has gone through the Tahoe Regional Planning Agency.
