02-1282 DISCUSSION – APPOINTMENT OF 7th MEMBER – TRUCKEE MEADOWS WATER AUTHORITY

Lori Williams, General Manager, Truckee Meadows Water Authority (TMWA), thanked Chairman Sferrazza, Commissioner Bond and Commissioner Shaw for their dedicated service as TMWA Board members. She then reviewed her staff report dated September 23, 2002 concerning appointment of a seventh TMWA Board member. Ms. Williams said she anticipates presenting the input from the County and Cities to the TMWA Board at their January 8, 2003 meeting. She stated the Sparks City Council voted to amend the joint powers agreement to eliminate the seventh Board member, but if that was not the consensus of the County and the City of Reno, the City of Sparks would retain their right to have input toward filling the seventh member. She then said the Reno City Council discussed rotating the position between the three entities, but ultimately directed Councilmember Aiazzi to nominate the two new Reno City Council members and the new Reno Mayor as the seventh Board member to fill the elected official requirement. In response to Commissioner Shaw, Ms. Williams stated the Reno City Council had lengthy discussions concerning eliminating the seventh member, but did not support the idea. Commissioner Galloway stated he is not in favor of eliminating the seventh member, and he suggested the seventh member be a consumer advocate or a water expert not affiliated with the County or Cities, but who is agreed upon by the three government entities. He further said if the seventh member is from one of the three
entities, it should be from Washoe County because that is the only body that represents all of the people. Ms. Williams stated the Reno City Council also suggested there be equal representation on the TMWA Board. Commissioner Short recommended an appointee from the Regional Water Planning Commission (RWPC) or some other water professional. He said he feels Washoe County is under represented on the TMWA Board. Ms. Williams said the idea of a water professional had been suggested by all the entities, including TMWA. Madelyn Shipman, Assistant District Attorney, said the joint powers agreement would require an amendment to remove the elected official requirement if that is what is decided by the three entities. Chairman Sferrazza said he does not support the elimination of the elected official requirement and he would prefer an elected official from Reno as opposed to a water expert. In response to Commissioner Shaw, Ms. Williams said the Sparks representative currently on the TMWA Board had commented at a TMWA Board meeting that elected officials are consumer advocates, as well as elected officials, and therefore they do not feel the need for the State consumer advocate to be on the Board. Commissioner Shaw suggested that Ms. Williams present to the TMWA Board on behalf of the Washoe County Commission that the seventh member be an elected official. Chairman Sferrazza agreed. In answer to Commissioner Galloway, Ms. Williams stated that the appointment process involves the TMWA Board moving the appointee forward to the three governmental entities to approve. Commissioner Galloway stated he does not support the recommendation by Commissioner Shaw and Chairman Sferrazza because that could result in four seats occupied by one entity. Commissioner Shaw clarified his recommendation for the seventh member to be an elected official from the Washoe Board of County Commissioners. Commissioner Galloway said he would support that recommendation and suggested the Commissioner that represents the largest number of TMWA customers be the seventh member.

Sam Dehne, Reno resident, said it sounds logical there be a seventh member, and the member be from Washoe County.

Terri Shannon, Washoe County resident, said she feels it is important that the seventh member be an elected official and would support it being a Washoe County Commissioner. She did not agree with the suggestion that the seventh member be the Commissioner that represents the largest number of TMWA customers.

On motion by Commissioner Shaw, seconded by Commissioner Galloway, which motion duly carried with Commissioner Bond absent, Chairman Sferrazza ordered that Lori Williams be directed to present to the TMWA Board that the seventh member be a Washoe County Commissioner or a consumer advocate, provided the joint powers agreement is amended to remove the elected official requirement if the consumer advocate option is chosen by the TMWA Board.

Chairman Sferrazza asked that, if this cannot be resolved by the TMWA Board, the matter come before the three entities at a joint meeting.

In response to Chairman Sferrazza, Joanne Ray, Director, Human Resources, said Patrick Dolan no longer does any work for the County other than his contract for services as needed with the Sheriff’s Office concerning labor issues, grievances, and disciplinary matters. Chairman Sferrazza and Commissioner Galloway stated they see a conflict of interest with Mr. Dolan’s duties and recommended Mr. Dolan not hear any actions involving the Sheriff’s Office.

Madelyn Shipman, Assistant District Attorney, said this current action is to ensure there are two attorneys available to call on to provide the services when needed. She stated that Henry Egghart is the attorney of record on two pending cases: Oil Dri and Sierra Nevada College. She said she does not see a conflict of interest concerning Mr. Egghart acting as a hearing officer for Washoe County.

Upon recommendation of Ms. Ray, on motion by Commissioner Galloway, seconded by Commissioner Shaw, which motion duly carried with Commissioner Bond absent, Chairman Sferrazza ordered that Patrick Dolan and Henry Egghart be appointed as hearing officers, consistent with the provisions of the County’s whistleblower protection ordinance. It was further ordered that the Purchasing and Contracts Administrator be authorized to execute an agreement with US Modular Group, Inc. to perform the work.

Chairman Sferrazza noted this transaction could result in a million dollar savings if interest rates continue to remain low. Commissioner Galloway asked if there would be a change in the ad valorem tax rate. John Sherman, Washoe County Finance Director, explained that this is a refinancing of 1993B Jail Refunding Bonds to take advantage of lower interest rates. He said there is no new tax created by this Ordinance and it should cause a reduction in the need for revenues to pay off the bonds.

02-1297 ORDINANCE NO. 1183 - BILL NO. 1361 - AMENDING WCC CHAPTER 85 – FEE SCHEDULE FOR STREET CUT PERMITS

5:30 p.m. This was the time set in a Notice of Public Hearing published in the Reno Gazette-Journal on November 29, 2002 to consider the second reading and adoption of Bill No. 1361. Proof was made that due and legal Notice had been given.

Chairman Sferrazza opened the public hearing by calling on anyone wishing to speak for or against adoption of said Ordinance. There being no response, the hearing was closed.

Chairman Sferrazza advised that a letter dated December 10, 2002 was received from Southwest Gas Corporation in support of the Ordinance. The letter stated that Southwest Gas would have been billed $164,000 for the work they completed in Washoe County during 2002 and, under the proposed Ordinance, would have been billed $48,792.

Tom Gadd, Director, General Services Department, advised the amendment to the Ordinance adjusts only the administrative fees associated with street cut permits. He said staff determined the administrative fees set forth in the April 26, 2002 Street Cut Ordinance were higher than the amount required to cover the inspection costs being charged. Mr. Gadd then reviewed the application fee and penalty fee components of the street cut permit charges.

Chairman Sferrazza stated his understanding of the proposal is that many people would experience an increase in what they are required to pay for a street cut permit. Mr. Gadd advised there would actually be a decrease in what the County charges for the permits. He then explained how the proposed administrative fee would be calculated and discussed budget issues relating to the street cut permit fees.

On motion by Commissioner Galloway, seconded by Commissioner Shaw, which motion duly carried with Chairman Sferrazza voting "no" and Commissioner Bond absent, it was ordered that Ordinance No. 1183, Bill No. 1361, entitled, "AN
ORDINANCE AMENDING CHAPTER 85 OF THE WASHOE COUNTY CODE BY REVISING THE FEE SCHEDULE FOR STREET CUT PERMITS AND OTHER MATTERS PROPERLY RELATING THERETO, "be approved, adopted and published in accordance with NRS 244.100.

02-1298 RETROACTIVE APPLICATION OF AMENDED STREET CUT PERMITS ORDINANCE FEE SCHEDULE

Upon recommendation of David Price, County Engineer, through Tom Gadd, Director, General Services Department, on motion by Commissioner Short, seconded by Commissioner Shaw, which motion duly carried with Commissioner Bond absent, Chairman Sferrazza ordered that application of the amended fee schedule adopted this date by Ordinance No. 1183, concerning all street cut permits issued since the adoption of the April 26, 2002 Street Cut Ordinance (Ordinance No. 1159), be approved retroactively; and the administrative fees paid in excess of the new schedule be refunded.

02-1299 ORDINANCE NO. 1184 - BILL NO. 1362 - AMENDING WCC CHAPTER 25 – ROOM TAXES AND DEFEASANCE OF MULTI-PURPOSE BOWLING FACILITY

5:30 p.m. This was the time set in a Notice of Public Hearing published in the Reno Gazette-Journal on November 29, 2002 to consider the second reading and adoption of Bill No. 1362. Proof was made that due and legal Notice had been given.

Chairman Sferrazza opened the public hearing by calling on anyone wishing to speak for or against adoption of said Ordinance. There being no response, the hearing was closed.

On motion by Commissioner Shaw, seconded by Commissioner Short, which motion duly carried with Commissioner Bond absent, Chairman Sferrazza ordered that Ordinance No. 1184, Bill No. 1362, entitled, "AN ORDINANCE AMENDING THE WASHOE COUNTY CODE BY AMENDING PROVISIONS TO REFLECT THE DEFEASANCE OF THE COUNTY’S MULTI-PURPOSE BOWLING FACILITY BONDS, BY REMOVING REFERENCE IN SECTION 25.1522 TO AN EXEMPTION FROM THE TAX AS THE EXEMPTION IS PROVIDED FOR IN SECTION 25.155, AMENDING THE PROVISION RELATING TO THE NOTICE REQUIRED TO BE DISPLAYED BY LICENSEES TO REFLECT THE TOTAL AMOUNT OF THE ROOM TAX IMPOSED BY LAW, AMENDING PROVISIONS RELATING TO THE INTEREST RATE WHEN THE TAX IS NOT PAID WHEN DUE, AND PROVIDING OTHER MATTERS PROPERLY RELATING THERETO," be approved, adopted and published in accordance with NRS 244.100.
5:30 p.m. This was the time set in a Notice of Public Hearing published in the *Reno Gazette-Journal* on November 29, 2002 to consider the second reading and adoption of Bill No. 1363. Proof was made that due and legal Notice had been given.

Chairman Sferrazza opened the public hearing by calling on anyone wishing to speak for or against adoption of said Ordinance. There being no response, the hearing was closed.

Commissioner Galloway stated that some misinformation has been presented on talk radio about the salaries being paid under the proposed merger of the General Services and Public Works Departments. He advised that combining the two departments would provide a cost savings and increase service levels and efficiency.

5:30 p.m. This was the time set in a Notice of Public Hearing published in the *Reno Gazette-Journal* on November 29, 2002 to consider the second reading and adoption of Bill No. 1364. Proof was made that due and legal Notice had been given.

Chairman Sferrazza opened the public hearing by calling on anyone wishing to speak for or against adoption of said Ordinance. There being no response, the hearing was closed.
Chairman Sferrazza stated he would not support the Ordinance, because he is against the increase of signs in Washoe County.

Commissioner Galloway said the parties that originally expressed concern to him about the Ordinance have not taken a position against it. He placed photographs of similar signage in Las Vegas on file with the Clerk and said the impacts of that signage seemed to be reasonable.

On motion by Commissioner Galloway, seconded by Commissioner Shaw, which motion duly carried with Chairman Sferrazza voting "no" and Commissioner Bond absent, it was ordered that Ordinance No. 1186, Bill No. 1364, entitled, "AN ORDINANCE AMENDING PROVISIONS RELATING TO WASHOE COUNTY CODE CHAPTER 110, ARTICLE 502, OFF-PREMISE SIGNS, BY ADDING DEFINITIONS OF BUS SHELTER AND PUBLIC TRANSPORTATION OPERATOR; BY ADDING PROVISIONS REGULATING ADVERTISING COPY ON BUS SHELTERS; BY AMENDING THE NUMBER OF PERMITTED OFF-PREMISE SIGNS IN THE UNINCORPORATED PORTION OF WASHOE COUNTY, AND OTHER MATTERS PROPERLY RELATING THERETO," be approved, adopted and published in accordance with NRS 244.100.

02-1302 SPECIAL ASSESSMENT DISTRICT NO. 32 – SPANISH SPRINGS VALLEY RANCHES ROADS

5:30 p.m. This was the time set in a Notice of Public Hearing published in the Reno Gazette-Journal on November 22 and 29 and December 6, 2002 to consider the ordering of the proposed Special Assessment District No. 32 (Spanish Springs Valley Ranches Roads) and hear all complaints, protests and objections made in writing or verbally at the hearing by the owner of any tract or parcel to be assessed or any person interested. Proof was made that due and legal Notice had been given.

Chairman Sferrazza opened the public hearing and called on those wishing to speak.

Chairman Sferrazza advised that the Citizen Advisory Board has requested this matter be continued in order to have more discussion with the area residents.

James Spoo, representing the Spanish Springs Valley Ranches Property Owner's Association, advised they have been working cooperatively with the County on financial and engineering matters in support of Special Assessment District No. 32 (SAD 32). He stated they are trying to arrive at the most equitable assessments possible and would appreciate a continuance to allow time for consideration and to provide information to the Association membership.
Paul Woods, area resident, said the road he lives on is not going to be paved. He stated, when the survey was done about one year ago, the County said all roads in the area should be paved, but that is not what is being proposed. Mr. Woods noted that an assessment has already been implemented to pave Calle de la Plata, and he is against the special assessment district unless all the roads in the area are paved.

Lois Avery, area resident, commented that, when County staff said all the roads would be paved, they were referring to roads that are currently maintained by the Spanish Springs Valley Ranches Property Owner’s Association. She said the main concern of the residents is who should pay and how much. Ms. Avery stated it appears that some of the residents will bring a lawsuit, and she asked if legal staff could determine a way for the assessment district to continue forward and not have the process stopped by a few people.

6:15 p.m. Commissioner Short left the meeting.

Steve Sharfe, area resident, said he has no use for the roads being paved. He stated he has paid dues without complaint for years but sees no reason why he should be assessed when he would not receive any benefit. Commissioner Galloway encouraged Mr. Sharfe to talk with County staff to determine if they agree or disagree that there would be no benefit to his property.

On motion by Commissioner Galloway, seconded by Commissioner Shaw, which motion duly carried with Commissioners Bond and Short absent, Chairman Sferrazza ordered that the public hearing concerning Special Assessment District No. 32 (Spanish Springs Valley Ranches Roads) be continued to February 11, 2003.

There being no further business to come before the Board, the meeting adjourned at 6:20 p.m.
