NOTE: Items on the agenda may be taken out of order; combined with other items; removed from the agenda; moved to the agenda of another meeting; moved to or from the Consent section; or may be voted on in a block. Items with a specific time designation will not be heard prior to the stated time, but may be heard later. The Consent is a single agenda item and is considered as a block and will not be read aloud. The Board of County Commissioners may take breaks approximately every 90 minutes.

Accessibility. The Washoe County Commission Chambers are accessible to the disabled. If you require special arrangements for the meeting, call the Office of the County Manager, (775) 328-2000, 24-hours prior to the meeting.

Public Transportation. Public transportation is available to this meeting site: RTC Routes 2, 2S, 5 and 15 serve this location. For eligible RTC ACCESS reservations call (775) 348-5438.

Time Limits. Public comments are welcomed during the Public Comment periods for all matters, whether listed on the agenda or not, and are limited to three minutes per person. Additionally, public comment of three minutes per person will be heard during individually numbered items designated as "for possible action" on the agenda. Persons are invited to submit comments in writing on the agenda items and/or attend and make comment on that item at the Commission meeting. Persons may not allocate unused time to other speakers.

Forum Restrictions and Orderly Conduct of Business. The Board of County Commissioners conducts the business of Washoe County and its citizens during its meetings. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient or safe conduct of the meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

Responses to Public Comments. The County Commission can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Commission. However, responses from Commissioners to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Commission will consider, Commissioners may choose not to respond to public comments, except to correct factual inaccuracies, ask for County staff action or to ask that a matter be listed on a future agenda. The Commission may do this either during the public comment item or during the following item "Commissioners'/County Manager's announcements, reports and updates, requested for information or topics for future agendas."

Pursuant to NRS 241.020, the Agenda for the Commission Meeting has been posted at the following locations: Washoe County Administration Building (1001 E. 9th Street, Bldg. Public Hearing: Possible adoption of resolution adopting Master Plan Amendment Case Number WMPA18-0008 (Warm Springs Specific Plan) - Which amends the Washoe County Master Plan, Warm Springs Specific Plan to eliminate "Appendix G - Financing Plan." The financing plan was meant to serve as the mechanism for funding a variety of community infrastructure items in the Warm Springs Specific Plan Area over time, including roads, community water or sewer services and limited recreation (parks) and fire and police facilities. Since 1995 when the plan was adopted, it has required developers to pay fees to the County for future use in the construction of the infrastructure based on a formula per unit. Currently, only \$796,000 is available for use under the financing plan, but little or none of the contemplated infrastructure has been built due to a lack of adequate funding and/or need, and funds are in the process of being refunded to current property owners. The Board may adopt, not adopt, or modify the Master Plan Amendment. The affected area is the Warm Springs Specific Plan (WSSP) of the Warm Springs Area Plan. And if approved, authorize the Chair to sign the resolution adopting the amendment, subject to favorable conformance review by the Regional Planning authorities. Community Services.
