

CSD Operational Plan

Covid-19 Response and Operations Plan

- CSD Primary Objectives
 - Ensure Personal safety, safety of coworkers and safety of family
 - Continue to provide life safety and essential activities for community
 - Support life safety and essential functions
 - Continuity of economic drivers for community (i.e., Building Permits, inspections, plan review, etc.)

What we know – Parks are and will continue to be a critical component to our community's physical and mental well-being as we navigate this pandemic.
