Roll Change Request 2018-2019
RCR 1-1 through 1-95
Correction to Valuation 361.345

We request that the Washoe County Board of Equalization make the following changes in valuation for the properties on the attached spreadsheet.

For the 2018/2019 tax year, parcels in the IGAF neighborhood were appraised using the sales comparison method with sales that took place prior to July 1, 2017. The Washoe County Assessor's Office received information on sales that took place after the lien date and that would support a lower value.

As a result, these recent land sales within this area were reviewed. Based on the review of these sales, it was determined that the taxable value of these properties exceeded their full cash value. According to NRS 361.227 sec 5; the computed taxable value of any property must not exceed its full cash value. Therefore, based on this analysis, the base land value should be reduced to \$105,000. This will prevent taxable values from exceeding full cash value. For a summary of all the properties affected by this recommendation, please see RCR 1-1 through 1-95 attached hereto.
