Does the matter before me have to do with:

1. My acceptance of a gift or a loan?
2. My pecuniary (any economic) interest? or
3. The interests of a person to whom I have a commitment in a private capacity? That's defined as a person who is:
   A. A member of my household (someone who lives with me),
   B. A person related to me within the third degree of blood or marriage (namely: a spouse, child, grandchild, great grandchild, great grandparent, grandparent, parent, brother, sister, niece, nephew, aunt, or uncle),
   C. My employer; or the employer of a member of my household,
   D. A person with whom I have a substantial and continuing business relationship, or
   E. A person substantially similar to one of the people described in this paragraph 3, items A, B, C, or D above.

If my answer to any of the above is YES, then, when the matter is being considered,

I must disclose, on the record, sufficient information to fully inform or put the public on notice of the potential effect of my acting on the matter, or of the effect of my disclosing and then abstaining from acting on the matter, due to my conflict of interest. My disclosure must describe the nature and extent of the relationship.

AND

I must abstain only in a clear case where the independence of judgment of a reasonable person in my situation would be materially affected by the conflict just disclosed. I should undertake the abstention analysis on the record immediately after a disclosure.

What you might say: "Mr./Madam Chair, NRS 281A.420 requires me to disclose a conflict of interest. The matter before this body affects my acceptance of a gift or loan / my pecuniary interest / my commitment in a private capacity to the interests of Daisy Duchess, my foster mother. (Next, you must take time to describe the potential conflict between your interest and the matter before the body or board on which you serve.) Ms. Duchess' doughnut business will be financially enhanced if we approve building the new police station next door to her shop, and she will likely face financial ruin if we don't. Ms. Duchess is everything to me even if she isn't my biological mother. She raised me in her home from age 3 until I turned 19. Our relationship is substantially similar to a blood relation, probably closer, and therefore, I conclude that the independence of judgment of a reasonable person in my situation would / would not be materially affected by this relationship, and because this is / is not a clear case of a disqualifying conflict of interest, I am going to be voting / abstaining from voting in this matter." (If you decide to abstain, you must refrain from advocating for or against the matter in any way.)

Remember, you may disclose even an appearance of impropriety, though you are not required to do so. This type of disclosure assists in your duty to avoid conflicts of interest and to enhance and maintain the public trust. See NRS 281A.020.

Disclaimer: This document is intended as a general guide and is not to be construed as providing legal advice. In addition, it does not fully address the disclosure and abstention requirements of the Ethics in Government Law and offers you no protection from liability even if you follow its provisions. If you are a public officer or employee presented with a potential conflict of interest, please consult with the attorney for the body on which you serve, seek other legal advice, or contact the Commission on Ethics.

ACKNOWLEDGMENT OF ETHICAL STANDARDS FOR PUBLIC OFFICERS
Page 1 of 1

Revised 06/30/2010.MV
OPEN MEETING LAW REFRESHER

Washoe County District Attorney’s Office
Legislative Intent of “OML”

NRS 241.010 sets forth a legislative declaration, as follows:

– All public bodies exist to aid in the conduct of the people’s business.

– It is the intent of the OML that board deliberations and board actions be conducted openly.
When Does the OML Apply?

- In general, OML applies to all meetings of a public body at which deliberation takes place and/or action may occur.
Pillars of the OML

- Public Body
- Meeting
- Notice
- Agenda
- Minutes
Public Body

NRS 241.015(3)

- Any administrative, advisory, executive or legislative body of the state or local government
- which expends or disburses or is supported in whole or in part by tax revenue
- or which advises or makes recommendations to an entity which expends or disburses or is supported in whole or in part by tax revenue
- includes any board, commission, committee, subcommittee or other subsidiary thereof
Who is NOT a “Public Body”?

- NRS 241.016(2) provides that a “public body” does not include the Nevada Legislature
- Most private non-profit corporations
In general, a “meeting” is:

- The gathering of members of a public body at which a quorum is present to deliberate toward a decision or to take action on any matter over which the public body has supervision, control, jurisdiction or advisory power.
What is a Quorum?
NRS 241.015(5)

- A simple majority of the public body’s membership
- Or another proportion as required by specific statute
Methods of Holding Meetings

- In addition to standard meetings, if properly noticed and open to the public, meetings may be held:
  - Via telephone
  - Video conference
Special Note

- Electronic communication must not be used to circumvent the spirit or letter of the Open Meeting Law

- NRS 241.016(4)
Serial Communications Prohibited

“[A] quorum of a public body using serial electronic communication to deliberate toward a decision or to make a decision on any matter over which the public body has supervision, control, jurisdiction or advisory power violates the Open Meeting Law. That is not to say that in the absence of a quorum, members of a public body cannot privately discuss public issues or even lobby for votes. However, if a quorum is present, or is gathered by serial electronic communications, the body must deliberate and actually vote on the matter in a public meeting.”

Watch Out for “Walking Quorum”
NRS 241.015(3)(a)(2)

- If a public body’s members engage in a series of gatherings at which:
  - (I) Less than a quorum is present at any individual gathering;
  - (II) But, the members of the public body attending one or more of the gatherings collectively constitute a quorum; and
  - (III) The series of gatherings was held with the specific intent to avoid the OML violation
Exception: Attorney-Client Communications

- Quorum of board members may gather to receive information from the public body’s attorney regarding potential or existing litigation, and to deliberate toward a decision = NOT a meeting
  - NRS 241.015(3)(b)(2)

- E-mail communication with the board’s attorney = generally NOT a meeting
  - But do not hit “Reply All”
Social Function

NRS 241.015(3)(b)(1)

- Even if a quorum is present, social functions are NOT meetings, as long as the members do not deliberate toward a decision or take action on any matter over which the public body has supervision, control, jurisdiction or advisory power.

Don’t turn a party into a meeting!!

- Violations, as determined by the Attorney General’s Office, must be reported on the next agenda.
Enforcement

- Attorney General’s Office has primary jurisdiction to enforce OML

- AG may bring a legal proceeding to **void an action** allegedly taken in violation of the Open Meeting Law; or to **obtain an injunction** to prevent violations of the Open Meeting Law

- A private citizen may also bring a legal proceeding
Golden Rule of OML

- If the public body is not sure whether a certain act should be done in the open, it should ALWAYS perform that act at a properly noticed open meeting.
