Following the Pledge of Allegiance to the flag of our Country, the Clerk called the roll and the Board conducted the following business:

Kathy Brandhorst, local resident, addressed the Board about some of her concerns.

**05-09DMC MINUTES**

On motion by Commissioner Martini, seconded by Commissioner Pullman, which motion duly carried with Commissioners Galloway and Gustin absent, Chairman Pugh ordered that the minutes for the February 18, 2005 meeting be approved.
Terri Thomas, Finance Director, City of Sparks, described the Sparks Boulevard / Sun Valley General Improvement District Interceptor Project. Ms. Thomas explained the coverage ratio was well within a comfort level, never dipping below 2.07 times coverage for the next 20 years. She felt comfortable that bonds and debt service could accommodate the existing rate structure.

*3:10 p.m.* Commissioner Galloway arrived.

In response to Commissioner Galloway, Ms. Thomas said 1.25 was a reasonable coverage ratio.

On motion by Commissioner Martini, seconded by Commissioner Galloway, which motion duly carried with Commissioner Gustin absent, it was ordered that the following resolution be adopted and Chairman Pugh be authorized to execute the same:

RESOLUTION

Section 2. The Commission hereby finds that the requirements of NRS §§ 350.013 to 350.015, inclusive have been met, and the Proposal for the issuance of general obligation sewer bonds (additionally secured by pledged revenues) in the maximum principal amount of $8,500,000 by the City hereby is approved.

Section 6. This resolution shall become effective and be in force immediately upon its adoption.

05-11DMC  LEGISLATIVE UPDATE – REVIEW OF SB413

Paul Lipparelli, Deputy District Attorney, stated that SB413 is on track for adoption and approval. He said SB413 would move the annual meeting of the Commission from July to August, which would aid in timeframes the Commission had to struggle with in the past. Mr. Lipparelli further explained that SB413 would authorize compensation for at-large members for their service on the Board and would change the period available to the Commission to delay action on a proposal, which flexibility the Commission lacked.

Commissioner Pullman mentioned the Bill would not provide compensation for the School Board member.

Chairman Pugh noted the population of Washoe County would likely exceed the 400,000 limit referred to in SB413 by the next census. At that point, the DMC would be required to have three members from the County Commission as well as additional changes.

Kathy Brandhorst, local resident, discussed the State government.
DATE CHANGE OF ANNUAL MEETING

Commissioner Cohen questioned if changing the date of the annual meeting was premature since SB413 had not yet passed legislation. Commissioner Galloway suggested changing the date contingent on the Bill passing legislation. Nancy Parent, Chief Deputy Clerk, suggested dates for the annual meeting.

On motion by Commissioner Cohen, seconded by Commissioner Galloway, which motion duly carried with Commissioner Gustin absent, Chairman Pugh ordered that the date of the annual meeting be changed to August 19, 2005 contingent upon SB413 passing legislation.

PUBLIC COMMENTS
