08-11DMC AGENDA ITEM 7 – CITY OF RENO INSTALLMENT AGREEMENT

**Agenda Subject:** “Consideration and possible adoption/execution of a Resolution concerning the submission to the Washoe County Debt Management Commission of a proposal by the City of Reno to issue an installment purchase agreement; concerning action taken thereon by the commission; and approving certain details in connection therewith.”

Chairperson Pullman observed that Commissioner Martini had joined the meeting by telephone and a supermajority of the Commission was now present.

Andrew Green, Finance Director for the City of Reno, indicated the item under consideration was for the City of Reno to issue about $8.2 million in bonds for an installment purchase agreement that would take advantage of the federal government’s clean and renewable energy bonds. He said the City had obtained approval from the Internal Revenue Service for a number of projects that would require issuance of the bonds. He referred to the report, which demonstrated the City had satisfied all necessary requirements and submitted all required documents to the Department of Taxation and Washoe County, as well as information about current debt limitations and outstanding debt. Mr. Green commented there would be no impact on the tax rate or on overlapping jurisdictions, and funding for the debt service would be through energy savings in the General Fund as a result of implementing the projects.

John Swendseid, Bond Counsel, and staff from the City of Reno were present to answer any questions.

Vice Chairman Wolf inquired whether the decline in tax revenues would impact the City’s previous calculations relative to repayment of the bonds. Mr. Green replied there would be no impact.

Nate Edwards, Deputy District Attorney, pointed out a typographical error on page 3 of the Resolution, which indicated “Lyon County” instead of “Washoe County” immediately above the signature lines.
On motion by Commissioner Ainsworth, seconded by Commissioner Pugh, which motion duly carried on a 5-0 vote with Commissioners Galloway and Gustin absent, Chairperson Pullman ordered that the Resolution in Agenda Item 7 be adopted and executed subject to correction of a typographical error on page 3 of the Resolution. The Resolution for same is attached hereto and made a part of the minutes thereof.
