The Washoe County Debt Management Commission (DMC) met at 3:00 p.m. in the Washoe County Caucus Room, Administration Complex, 1001 East Ninth Street, Reno, Nevada, in full conformity with the law, with Chairman Gustin presiding. Following the Pledge of Allegiance to the flag of our Country, the Clerk called the roll and the Board conducted the following business:

10-014DMC AGENDA ITEM 4

Agenda Subject: “Public Comments”

There was no response to the call for public comment.

10-015DMC AGENDA ITEM 5

Agenda Subject: “Approval of the minutes of the March 26, 2010 meeting.”

On motion by Commissioner Fuller, seconded by Commissioner Hunting, which motion duly carried with Commissioners Hollinger and Salazar absent, it was ordered that Agenda Item 5 be approved.

10-016DMC AGENDA ITEM 6

Agenda Subject: “Discussion and action to establish priorities among essential and nonessential facilities and services pursuant to NRS 350.0155(2) that shall be
considered by the Debt Management Commission if the statutory ceiling established by the Debt Management Commission for the combined tax rate in any of the overlapping entities within the county is exceeded by a proposed debt or a special elective tax and compare that public need to other public needs that appear on certain filed statements of current and contemplated debt.”

John Sherman, Washoe County Finance Director, commented State law regulated how this Board would establish priorities among essential and nonessential facilities and services when entertaining proposals to the extent that they would not go over the statutory tax cap rate of $3.64. If a project was presented close to that cap, then this Board would look at the merits of the project.

On motion by Commissioner Fuller, seconded by Commissioner Breternitz, which motion duly carried with Commissioners Hollinger and Salazar absent, it was ordered that Agenda Item 6 be approved.

10-017DMC  AGENDA ITEM 7

**Agenda Subject:** “Discussion and action to specify a threshold percentage of the statutory ceiling for the combined property tax rate in any of the overlapping entities within the county which if exceeded permits the Debt Management Commission to inquire into the public need to be served by proposed debt or a special elective tax based on established priorities among essential and nonessential facilities and services and compare that public need to other public needs that appear on certain filed statements of current and contemplated debt (Pursuant to NRS 350.0155(1) the percentage must not be less than 75 percent).”

John Sherman, Washoe County Finance Director, stated it was recommended to keep the statutory ceiling at 90 percent. Commissioner Fuller confirmed $3.2760 represented 90 percent of the $3.64 tax cap rate. Chairman Gustin stated that was correct.

On motion by Commissioner Hunting, seconded by Commissioner Fuller, which motion duly carried with Commissioners Hollinger and Salazar absent, it was ordered that Agenda Item 7 be approved.

10-018DMC  AGENDA ITEM 8

**Agenda Subject:** “Review and accept the following Annual Reports from all Washoe County political subdivisions:”

- A. Indebtedness Reports
- B. Debt Management Plans
- C. Capital Improvement Programs
Chairman Gustin noted for the record that Palomino Valley General Improvement District (GID) had not submitted their report before the meeting. Commissioner Fuller inquired if there were any penalties associated with an entity not submitting their reports on time. Paul Lipparelli, Legal Counsel, indicated it was a requirement, however there were no penalties. He explained that it would be a problem if sometime during the year they proposed debt, because absence of their report could hinder the Board’s ability to evaluate their capability to repay that debt.

Commissioner Fuller inquired if the Washoe County Debt Management Commission was the responsible party to receive all of the reports. John Sherman, Washoe County Finance Director, stated the State Department of Taxation also was required to receive all of these reports. He stated this material was submitted to this Board to approve debt issuance. The State Department of Taxation was the fiscal oversight agency.

On motion by Commissioner Fuller, seconded by Commissioner Martini, which motion duly carried with Commissioners Hollinger and Salazar absent, it was ordered that Agenda Item 8 be accepted.
AGENDA ITEM 9

Agenda Subject: “Discussion and possible action on a Resolution concerning the submission to the Washoe County Debt Management Commission by Washoe County School District, Nevada, of a proposal to issue general obligations in the maximum principal amount of $5,419,000; and approving certain details in connection therewith.”

Marty Johnson, JNA Consultants, stated the School District was looking for approval to issue qualified school construction bonds in the amount of $5,419,000, which was through a program that was part of the stimulus bill. The bonds had to be issued by the end of December 2010 in order to be issued at all and receive approximately 80 percent to 90 percent of the interest subsidized by the federal government. The net rate the School District expected to pay was approximately 1 percent for the 17 year bonds. He said they were planning on issuing the bonds as part of the rollover authorization received from the voters in 2002. He said this fit within the debt limit of the School District and the property tax revenues would be sufficient to repay not only these bonds but all of their outstanding bonds.

Commissioner Fuller asked Mr. Johnson to confirm that out of the $13 million allocated to the State, only $5,419,000 was available. Mr. Johnson stated that was correct.

On motion by Commissioner Martini, seconded by Commissioner Breternitz, which motion duly carried with Commissioners Hollinger and Salazar absent, it was ordered that Agenda Item 9 be approved. The Resolution is attached hereto and made a part hereof.

AGENDA ITEM 10

Agenda Subject: “Certificate of Superintendent and Financial Advisor’s report, Series 2010A Taxable Recovery Zone Economic Development Bonds ($10,515,000), Series 2010B General Obligation Refunding Bonds ($13,700,000), Series 2010D School Improvement Bonds ($3,550,000).”

On motion by Commissioner Breternitz, seconded by Commissioner Hunting, which motion duly carried with Commissioners Hollinger and Salazar absent, it was ordered that Agenda Item 10 be approved.

AGENDA ITEM 11

Agenda Subject: “Set Dates/Times for Quarterly Meetings for 2010/11. Suggested dates are as follows.”
On motion by Commissioner Breternitz seconded by Commissioner Martini, which motion duly carried with Commissioners Hollinger and Salazar absent, it was ordered that Agenda Item 11 be approved for the suggested dates with a new starting time of 11:00 a.m.

10-022DMC  AGENDA ITEM 12

**Agenda Subject:**  “Member comments.”

Commissioner Fuller commented about the proposed shared services between the Cities and the County and what might change with regard to the responsibilities of this Board. Commissioner Breternitz stated the ballot question to the citizens would be if they wanted officials to examine and study the benefits of consolidation. He noted if the ballot question passed and the entities decided to move forward with a study, it would take a few years to complete. He offered to speak with Commissioner Fuller in more detail about the process and suggested to put this discussion on the November agenda.

Commissioner Breternitz stated he was concerned about the affect on the School District and their bonding capability if there was a judgment regarding the Incline Village property tax repayment case. He stated the School District received a large portion of the property tax revenue and he wondered if it would affect their ability to repay the bonds. Paul Lipparelli, Legal Counsel, stated there would be an impact on their finances and their future revenue.

Commissioner Hunting suggested the Board ask the School District to see if they did an analysis and risk assessment regarding the possible effect. Commissioner Martini remarked this Board may not have the authority to do anything. Mr. Lipparelli stated that was correct, other than the Board could help them with restructuring. Commissioner Fuller stated Washoe County would be in the same trouble if there was a judgment.

10-023DMC  AGENDA ITEM 13

**Agenda Subject:**  “Public Comments”

There was no response to the call for public comment.
3:25 p.m. On motion by Commissioner Martini, seconded by Commissioner Breternitz, which motion duly carried with Commissioners Hollinger and Salazar absent, it was ordered that the meeting be adjourned.
