**NOTE:** Items on the agenda may be taken out of order; combined with other items; removed from the agenda; moved to the agenda of another meeting; or may be voted on in a block. NRS 241.020(2)(d)(6) and (7).  
The Washoe County Comptroller's Large Conference Room is accessible to the disabled. If you require special arrangements for the meeting, call the Risk Management Office, 328-2665, 24 hours prior to the meeting.

**Time Limits.** Public comments are welcomed during the Public Comment periods for all matters, whether listed on the agenda or not, and are limited to two minutes per person. Persons are invited to submit comments in writing on the agenda items and/or attend and make comment on that item at the Safety Committee meeting. Persons may not allocate unused time to other speakers.

**Forum Restrictions and Orderly Conduct of Business.** The Safety Committee conducts the business of Washoe County and its citizens during its meetings. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient or safe conduct of the meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

**Responses to Public Comments.** The Safety Committee can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Safety Committee. However, responses from the Safety Committee to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Safety Committee will consider, the Safety Committee may choose not to respond to public comments, except to correct factual inaccuracies, ask for County staff action or to ask that a matter be listed on a future agenda. The Safety Committee may do this either during the public comment item or during the following item: "Topics for Future Agendas".
