

Safety Recognition Award

Washoe County values each employee for his or her individual and unique talents, and we applaud all efforts to enhance the safety and health of our work environment and community.

The Safety Recognition Award recognizes the outstanding contributions of Washoe County employees for actions that foster and/or promote health and safety issues by taking action that is beyond the requirements of their normal role, is proactive, and with the purpose of protecting life and property.

The Award

Winners will receive special recognition and awards by the Safety Committee, County Manager's Office, and the Washoe County Board of County Commissioners.

Selection Criteria

Nominees must be current Washoe County employees. Self-nominations are not allowed. Action must be taken on or at a Washoe County owned property, but may impact their department specifically, or the County as a whole.

Criteria for selection of winners may include evidence of the following:

- Implementing or enhancing a safety program / policy / procedure
- Making an extra effort to improve or correct a specific aspect of safety
- Demonstration of leadership in a safety role
- Collaborative & proactive work toward promoting safety
- Ensuring effective integration of health & safety in planning processes
- Taking an active role for continuous improvements to safety and health
- Obtaining significant improvements over previous conditions
- Making critical decisions to ensure safety

Selection Committee

The Washoe County Safety Committee will select winners from nominations received from Washoe County employees.

Nominations

Employees are invited to nominate other employee(s) for the Safety Recognition award by using the attached form. Please provide additional supporting documentation as needed to ensure that all aspects of the nomination may be considered.
