NOTICE OF MEETING AND AGENDA

WASHOE COUNTY SAFETY COMMITTEE

**Washoe County Administration Complex
1001 E. Ninth Street, Reno, Nevada
Comptroller's Large Conference Room, Building D, 2nd Floor**

**July 18, 2019
1:30 PM**

NOTE: Items on the agenda may be taken out of order; combined with other items; removed from the agenda; moved to the agenda of another meeting; or may be voted on in a block. NRS 241.020(2)(d)(6) and (7).
The Washoe County Comptroller's Large Conference Room is accessible to the disabled. If you require special arrangements for the meeting, call the Risk Management Office, 328-2665, at least 24 hours prior to the meeting.

Time Limits. Public comments are welcomed during the Public Comment periods for all matters, whether listed on the agenda or not, and are limited to two minutes per person. Persons are invited to submit comments in writing on the agenda items and/or attend and make comment on that item at the Safety Committee meeting. Persons may not allocate unused time to other speakers.

Forum Restrictions and Orderly Conduct of Business. The Safety Committee conducts the business of Washoe County and its citizens during its meetings. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient or safe conduct of the meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

Responses to Public Comments. The Safety Committee can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Safety Committee. However, responses from the Safety Committee to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Safety Committee will consider, the Safety Committee may choose not to respond to public comments, except to correct factual inaccuracies, ask for County staff action or to ask that a matter be listed on a future agenda. The Safety Committee may do this either during the public comment item or during the following item: "Topics for Future Agendas".

Pursuant to NRS 241.020, the Agenda for the Washoe County Safety Committee Meeting has been posted at the following locations: Washoe County Administration Building (1001 E. 9th Street, Bldg. A); Washoe County Courthouse-Second Judicial District Court (75 Court Street); Washoe County – Reno Downtown Library (301 South Center Street); Sparks Justice Court (1675 E. Prater Way, Ste. 107, Sparks, NV); the Washoe County website (www.washoecounty.us/comptroller/board_committees/safety_committee) and the Nevada Public Notice Website (<https://notice.nv.gov>).

Support documentation for the items on the agenda, provided to the Washoe County Safety Committee is available to members of the public by contacting Jeri Renshaw at the Comptroller's Office (1001 E. 9th Street, Bldg. D, 2nd Floor, Room 200, Reno, Nevada), or phone 775-328-2665.

Open Issues

4. Review and Discussion of Industrial Injury Summary Reports

Celeste Wallick directed the Committee's attention to pages 7 through 12 asking for questions and/or any comments on recommendations.

Celeste explained that on page 7 were claims that resulted in time away from work for 2019. If the claim occurred prior to 2019 those dates would continue to accrue in 2019. Furthering the explanation Celeste directed the Committee's attention to page 8 which contains summary information for March and April. This also includes incident information. Celeste discussed the information surrounding the air in the District Court courthouse that started in April. When the oven is started up at the pizza business located adjacent to the courthouse some smoke smell enters the building. CSD and the Health Department/Air Quality are involved in finding a solution. Currently there are air scrubbers and air purifiers in the court offices to assist. Celeste stated that currently there is no harm to the employees, this is a smell issue. Deputy Vander-Heyden asked if this was an ongoing issue as the committee had previously visited this concern. Celeste explained that the issue did stop, however the incidents have started again, there have been six incidents in May after the issue being resolved for one year. Celeste also discussed the incident where an employee kicked a fence. This was a purposeful action that occurred from a work program participant. Celeste explained to the committee when a volunteer, inmate work crew or juvenile work crew are injured under the County's control they are covered under the County's workers compensation.

5. Discussion and possible action of Code 65 updates

The Code 65 updates were pulled from the Board of County Commissioner's agenda. It is hopeful that it will be revisited soon. This item tabled until the next meeting.

6. Discussion and review of the fire prevention plan

Celeste will distribute to the committee. This item will be tabled and reviewed at the next meeting.

7. Discussion and possible action a review of the April training held at the Health Department and the notification of the Safety Committee to the department

Victoria Nicolson-Hornblower stated that flyers were made and distributed at the most recent Health Department meeting. The flyer included information on the Safety Committee and how to nominate someone for a safety award. Cathy Hill stated that she also discussed this information at the most recent Manager's training.

8. Discussion and recommendation for manager/supervisor/department head notification of concerns surrounding an employee's driving history and appropriate action

Cathy Hill explained to the committee that this item was on a previous agenda, however it was tabled for give Deputy District Attorney Mary Kandaras time to review the employee's driving history since date of hire. It was discovered that the employee of concern had previously been in front of the committee and has a consistent history of accidents. Deputy District Attorney Kandaras informed Cathy Hill that she could inform the committee that they had the authority to create a memo to the department head and the manager. The memo cannot instruct the department head on appropriate

action, it can make recommendations to the department head. Cathy Hill asked the committees' permission to work on the memo with Celeste Wallick and Deputy District Attorney Kandaras. Cathy Hill also asked the committee if they wanted the employee to be present in front of the committee. Celeste Wallick asked if criteria should be set for notification of accidents to department heads. Cathy Hill explained that this had previously been discussed and it had been determined creating criteria would not work as intended. Celeste asked the committee for guidance on determining when to bring an employee's actions to the committee. For comparative purposes it was suggested that Celeste look at other actions of employees in similar class codes to determine excessive or pattern-like activity. Information on the next scheduled Safety Committee meeting will be in the memo and will allow the employee and the department head to determine if they would like to appear in front of the committee. Ben West made a motion to approve Cathy Hill, Celeste Wallick and Deputy District Attorney Kandaras to prepare the memo and deliver to the employee and department head, seconded by Victoria Nicolson-Hornblower; motion passed unanimously.

9. Discussion and recommendation of mass notification software

Ben West informed the committee that budget was approved for new software. He will bring a presentation to the next committee meeting and show all of the options available.

10. Discussion and recommendation for safety award nominations

A nomination was made by Cathy Hill to recognize Chief Charles Moore from the Truckee Meadows Fire Protection District for his efforts in asking that stop signs be placed in the parking lot at the County Complex as he had observed instances where pedestrians and vehicles had near collisions in the parking lot due to lack of signage. Cathy Hill stated this is outside of Chief Moore's scope of work; additionally he took time out of his busy schedule to appear before the committee to make this request. Cathy Hill made a motion to award Chief Charles Moore with a safety award, seconded by Celeste Wallick; motion passed unanimously.

At the request of Celeste Wallick, Cathy Hill informed the committee of USI's Safety Culture Assessment and explained the audit process for the entire County. This is a supportive action, not a penalty driven audit. Celeste Wallick also explained the Voluntary Protection Program (VPP) to the committee and that she would like the County to achieve this notoriety.

11. Topics for future agendas

- a. Code 65 update
- b. Review of the fire prevention plan
- c. Mass notification software
- d. Safety award nomination
- e. Industrial injury summary reports
- f. Employee response to memo
- g. Drill schedule

12. Public Comment

There was no response to the call for public comment.

13. Meeting adjourned at 2:16 pm.
