NOTE: Items on the agenda may be taken out of order, combined with other items, removed from the agenda, or moved to the agenda of another later meeting. Items with a specific time designation will not be heard prior to the stated time, but may be heard later.

Time Limits. Public comments are welcomed during the Public Comment periods for all matters, whether listed on the agenda or not, and are limited to three minutes per person. Additionally, public comment of three minutes per person will be heard during individually numbered items designated as "for possible action" on the agenda. Members of the public are also invited to submit comments in writing.

Forum Restrictions and Orderly Conduct of Business. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient, or safe conduct of the meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place, and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

Responses to Public Comments. The Safety Committee can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Committee. However, responses from the Committee to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Safety Committee will consider, the Committee may choose not to respond to public comments, except to correct factual inaccuracies, ask for County staff action or to ask that a matter be listed on a future agenda. The Committee may do this either during the public comment item or during the following item: "Committee/Staff announcements, requests for information, topics for future agendas and statements relating to items not on the agenda".

Posting of Agenda. Pursuant to NRS 241.020 (4)(b), the Agenda for the Washoe County Safety Committee Meeting has been posted at the following locations: Washoe County Administration Building (1001 E. 9th Street, Bldg. A); the Washoe County website (www.washoecounty.us/comptroller/board_committees/safety_committee); and the Nevada Public Notice Website (<https://notice.nv.gov>).

D, 2nd Floor, Room 200, Reno, Nevada), phone 775-328-2665, or email at jrenshaw@washoecounty.gov; and are also posted on the County’s website at: www.washoecounty.us/comptroller/board_committees/safety_committee.
