Dear Ms. Olander:

This permit request should be denied, the area that is in question is part of wetlands that is protect by Federal law under the Army Corps of Engineers. I owned and have lived at 1185 Sky Tavern for the past 40 years and have seen theses wetlands deteriorate by runoff from Sky Tavern Junior Ski Area who neglects its duties in protecting this endangered area! I have contacted the Army Corp of Engineers to make sure they are aware of the permit request.

I plan to be present on July 11, 2018 to make sure the County Commission Chambers.

Sincerely,

Juan Sparhawk
