7. Consent Items

A. Extension of Time Request (TMWA – Mogul Booster Pumping Facility) – To extend the deadline to submit construction plans and obtain building permits on Special Use Permit Case Number SW07-017 and Variance Case Number VA07-021, TMWA-Mogul Booster Pumping Facility, from December 4, 2014 to December 4, 2021.

Staff Representative: Sandra Monsalve, AICP, Senior Planner, 775.328.3608, smonsalve@washoeCounty.us

Acting Chair Whittemore asked the Commissioners if they wanted to move the item off of Consent to hear a presentation before voting on it. There were none. Commissioner Chvilicek made a motion to approve the Consent Items. Commissioner Prough seconded the motion which carried unanimously.

8. Public Hearings

Agenda Item 8A

A. Master Plan Amendment Case Number MPA14-003 – To amend the Master Plan map within the Tahoe Area Plan, being part of the Washoe County Master Plan, by changing the Master Plan designation at 593 and 601 Lakeshore Boulevard from Suburban Residential (SR) to Rural Residential (RR).

Ms. Krause reviewed her staff reports dated November 21, 2014.

Commissioner Prough asked if the two parcels would be issued one APN. Ms. Krause said that the property owner is proposing a boundary line adjustment to make the smaller parcel larger, and in that case the two properties would get new APNs. Commissioner Horan asked if the noticing requirements had been met. Ms. Krause said yes.

Mr. Exline of Midkiff and Associates, Inc., the applicant’s representative, said that they were requesting the rezoning in order to maintain the community character with larger lots.

Commissioner Horan moved that, after giving reasoned consideration to the information in the staff report and testimony and evidence produced at the public hearing, the Washoe County Planning Commission can make at least three of the following findings, specifically Finding 1, 2, 3, 4 and 5, and based on those findings approve Resolution Number 14-27 adopting MPA14-003 to amendment the Tahoe Area Plan Master Plan Map being part of the Washoe County Master Plan, changing the Master Plan designation of APN122-100-23 and APN 122-100-24 (593 and 601 Lakeshore Boulevard, respectively) from Suburban Residential (SR) to Rural Residential (RR) as shown in Exhibit C and authorizing the chair to sign the resolution, Exhibit D.

**Agenda Item 8B**

**B. Regulatory Zone Amendment Case Number RZA14-006** – To amend the Regulatory Zone map within the Tahoe Area Plan, being part of the Washoe County Comprehensive Plan, changing the zoning designation of APN 122-100-23 and APN 122-100-24 (593 and 601 Lakeshore Boulevard) from High Density Suburban (HDS) to High Density Rural (HDR). The proposed regulatory zone amendment will reduce permissible density; increase minimum lot size and setback requirements; and permit one detached accessory dwelling in addition to an allowed primary dwelling unit on each property.

To reflect requested changes and to maintain currency of planning area data, administrative changes are proposed. These administrative changes include a revised map with updated parcel base and other matters properly relating thereto without prejudice to the final dispensation of the proposed amendments.

Ms. Krause reviewed her staff report dated November 21, 2014 in the previous item, which also pertained to this item.

Acting Chair Whittermore opened public comment. As there were no requests to provide testimony, Acting Chair Whittermore closed the public hearing.

Commissioner Prough moved that, after giving reasoned consideration to the information contained in the staff report and information received during the public hearing, the Planning Commission recommends adoption of the attached Regulatory Zone Map (Exhibit A) and authorize the chair to sign Resolution 14-28 (Exhibit B) amending the regulatory zone map within the Tahoe Area Plan, being part of the Washoe County Comprehensive Plan, changing the zoning designation of APN 122-100-23 and APN 122-100-24 (593 and 601 Lakeshore Boulevard) from High Density Suburban (HDS) to High Density Rural (HDR); and to reflect requested changes and to maintain currency of planning area data, making administrative changes to the Tahoe area plan. These administrative changes include a revised map with updated parcel base and other matters properly relating thereto without prejudice to the final dispensation of the proposed amendment; having made all of the following findings, specifically Finding 1, 2, 3, 4, 5, and 6, in accordance with Washoe County Development Code Section 110.821.15:

1. The proposed amendment is in substantial compliance with the policies and action programs of the Master Plan and the Regulatory Zone Map.

2. The proposed amendment will provide for land uses compatible with (existing or planned) adjacent land uses, and will not adversely impact the public health, safety or welfare.

3. The proposed amendment responds to changed conditions or further studies that have occurred since the plan was adopted by the Board of County Commissioners, and the requested amendment represents a more desirable utilization of land.
4. There are or are planned to be adequate transportation, recreation, utility, and other facilities to accommodate the uses and densities permitted by the proposed amendment.

5. The proposed amendment will not adversely affect the implementation of the policies and action programs of the Washoe County Master Plan.

6. The proposed amendment will promote the desired pattern for the orderly physical growth of the County and guides development of the County based on the projected population growth with the least amount of natural resource impairment and the efficient expenditure of funds for public services.

7. The proposed amendment will not affect the location, purpose and mission of a military installation.

Commissioner Chvilicek seconded the motion which carried unanimously.

9. Planning Items

A. Regional Transportation Improvements — Presentation by the Regional Transportation Commission (RTC) on regional transportation improvements planned in Spanish Spring and in Sun Valley, to include to the Pyramid/US Highway 395 Connector and the Sun Valley Boulevard Corridor Study recommendations. The Planning Commission will discuss the information presented and may ask questions of RTC staff and County staff. Amy Cummings and Doug Maloy, Regional Transportation Commission.

Amy Cummings, Director of Planning, RTC, indicated there are three primary projects RTC is currently working on; NDOT is studying traffic congestion on US 395 and the Spaghetti Bowl, Pyramid Hwy connectivity and the Sun Valley corridor. The Sun Valley Corridor Study is complete and will be presented to the RTC Board for possible approval. Ms. Cummings reviewed the recommendations for the Sun Valley Corridor Project.

Doug Maloy, RTC Project Manager, gave a presentation on the future Pyramid/US 395 connection project.

Where Are We?
What’s New?

• DEIS completed in 2013 using earlier TMRPA population and employment forecasts
• RTC received updated forecasts in 2014 and incorporated into its new Travel Demand Model
• Review of results showed that both (1) Purpose and Need and (2) Alternatives Screening conducted to-date remain valid
• Updated year 2035 forecasted traffic volumes have resulted in the following design refinements:
  – Facility type (Freeway to High Speed/Access Control Arterial)
  – Intersection/interchange configurations (elevated interchanges to mostly at grade intersections)
• Design and field work for FEIS nearly complete
Preferred Alternative Design

- Interchange at US 395 Parr/Dandini
- 4 to 6 Lane US 395 Connector
- Interchange at Sparks Blvd/Eagle Canyon Drive
- 6 lanes on Pyramid north of the Connector to Calle de La Plata
- Other capacity improvements:
  - 6 lanes on Pyramid south of the Connector to Queen Way
  - Widen Disc Drive to 6 lanes from Pyramid to Vista Blvd.
