Subject: Abandonment Case Number WAB17-0003
Applicants: Jason Lurie
Agenda Item Number: 9A
Summary: Request to abandon an unused 20 foot emergency access easement stemming from Lurie Lane that traverses the 3 parcels that are the subject of this request
Recommendation: Approval with Conditions
Prepared by: Chad Giesinger, Senior Planner
Washoe County Community Services Department
Planning and Development Division
775.328.3626
cgiesinger@washoecounty.us

Description
Abandonment Case Number WAB17-0003 (Lurie Ln) – For possible action, hearing, and discussion to approve the abandonment of an unused 20 foot emergency access easement that traverses the 3 parcels that are the subject of this request. The easement proposed for abandonment stems from Lurie Lane and only provides access to the 3 subject parcels and no other surrounding or connected parcels have an interest in the easement.

- Applicant: Jason Lurie, 4 Patrick Lane, Orinda, CA 94563
- Location: 20 Lurie Lane, approximately 1/3 mile west of Lakeside Drive off of Faretto Lane
- Assessor’s Parcel Numbers: 222-060-29, 222-060-30, and 222-060-31
- Parcel Sizes: All 3 parcels are 2.5-acres
- Master Plan Category: Rural Residential (all 3 parcels)
- Regulatory Zone: High Density Rural (all 3 parcels)
- Area Plan: Southwest Truckee Meadows
- Citizen Advisory Board: South Truckee Meadows/Washoe Valley
- Development Code: Article 806, Vacations and Abandonments of Easements or Streets
- Commission District: 2 – Commissioner Lucey
- Section/Township/Range: Section 2, T18N, R19E, MDM, Washoe County, NV
Abandonment Map Purpose and Process

The purpose of an abandonment is to allow for the vacation or abandonment of easements or streets. If the Planning Commission grants an approval of the Abandonment, that approval is subject to Conditions of Approval. Conditions of Approval are requirements that need to be completed prior to the recordation of the Resolution and Order of Abandonment.

The Resolution and Order of Abandonment is the legal record prepared by the Engineering and Capital Projects Division and recorded to complete the abandonment process. The Engineering and Capital Projects Division completes a technical review of the legal description, exhibit maps and any new easements that are required by the Conditions of Approval and submitted by the applicant’s surveyor. When the Engineering and Capital Projects Division is satisfied that all conditions of approval have been met, they record the Resolution and Order of Abandonment with the County Recorder. An abandonment is complete once that recordation has occurred.

Washoe County Code (WCC) Section 110.806.15 authorizes the Planning Commission to consider abandonments or vacations of streets and easements, including government patent easements. Abandonment Case Number WAB17-0003 seeks to abandon an unused and unimproved 20 foot emergency access easement that only affects the subject parcels, and is asking the Planning Commission to consider that request.
The unused and unimproved easement requested for abandonment is highlighted in pink above. The other 20 foot easement is the actual improved access and will remain. Fire has requested that a new 50 foot radius turnaround easement be added to the end of this existing easement to replace the turnaround to be abandoned.
Project Evaluation

The applicant is seeking to abandon an unused and unimproved 20-foot-wide emergency access easement that is exclusive to the 3 subject parcels (i.e. the easement does not affect or provide access to any other parcels). All 3 parcels are currently owned by the same family / trust. The subject easement, which was originally created on parcel map #729 recorded in 1976, is for emergency fire access only and does not include any public utility or drainage interests. The applicant is requesting the abandonment because it is not being used and is creating an unnecessary legal (and land use) encumbrance on the properties.

As shown in the aerial photo on the previous page, only 1 of the 3 subject properties is currently developed with a single-family residence while the remaining 2 parcels are vacant. The developed parcel is located in the middle of the 3 parcel cluster. Access to all 3 parcels is provided by an existing improved 20 foot access and public utility and drainage easement that will not be affected by the requested abandonment. Fire has requested that a 50 foot radius turnaround be added to this existing easement to replace the turnaround to be abandoned. Surrounding properties are developed with single-family residences that have separate dedicated access easements that will not be impacted by the requested abandonment.

Code and Policy Regarding Easements

Washoe County Code (WCC) Section 110.806.15(d) states that if “the Planning Commission is satisfied that the public will not be materially injured by the proposed vacation, it shall order the street or easement vacated.” WCC Section 110.806.70, also states, in part, that “the Planning Commission or Board may reserve and except therefrom any easements, rights, or interests therein which it deems desirable for the use of the County or any public utility.” To the extent other property owners nearby or other entities might have any ownership interests in these easements, the County’s action to abandon or not abandon would not affect those interests. In turn, the property owners applying for the abandonment would be responsible for utilizing whatever legal mechanisms are necessary to address those interests on their own. In order to recommend approval of an abandonment, WCC Section 110.806.20 requires that the Planning Commission make three findings, including that such an abandonment would not result in material injury to the public.

South Truckee Meadows/Washoe Valley Citizen Advisory Board (STM/WV CAB)

Pursuant to Article 806, Vacations and Abandonments of Easements and Streets, proposals for abandonments or vacations are not required to be noticed to Citizen Advisory Boards. No comments have been received from the public regarding this request.

Public Notice

WCC Section 110.806.15(c)(1) requires notice of a vacation or abandonment (that is not part of a tentative subdivision map application) to be mailed to each owner of property abutting or connected to the proposed vacation or abandonment. Staff has provided this required notice as shown on the Public Notice map attached as Exhibit C.

Reviewing Agencies

The following agencies received a copy of the project application for review and evaluation.

- Washoe County Community Services Department
  - Engineering and Capital Projects Division, Land Development
  - Planning and Development Division
- Washoe County Health District, Environmental Health Services Division
- Truckee Meadows Fire Protection District
- Regional Transportation Commission
- AT&T
- NV Energy
- Truckee Meadows Water Authority
- Southwest Gas

Two of the above-listed agencies/departments provided comments in response to their evaluation of the project application. A summary of each agency’s comments and their contact information is provided below.

- Washoe County Engineering and Capital Projects, Land Development has recommended approval with conditions that the applicant submit acceptable legal descriptions and comply with all conditions of approval from reviewing agencies.
  
  **Contact:** Leo Vesely, 775.328.2313, lvesely@washoecounty.us

- Truckee Meadows Fire Protection District is recommending approval subject to the condition that a new 50 foot radius turn around emergency access easement (to replace the abandoned easement) be provided/shown on the final map so that access to all 3 parcels is maintained.
  
  **Contact:** Amy Ray, 775.326.6005, aray@tmfpd.us

The Regional Transportation Commission and the Washoe County Health District indicated they reviewed the proposal and have no comments.

**Staff Comment on Required Findings**

WCC Section 110.806.20 and NRS 278.480 require that all of the following findings be made to the satisfaction of the Washoe County Planning Commission before granting approval of the abandonment request. Staff has completed an analysis of the application and has determined that the proposal is in compliance with the required findings as follows.

**WCC Section 110.806.20 Required Findings**

1. **Master Plan.** The abandonment or vacation is consistent with the policies, action programs, standards and maps of the Master Plan and the Southwest Truckee Meadows Area Plan.

   **Staff Comments:** The proposed abandonments do not affect any policies, action programs, standards or maps of either the Master Plan or the Southwest Truckee Meadows Area Plan.

2. **No Detriment.** The abandonment or vacation does not result in a material injury to the public.

   **Staff Comments:** The easement proposed for abandonment is exclusive to the subject parcels, doesn’t provide access to any other properties, is not used nor improved, and a separate easement exists to provide continued access to the parcels. Staff therefore finds that the requested abandonment will not result in a material injury to the public.

3. **Existing Easements.** Existing public utility easements in the area to be abandoned or vacated can be reasonably relocated to provide similar or enhanced service.
**Staff Comments:** Adequate public utility easements exist on the subject parcels and these easements will not be impacted by abandonment of the emergency access easement. Staff therefore finds that the area to be abandoned or vacated can be reasonably relocated to provide similar or enhanced service.

**Recommendation**

Those agencies which reviewed the application recommended conditions in support of approval of the requested abandonment or provided no comments. Therefore, after a thorough analysis and review, Abandonment Case Number WAB17-003 is being recommended for approval with the conditions included as Exhibit A to this staff report. Staff offers the following motion for the Commission's consideration.

**Motion**

I move that, after giving reasoned consideration to the information contained in the staff report and information received during the public hearing, the Washoe County Planning Commission approve, with the conditions included as Exhibit A in the staff report, Abandonment Case Number WAB17-003 for Jason Lurie, having made all three findings in accordance with Washoe County Code Section 110.806.20:

1. **Master Plan.** The abandonment or vacation is consistent with the policies, action programs, standards and maps of the Master Plan and the Southwest Truckee Meadows Area Plan; and

2. **No Detriment.** The abandonment or vacation does not result in a material injury to the public; and

3. **Existing Easements.** Existing public utility easements in the area to be abandoned or vacated can be reasonably relocated to provide similar or enhanced service.

**Appeal Process**

Planning Commission action will be effective 10 calendar days after the written decision is filed with the Secretary to the Planning Commission and mailed to the applicants, unless the action is appealed to the Washoe County Board of County Commissioners, in which case the outcome of the appeal shall be determined by the Washoe County Board of County Commissioners. Any appeal must be filed in writing with the Planning and Development Division within 10 calendar days after the written decision is filed with the Secretary to the Planning Commission and mailed to the applicants.

xc: Applicant/Owner: Jason Lurie, 4 Patrick Lane, Orinda, CA 94563

Consultant: John Krympotic, KLS Planning & Design Group, Inc, 9480 Double Diamond Pkwy, Reno NV 89521
The abandonment approved under Abandonment Case Number WAB17-0003 shall be carried out in accordance with the Conditions of Approval granted by the Planning Commission on July 5, 2017. Conditions of Approval are requirements placed on the abandonment by each reviewing agency. These Conditions of Approval may require submittal of documents, applications, fees, inspections, amendments to plans, and more. These conditions do not relieve the applicant of the obligation to obtain any other approvals and licenses from relevant authorities required under any other act or to abide by all other generally applicable Codes, and neither these conditions nor the approval by the County of this project/use override or negate any other applicable restrictions on uses or development on the property.

Unless otherwise specified, all conditions related to the approval of this Abandonment shall be met prior to recordation of the Resolution and Order of Abandonment. Prior to recordation of the Resolution and Order of Abandonment, each agency shall determine when compliance of their specific conditions is met by the applicant as set forth in the Conditions of Approval. All agreements, easements, or other documentation required by these conditions shall have a copy filed with the County Engineer and the Community Services Department, Planning and Development Division.

Compliance with the conditions of approval related to this Abandonment is the responsibility of the applicant, his/her successor in interest, and all owners, assignees, and occupants of the property and their successors in interest. All conditions of approval must be met prior to the Engineering and Capital Projects Division recording the required Resolution and Order of Abandonment.

For the purpose of conditions imposed by Washoe County, “may” is permissive and “shall” or “must” is mandatory.

- All conditions of approval are required to be completed before the Abandonment can be recorded and finalized.

- The abandonment will be effective after the approval of a Resolution and Order of Abandonment by the Engineering and Capital Projects Division and after the recordation of the Resolution and Order of Abandonment by the County Recorder.

FOLLOWING ARE CONDITIONS OF APPROVAL REQUIRED BY THE REVIEWING AGENCIES. EACH CONDITION MUST BE MET TO THE SATISFACTION OF THE ISSUING AGENCY.

Washoe County Planning and Development Division

1. The following condition is a requirement of Community Services Department, Planning and Development Division, which shall be responsible for determining compliance with this condition.

   Contact Name – Chad Giesinger, 775.328.3626, cgiesinger@washoecounty.us

   a. The applicant shall demonstrate substantial conformance to the plans approved as part of this abandonment action.
Washoe County Engineering and Capital Projects Division

2. The following conditions are requirements of the Community Services Department, Engineering and Capital Projects Division, which shall be responsible for determining compliance with these conditions.

Contact Name – Leo Vesely, 775.328.2313, lvesely@washoecounty.us

a. Prior to recordation of the Order of Abandonment, the applicant shall submit legal descriptions to the County Surveyor for review and approval. The legal descriptions shall be prepared by a registered professional and shall be for area of abandonment, and any new easements that may be required. The County Surveyor shall determine compliance with this condition.

b. The applicant shall comply with conditions necessary to effect the Resolution and Order of Abandonment within two (2) years from the date of the action by the Planning Commission or this conditional abandonment will be null and void.

Truckee Meadows Fire Protection District

3. The following condition is a requirement of the Truckee Meadows Fire Protection District, which shall be responsible for determining compliance with this condition.

Contact: Amy Ray, 775.326-6005, aray@washoecounty.us

a. This access easement was put in place to allow access to all of the three parcels. The current house sits on two of the three parcels. Access to the third parcel and an associated turn-around with a 50 foot turn around radius for emergency vehicles shall be provided / shown on the final map in case the owner decides to sell any of the parcels, so access is maintained.

**Project Request** - This application includes the following request:

- A request for **Abandonment** of an unused Emergency Access Easement that spans over three parcels.

**Property Location**

The site is located on Lurie Lane near the intersection of Faretto Lane in Southwest Washoe County. The site area includes 3 parcels (see Figure 2) which consists of 7.5 acres on three parcels equally split at 2.5 acres.

**Reason for the Request**

The request to remove the easement is for two reasons. It does not serve any purpose as an Emergency Access Easement and it has created an legal encumbrance on the three parcels. All of the properties owners are in agreement and support removal of the easement in the Abandonment request, knowing that it serves no functional purpose.

October 2016
Abandonment Application
Supplemental Information

(All required information may be separately attached)

Chapter 110 of the Washoe County Code is commonly known as the Development Code. Specific references to vacations and abandonments may be found in Article 806, Vacations and Abandonments of Easements or Streets.

1. What is the abandonment being requested?

This is a request for Abandonment of a 20' Emergency Access Easement that was created with the original parcel map (#792). That easement spans across the 3 parcels of this application. The easement is no longer needed based on discussions with Washoe County staff including Engineering and the TMFPD. There is no function or purpose to the easement at this time and it has created an encumbrance on the 3 parcels.

2. On which map or document (please include with application) is the easement or right-of-way first referenced?

It is shown on Parcel Map #729 (see attached) that was approved in November of 1976.

3. What is the proposed use for the vacated area?

The proposed use is the same as the current use which is the undeveloped part of the lot used for landscaping and pasture area in a rural setting.
4. What replacement easements are proposed for any to be abandoned?

There is an access road near (above) the emergency access easement that serves primary access to the 3 lots and serves the same purpose of the easement if it were improved. The easement is obsolete and serves no purpose for emergency access.

5. What factors exist or will be employed to prevent the proposed abandonment from resulting in significant damage or discrimination to other property in the vicinity?

There are no factors that exist or will be employed to prevent the proposed abandonment from resulting in significant damage or discrimination to other properties in the vicinity. In vetting this request with staff, it is clear that the easement is not being used for its original purpose and will not result in any damage to any properties in the area.

6. Are there any restrictive covenants, recorded conditions, or deed restrictions (CC&Rs) that apply to the area subject to the abandonment request? (If so, please attach a copy.)

☐ Yes  ☐ No

---

**IMPORTANT**

**NOTICE REGARDING ABANDONMENTS:**

To the extent that Washoe County does not own the easements in question, it cannot abandon them. Therefore, an abandonment request is in effect a "quitclaim" by the County of whatever interest it might have in the easements in favor of the owners who applied for the abandonment. For example, if the abandonment is approved by Washoe County and recorded, it will likely affect the allowable building envelope on the property, to the benefit of the applicant. However, even if the abandonment is approved, it should not be construed as an assertion by the County of ownership over the easements in question. To the extent other property owners nearby or other entities might have any ownership interests in these easements, an approved abandonment by the County does not affect those interests and the property owners associated with this abandonment are responsible for utilizing whatever legal mechanisms are necessary to address those interests on their own.
