Request

• This is a request for a Master Plan Amendment and Regulatory Zone Amendment on a 2.56 acres parcel.

• The land is part of Nevada State Department of Transportation (NDOT) right-of-way and has no master plan designation or zoning.

• The request is to designate the parcel Rural (R) and with regulatory zoning of General Rural (GR), and the applicant is Washoe County.
NDOT acquired the site in 2001 for the I-580 expansion; previous to that the parcel was designated Rural (R) and General Rural (GR) regulatory zoning.

In October 2018 NDOT sold the property back to the original owner who built the residence in the 1990’s.

There is a two-story 2,154 sq. ft. house, a 1,802 sq. ft. building and a 208 sq. ft. garage.

The property is located between US-395 and I-580, and access is limited to only southbound travel lanes.

The designation of Rural (R) and General Rural (GR) zoning will re-establish the previous master plan designation and regulatory zone for the parcel prior to the NDOT ownership.

The parcel is ±2.5 acres in size, which does not meet the minimum lot size for the regulatory zone of GR of 40 acres.

There are other parcels in the area and through the County that are similar and do not meet the minimum 40 acres requirement.

This designation and zoning will allow for the current uses on the site.

The site is outside the Truckee Meadows Service Area (TMSA), which prevents commercial uses from being established.
