Quorum Established

Acting-Chairman Walker establishes a quorum.

Approval of Minutes

Chairman calls for additions or corrections. Hearing none he calls for a motion to approve the minutes as written. David Erickson gave a motion to approve and seconded by Heather Edminson

Approval of Agenda

Chairman asks for any additions or corrections to the agenda. Kristen said that Tanamera no longer wants to change Leadership Pkwy to Keystone Canyon Pkwy. Other than that, there are no changes. David motioned to approve the agenda and Kristin seconded.

New Business

Marty said that the Assessor's Office discovered track map 3225 Unit 1, Morning Star Ct. and Morning Star Dr. 3/15/96, the same year a C of A recorded both streets misspelled. They were intended to be one word. Address records were made, not sent to the homeowners.

The property owners have used two words since the beginning. Marty said that contacting the property owners would produce a zero affect change. There was no discussion. Kristin said that she would mention it to Dan and Patricia. Brad said that he would mention it to Michelle. Marty said that all water and electric bills reflect the two word spelling. C of A changed it to one word, conflicting data. There would be 19 homeowners affected if they were to change it back. It is recommended to take it to the City Counsel and have them change it back to two words.

It was motioned and seconded, it passed unanimously.

Old Business

Marty said that there was no follow up on items 2&3. This was tabled at the previous two meetings due to lack of support by the city and RSNC. Kristin thought that it would be a problem to change course in mid-stream. They will not object to Victory being changed to Casa Bella. There has been no push from property owners since it was tabled. Marty asked for a motion on item #2. Dave asked if we can deny Leadership Parkway. Marty said yes and a motion was made to deny. The motion passed unanimously.

A motion was made to approve Item #3 by Heather and seconded by Kristin, it passed

unanimously.

Miscellaneous Items

The committee will return in January to review the Bi-laws. Marty, Jon and Matt will meet to review before the January meeting. Marty said that street naming will be moved to GIS Department. Subdivision addressing will still be done by the Tech Map Review. There were no more miscellaneous items.

The next meeting will be on January 21st, 2:30 pm in the Slide Mt. Conference Room.

The meeting was adjourned at 2:57 pm.
