Signature of Inspector _____ **Inspector #** _____

The above signed hereby swear (or affirm) under penalties of prescribed for perjury in NRS 199.120 that the above information is true and correct of my own knowledge.

The Washoe County Health District will issue a certificate of compliance not later than fourteen (14) calendar days after receipt of a fully completed Wood-Burning Device Inspection from a private, certified wood stove inspector.

A certification does not constitute a warranty or guarantee by the inspector or the Control Officer that the device meets any other standards of operation, safety, or efficiency.

If the report indicates that a wood-burning device is uncertified, the wood-burning device must be removed from the residence and re-inspection by an inspector is required prior to close of escrow.
