

## Notice of Proposed Action

The Director is proposing revisions to the District Board of Health Regulations Governing Air Quality Management, specifically Section 040.055, Odorous or Gaseous Contaminants. The proposed revisions to Section 040.055 include language to quantify odorous emission violations, when an Odor Mitigation Plan is required, and elements of an Odor Mitigation Plan. The proposed revisions are available on the Washoe County Air Quality Management Division website at [www.OurCleanAir.com](http://www.OurCleanAir.com).

Two public workshops will be held at noon and again at 5:30 pm on Wednesday, September 4, 2019, at the Washoe County Health District, Conference Room B, located at 1001 East 9<sup>th</sup> Street, Building B. Interested persons who may be affected or wish to comment should appear at the workshop to submit oral testimony or may submit comments, data, views, or arguments in written form to:

Michael Wolf, Permitting & Enforcement Branch Chief  
Washoe County Health District, Air Quality Management Division  
1001 E. 9<sup>th</sup> Street, Suite #B171  
Reno, NV 89512  
Phone (775) 784-7206 FAX (775) 784-7225

Written comments will be accepted until the close of business on **Monday, September 9, 2019**, and will be considered prior to any final action being taken on the proposed revisions. Comments received will be included in the Business Impact Statement to be presented to the District Board of Health for consideration of acceptance at a public hearing to be held at 1:00 p.m. on September 26th, 2019, at the Board of County Commissioners Chambers, located at 1001 East 9<sup>th</sup> Street, Building A. If the Business Impact Statement is accepted, adoption of the proposed revisions will be considered at the next District Board of Health meeting scheduled at 1:00 pm on October 24, 2019, at the same location.
