I hereby state that I am the applicant or an authorized representative of the applicant, and that the information contained in this application is true and correct to the best of my knowledge. I hereby consent to inspection by the Washoe County Health District and acknowledge that issuance and retention of this permit is contingent upon satisfactory compliance with local, state and federal solid waste management regulations.

Applicant Name (please print)	Title
Signature	Date

Solid Waste Management Permit Application (continued):

Supplemental Requirements (may not be required for all permit types)

1. Name of Local Enforcement Agency (LEA)
 - a. Contact Name/Phone Number.
 - b. Provide copies of any permits issued by the LEA or other permitting agency.
2. Operations / Procedures Plan
 - a. Provide copy of plan. It must include emergency response plan, personnel training outline, identification of wastes and waste management processes, load checking/waste screening, and methods of transport.
3. Analyses of Waste
 - a. Provide appropriate laboratory analyses for waste. Must demonstrate waste is characterized as non-hazardous.
 - b. Provide Material Safety Data Sheet (MSDS), if available.
4. Waste Type / Quantities
 - a. List types and quantities of waste to be hauled, treated, processed or disposed (include frequency of transport, treatment, disposal – daily, weekly, monthly).
 - b. State of origin for waste. Provide information regarding source or site of generation of waste.
5. Equipment / Vehicles
 - a. List types, specifications of equipment to be used, including vehicles. Designate Model #, VIN #, License #, as appropriate.
6. Transport
 - a. Describe routes used to transport waste to Washoe County or to Lockwood Regional Landfill. Provide maps as necessary.
7. Financial Assurance
 - a. Describe financial instrument to be used.
 - b. Provide cost estimates to support closure plan; value of financial instrument must match or exceed closure cost estimate.

The permit to operate is non-transferable.

Any change in business ownership or location requires submittal of a new permit application within thirty (30) days.
