COVID-19 TESTING

What if you have symptoms?
If you have symptoms such as fever, cough and shortness of breath, and you think it might be COVID-19, please take the following steps.

1. Call your health care provider or telemedicine provider. Always call before you visit.
2. Or call the Health District at 775-328-2427 from 8 a.m.-5 p.m. (Call Washoe 311 afterhours).
3. Either the Health District or your provider will ask about your symptoms and travel history.
4. If needed, the Health District or your provider will test you for COVID-19.
5. Once tested, you will be notified of the results by the Health District.
6. The Health District will open investigation, reach out to contacts and discuss self isolation.
7. Positive Cases must connect with Health District daily until symptoms go away, you test negative for COVID-19 and are cleared from isolation.

Prevent contracting COVID-19
Wash hands with soap and water for at least 20 seconds, cough or sneeze into your elbow, avoid touching your face and stay home if you are sick.
