SHERIFF FIELD SPECIALIST

DEFINITION

Under general supervision, performs technical and clerical duties in support of the Sheriff’s Office field operations; and performs other related work as required.

EXPERIENCE AND TRAINING REQUIREMENTS

One year of full-time clerical experience which includes public contact, preferably in a law enforcement environment; or an equivalent combination of related training and experience.

LICENSE OR CERTIFICATE

Must possess a valid driver’s license at the time of appointment and maintain it for continued employment.

CJIS/NCIC (Criminal Justice Information System and National Crime Information Center) certification is required within six months of date of hire and must be maintained for continued employment.

EVOC (emergency vehicle operation course) certification is required within six months of date of hire.

CSI (Crime Scene Investigation) certification is required within one year of date of hire and ability to maintain certification for continued employment in the classification.

Completion of OC training (pepper spray) within six months of date of hire.

DISTINGUISHING CHARACTERISTICS

This is the journey level in the Sheriff Field Specialist classification series. It is distinguished from the Sheriff Field Specialist Trainee in that incumbents are expected to perform the full-spectrum of duties and responsibilities under less supervision.

SUPERVISION EXERCISED

Exercises no direct supervision.

EXAMPLES OF DUTIES (The following is used as a partial description and is not restrictive as to duties required.)

Monitor individuals at the front desk of the Sheriff’s office, identify potential security situations (under the influence of alcohol, drugs, behavioral problems, irate, etc.), evaluate situations, and take swift and appropriate action, which may include talking to the individual in order to defuse a volatile situation, in accordance with established policy and procedures, to ensure the safety of deputies, civilians, inmates, and the general public.

Assist the public, either in person or on the telephone, by providing information regarding the Sheriff’s Department operations, policies and procedures in accordance with established guidelines and protocols and/or making referrals to appropriate staff or other agencies.
Search criminal justice database and encode a variety of reports, documents and criminal justice records to ensure current information is available to a variety of law enforcement agencies.

Interview individuals filing criminal or incident reports; obtain all pertinent information, frequently in a stressful and disruptive environment; complete reports and forward to appropriate staff for processing. Reports include, but are not limited to, booking and release records, inmate incident reports, complaints from the public, missing/lost persons reports, reports of runaway juveniles, sexual assaults and death investigations, shift activity reports, accident reports, reports of injured children, vandalism reports, fraud reports, burglary, theft and other crime reports, and CSI reports.

Maintain activity logs and compile data pertaining to the assignment area; submit periodic activity summaries to supervisors.

Draft correspondence in response to complaints and requests for information from inmates, the general public and staff and forwards to appropriate staff for handling.

Respond to routine calls from the community that do not present a potential danger to the responder; take complaints/statements from victims and witnesses, participate in investigations; may photograph and process finger prints and bodily fluids at incident/crime scenes and observe and list evidence, accurately describing color, odor, damage or any other distinguishing characteristics.

Perform community liaison related activities in the field such as participation in community relations programs, providing assistance with special events, assisting with searching for and transporting citizens as necessary and participating in traffic control.

Issue citations to snow removal companies for moving snow accumulations into illegal areas.

Enforce parking violations in snow removal areas by issuing citations and having vehicles towed.

Testify at judicial and administrative proceedings.
