LIBRARIAN I

DEFINITION
Under general supervision, performs a variety of professional level librarian services in any of the library divisions, such as information services, cataloging, and public services; and performs related work as required.

EXPERIENCE AND TRAINING REQUIREMENTS
Master’s degree in Library Science or Library Information Science from an American Library Association accredited college or university AND one year full-time paraprofessional library experience; OR a Master’s degree in any other discipline and three years full-time paraprofessional library experience; OR an equivalent combination of training and experience.

LICENSE OR CERTIFICATE
May require a valid driver’s license at the time of appointment.

DISTINGUISHING CHARACTERISTICS
This is the first supervisory level in the Librarian class series and is distinguished from the Librarian II and Librarian III classes in that it does not manage the operations of a library.

SUPERVISION EXERCISED
May exercise direct supervision over staff.

EXAMPLES OF DUTIES (The following is used as a partial description and is not restrictive as to duties required.)

In the absence of a higher ranking authority, provide temporary oversight of the facility/division and staff with readily available administrative support.

Assist the public with library transactions and information requests using all available resources.

Supervise staff including training, scheduling, work assignments, work review, performance appraisal, discipline, coaching and development.

Plan, promote, and conduct tours, outreach, classes, and programs on a variety of topics for all generations.

Collect and maintain statistical data and records; prepare summary reports to keep library management aware of patron usage and needs.

Assist with the development, maintenance, and organization of the library collection; assess materials using current professional standards.

Catalog and classify materials using Library of Congress criteria to ensure accuracy.

Participate in system level committees and meetings that develop policies, procedures, and library services.

May oversee a system-wide project.
JOB RELATED AND ESSENTIAL QUALIFICATIONS
