LIBRARIAN II

DEFINITION

Under direction, performs a variety of professional level librarian services in any of the library divisions, such as information services, cataloging, and public services, or directs or manages the operation of a small to medium sized library or division; and performs related work as required.

EXPERIENCE AND TRAINING REQUIREMENTS

Master’s degree in Library Science or Library Information Science from an American Library Association accredited college or university AND two years of professional library experience; OR a Master’s degree in any other discipline and four years of professional library experience; OR an equivalent combination of training and experience.

LICENSE OR CERTIFICATE

May require a driver’s license at the time of appointment.

DISTINGUISHING CHARACTERISTICS

This is the second supervisory/management level in the Librarian class series. It is distinguished from the Librarian I class in that it may manage a small to medium sized library.

SUPERVISION EXERCISED

Exercises direct supervision over staff.

EXAMPLES OF DUTIES (The following is used as a partial description and is not restrictive as to duties required.)

Serve as manager of a small to medium sized library.

Supervise staff including training, scheduling, work assignments, work review, performance appraisal, discipline, coaching and development.

Coordinate physical plant maintenance for a library. May identify services needed and contact vendors or other County departments to perform necessary work.

Assist the public with library transactions and information requests using all available resources.

Plan, publicize, conduct, and evaluate various programs on a variety of topics for all generations by coordinating programs and activities with other organizations.

Collect and maintain statistical data and records; prepare summary reports to keep library management aware of patron usage and needs.

Assist with the development, maintenance, organization, cataloging and classification of the library collection using current professional standards.
Monitor and implement grants; assure proper compliance with terms and provisions; coordinate grant reporting processes and prepare and submit required grant performance reports to granting agencies.

Participate in management team meetings to plan and implement the goals, objectives and direction of the Library’s policies and services, and provide input for strategic planning.

**JOB RELATED AND ESSENTIAL QUALIFICATIONS**
