HUMAN SERVICES CASE WORKER I

DEFINITION

Under direct supervision, receives training and performs professional case work for the Washoe County Human Services Agency; and performs related work as required.

EXPERIENCE AND TRAINING REQUIREMENTS

A bachelor’s degree from an accredited college or university in social work, criminal justice, psychology, sociology, or a closely related field; OR license to practice Social Work in the State of Nevada or eligibility for licensure in the State of Nevada.

LICENSE OR CERTIFICATE

A valid driver's license is required at time of appointment.

DISTINGUISHING CHARACTERISTICS

This is the entry and training level class in the Case Worker class series which provides for progression to the next level in the series upon meeting the requirements of the class and recommendation of the appointing authority. Incumbents perform basic assignments and receive continuous training in the assigned area of professional case management. Incumbents are given constant and detailed supervision in areas such as department organization, social service programs, basic case study methods, and providing case services. It is distinguished from the Case Worker II class by the fact that incumbents perform a narrower range of duties under closer supervision.

SUPERVISION EXERCISED

Exercises no supervision.

EXAMPLES OF DUTIES (The following is used as a partial description and is not restrictive as to duties required.)

Receive training in case work concepts and engage in interviewing, investigating, and case assignments; develop case records, plans and services, including monitoring of case progress according to agency guidelines; coordinate the appropriate placements of clients.

Maintain a caseload of families; conduct interviews and assessments with clients, families, and caregivers in order to assess needs and develop and implement a service plan to address identified issues.

Prepare case reports, document information, and maintain accurate case records; review case files.

Recruit care providers; monitor for quality of care and ongoing contract compliance; train care providers in recognizing and reporting abuse and neglect.

May provide case management services to clients referred to mental and behavioral health resources including access to insurance options, interactions with managed care, and establishing appointments with providers; may provide ancillary case management services in terms of basic needs, housing, employment and other health and human services as needed, including transportation.
May provide case management to clients who are experiencing homelessness in transitional housing or emergency shelter; provide outreach along the river and throughout Washoe County to those who are experiencing housing instability, food insecurity and financial challenges.

Investigate complaints of abuse or neglect; gather information, determine the urgency and severity of the risk and recommend appropriate action to achieve a safe environment.

Respond to inquiries, provide program and regulation information, and explain the reporting and investigation process; interpret rules, regulations, and policies for clients and the general public.

Provide a variety of community resources, placement and referral services to clients within assigned area; assist families in accessing services and assist with placement of clients into adult care centers.

Coordinate residential placements with Children’s Services to ensure appropriate placement of children.

Work with childcare providers to improve service and compliance with regulations; perform periodic inspections of childcare facilities, evaluating compliance, provide technical support and guidance as necessary.

Investigate complaints of violations; developing recommendations regarding limitation, suspension, and revocation of child care licenses and issue of misdemeanor citations.

Maintain close communication with identified team to keep them apprised of developments and obstacles in conducting case management activities.

Maintain contact and collaborate with other professionals and community providers to effectively facilitate service deliveries for clientele within assigned area; coordinate placements with other agencies to ensure appropriate placements; may recruit contract care providers and monitor residential programs for quality of care and contract compliance; may train providers to recognize and report abuse and neglect.

Track foster placements/removals, completing requisite periodic reports regarding placement activities; maintain daily placement activity logs and develop accurate lists of vacancies.

Participate as a member of a multi-disciplinary team.

May compile information and compose reports for court testimony in dependency hearings.
